III. Action/Discussion Items

- A. Authorize the Sacramento Works Youth Committee to Review/Approve the Release of the Request for Proposals for the Workforce Innovation and Opportunity Act (WIOA) Youth Program Services Funded by Title I for Fiscal Year 2019-2020

Ms. Carpenter stated that the Youth Committee is working on the RFP to focus on more flexibility to serve more youth participants.

Mr. Cunningham clarified that this board item is asking for authority for the Youth Committee to develop the RFP; Ms. Kossick stated that all members are welcome to attend Youth Committee meetings.

Mr. Legé inquired why more flexibility is needed and Ms. Carpenter replied that the program has been prescriptive in the elements in the past and we want to allow proposers to provide services in more effective ways. The Youth Committee is looking for creative ways to shape the program.

Mr. Gordon stated that the biggest problem is reaching the out-of-school youth; as they get older, it is more difficult to reach those kids. The RFP is specifically looking for providers to serve that group. Paid work experience to bring the young people into the business is important. Also, a couple of areas of the county, (e.g., Galt), have been chronically difficult to serve. We want to capitalize on strong approaches to community services and get providers that have access to a wide variety of supportive services.

Moved/Nye, second/Booth, to authorize the Sacramento Works, Inc. Youth Committee to review/approve the release of the RFP for the Workforce Innovation and Opportunity Act (WIOA) Youth Program services funded by Title I for fiscal year 2019-2020.

Roll call vote:

Aye: 16 (Booth, Ferrari, Ferreira, Gibbons, Gordon, Kandris, King, Kossick, Legé, Laster, Nye, Onasch, Perez, Pineo, Sasso, Wylie)

Nay: 0

Abstentions: 0

Absent: 6 (Blackwood, Clawson, Conner, Givans, Louie, Smith-Dohring)

B. Discussion on the Role of the Sacramento Works Board

Mr. King stated that it is important for the board to get to an action plan to include measures that can track success. We need to identify key things such as industries, populations, and then determine what are the top 2-3 outcomes we want to see. We can use the top 2-3 outcomes to synthesize the plan. Over the past several meeting, speakers have provided perspectives on things to consider. Mr. Kim will provide a summary of the strategic plans and possible changes.

Mr. Kim distributed the summary of strategic presentations given in past meetings. The presentations focused on trades/industries, targeting specific demographics, and improving regional alignment. Overall there was an emphasis on technology++, and technology that also has an impact across multiple sectors.

Mr. Kim reviewed a CalJobs report that includes ZIP codes with numbers of people that are in impacted communities. There is also a breakout of customers by ethnicity and then individualized customers. Mr. Kim reviewed the information from the CalJobs system. He introduced Mr. Ralph Giddings who worked with an information technology programmer to extract the data. WIOA funding over the past five years has been reduced by approximately 20%.

Mr. Kim reviewed a summarized version of the Sacramento Works strategic plan. SETA is currently partnered with the state to provide workers for two buildings being built downtown. SETA is also working with the City Council to provide workers on city council public works efforts. SETA has also provided funds to support some regional initiatives.

Mr. Kim stated that SETA will be embarking on a statewide initiative connecting parolees to services and into employment. Staff is in the process of planning and will be submitting a proposal to the state. This board's Youth Committee fostered a youth program with initiative funds that was very successful. The Board will be hearing more about the Gap, Inc. program which places young people in internship positions at Gap and Banana Republic stores.

The employer customer satisfaction survey is being reinvigorated; staff is working with EMRL to develop regional branding, a regional website, and outreach to employers for the Regional Business Summit to be held in May, 2019.

Mr. King asked how useful this document is to staff. Mr. Kim replied that the goals are very comprehensive; they cover the entire spectrum. He can take whatever area staff are working on and fit it into one of them. The focus is very broad. To some extent, we have to be comprehensive but it is difficult to prioritize. It may be helpful to be more specific which may assist staff to prioritize one area over another. Customers seeking financial assistance may need to fall

into more narrow areas. Perhaps it would be better to target areas in a more focused manner.

Mr. Kandris reported that there is some state legislation that changes the 1099 perspective that will impact some of the things we do; will that be a change in our employment categories? Mr. King replied that this is an area where staff have to gather more information and report back.

Mr. Onasch asked what are the objectives to capture resources through other partnerships; he has not seen a lot of that with DOR. Opportunities are being lost because we are doing the same thing but we are not doing them collectively.

Mr. Booth stated that our goal is to increase employment for a variety of populations. With the groups that are hard to employ, there are lots of ways to measure if a person has achieved their goal.

Mr. Wylie stated that a missing element is the goal of this board and what we are supposed to be doing? How can we help SETA stop doing some things/reduce efforts in certain areas? What are the tradeable industries? Link apprenticeship with technical trades and industries. He would appreciate guidance on what the board should be doing.

Ms. Ferrari stated that WIOA has performance measures already built into the Act. She suggested perhaps that the board be more specific on the goal itself.

Dr. Nye likes the first two; we do not really control which companies come into the Sacramento area. Ms. Laster agreed that we cannot control who comes to the area but employers already cannot find enough people; where can we find the workers?

Mr. King sees that the board is focusing on the hard to employ, unemployed, and reskilling of the unemployed. Mr. Sasso wants to have wage gain of employees to be tracked to show upward movement of the customers.

Mr. Gordon suggested linking into existing metrics that are already available. The new governor's agenda will feature early childhood development. There are a lot of people in this sector that are low paid with low education. He urged us to consider getting the teaching staff better educated which means higher wages. Work with the existing system to create a pipeline for child care workers to go through the current systems to be better educated. Align our goals/metrics with other groups in the region.

The three goals are:

- Reduce the number of hard to employ, underemployed, and unemployed individuals.
- Determine the educational ability of currently employed to achieve wage gain.
- Attract businesses into our region.

Mr. King stated that the three goals will be presented to the Executive Committee and have them fleshed out and bring to this board to finalize the results. The three broad outcomes will be sent to the Executive Committee to further refine.

IV. Information Items

- A. Dislocated Worker Report: Ms. Ferrari stated that EDD was notified by the governor's office for EDD and partners to assist TSA employees during the federal shutdown. In San Jose, EDD participated in a resource fair providing TSA staff the opportunity to file for unemployment insurance. They would be paid benefits pending reopening of the government. They would have to pay back the benefits; would be able to pay back over a period of time. Tuesday will be the first endeavor of this program. They are primarily reaching out to TSA staff at airports but it could be a domino effect. Any federal employee can file for unemployment insurance.
- B. Employer Recruitment Activity Report: No additional report.
- C. Unemployment Update/Press Release from the Employment Development Department: Ms. Cara Welch reviewed the most recent LMID reports.
- D. Committee Updates

ITEM II-B – CONSENT

APPOINTMENT OF YOUTH COMMITTEE MEMBERS

BACKGROUND:

The Sacramento Works board's Youth Committee is responsible for the planning and procurement of the Workforce Innovation and Opportunity Act (WIOA) youth services. The Sacramento Works Youth Committee seeks to develop a continuum of services to engage youth in the workforce system; works with community partners to coordinate youth initiatives; and is responsible for the oversight of youth providers. WIOA requires no minimum or maximum number of representatives on the Youth Committee.

The WIOA and the State of California have identified the following categories of membership on the Youth Committee:

- Members of the local board with special interest or expertise in youth services or policy;
- Representatives of youth service organizations, including juvenile justice and local law enforcement agencies;
- Representatives of local public housing organizations;
- Education representatives;
- Parents of local youth seeking assistance under WIOA;
- Youth, including former participants and representatives of organizations that have experience relating to youth activities; and
- Representatives of the Job Corps.

Two applicants have been recommended for appointment by Youth Committee chair, Mr. David Gordon. Ms. Randi Kay Stephens is the Associate Program Manager for the Institute for Local Government and has an interest in serving on the Youth Committee. Ms. Zoe Larson was an AmeriCorps Service volunteer. The Operating Agreement for the Implementation of the Workforce Innovation and Opportunity Act between Sacramento Works, Inc. and the Governing Board of the Sacramento Employment and Training Agency requires that both parties approve appointments of Youth Committee members. The original applications for Youth Committee membership will be sent under separate cover.

RECOMMENDATION:

Approve the appointment of Ms. Randi Kay Stephens and Ms. Zoe Larson to the Sacramento Works Youth Committee.

PRESENTER: Terri Carpenter

ITEM III-A - ACTION

APPROVAL OF THE CAPITAL REGION'S STRATEGIC WORKFORCE DEVELOPMENT PLAN UPDATE, PROGRAM YEARS (PY) 2017-2021 AND THE SACRAMENTO AREA'S STRATEGIC WORKFORCE DEVELOPMENT PLAN UPDATE, PY 2017-2021, AND AUTHORIZE SETA'S EXECUTIVE DIRECTOR TO MAKE REVISIONS REQUIRED BY THE STATE

BACKGROUND:

In July 2014, Congress passed the Workforce Innovation and Opportunity Act (WIOA). The WIOA required local workforce areas and regional workforce areas, known as regional planning units (RPUs), to submit comprehensive regional and local strategic workforce development plans to State workforce boards. In September 2016, the California Workforce Development Board (CWDB) issued policy guidance establishing the procedures for Local Workforce Development Boards (LWDBs) and Regional Planning Units (RPU) to follow in the preparation and submission of their initial regional and local plans. The Capital Region's RPU consists of four workforce development areas - Golden Sierra Job Training Agency (GSJTA), North Central Counties Consortium (NCCC), Sacramento Employment and Training Agency (SETA), and Yolo County representing nine counties - Alpine, Colusa, El Dorado, Glenn, Placer, Sacramento, Sutter, Yolo, and Yuba.

The Capital Region's Strategic Workforce Development Plan—Program Years 2017-2021, and the Sacramento Area's Strategic Workforce Development Plan – Program Years 2017-2021, were approved by the CWDB in August 2017. The state's Unified Plan served as the conceptual map for Local Workforce Development Boards (LWDB) and their partners, and was the controlling state policy document for regional and local workforce plans. Both plans outlined strategies that assist adults and youth with barriers to gain access to employment opportunities through career pathways within critical industry sectors identified within the region. The ultimate goal of the strategies was to support economic prosperity and income mobility.

In July 2018, the CWDB issued policy guidance regarding biennial updates of regional and local plans required under WIOA. The policy guidance applies to LWDBs and RPUs and ensures that plans remain current and account for changes in labor market and economic conditions, or other factors affecting the implementation of plans. The CWDB made changes to its Unified Plan, which requires the LWDBs to update plans to be consistent with the State policy. The policy guidance provides specific instructions on both required and elective updates to the plans, which include:

- Conditions and processes for stakeholder engagement during the regional and local plan update process
- Regional and local plan update deliverables including:

ITEM III-A – ACTION (continued)

Page 2

- aligning, coordinating, and integrating reentry and workforce services to the formerly incarcerated and other justice-involved individuals
 - partnerships with county human service CalFresh programs
 - partnerships with Local Child Support Agencies (LCSAs) to provide workforce services to unemployed, underemployed, and payment-delinquent non-custodial parents
 - partnerships with programs that service individuals with disabilities (IWDs), including detail on strategies to implement Competitive Integrated Employment (CIE)
 - provision of services to English Language Learners (ELLs), including refugees
 - compliance with the state law relating to Multi-Craft Core Curriculum (MC3) pre-apprenticeship partnerships
 - evaluation and assessment of local and regional efforts toward Coordination and Alignment using State indicators
 - changes in labor market and economic conditions, or other factors affecting the implementation of regional and local plans, including modifications to negotiated performance goals
- Plan submission process and the plan scoring rubric.

Drafts of the plan updates, including the attachments and exhibits to the plans, can be found on-line at www.seta.net under the Public Notices tab. As stated previously, the documents have been prepared in compliance with the state's policy guidance, as well as evaluation criteria for regional and local plan update certification by the CWDB. The draft local plan was posted on the SETA website on January 18, 2019, and the draft regional plan was posted on February 15, 2019. The links to both the regional and local plan updates were posted on SETA's website and made available to all of the required stakeholders identified in the policy guidance, as well as to over 400 partners, stakeholders and other interested parties for comment. Additionally, a public notice was published in the Sacramento Bee, and SETA will be receiving public comments through March 15, 2019.

Staff is seeking the Board's approval of the plan updates in order to meet the initial submission date of March 15, 2019. Once submitted, the State will work with the SETA and the RPU to address plan update deficiencies, if any, identified prior to "final" plan update submissions due August 1, 2019. Therefore, staff is further seeking approval to allow SETA's Executive Director to make revisions to the regional and/or local plan updates that may be required by the State prior to the "final" plan update submission date.
