Getting help

Just call the number in the *Contact us* section of this brochure. We are available 24 hours a day, seven days a week.

A customer service representative will ask a few questions and connect you with the right EAP solution for you.

Problem-solving support

Call us for help with life's ups and downs. We'll connect or refer you to a professional who can help with:

- **Marriage, family and relationship issues.**
- **Problems in the workplace.**
- **Stress, anxiety, changes in mood, and sadness.**
- **Grief, loss or responses to traumatic events.**
- **Concerns about your use of alcohol or drugs.**

When you call, you can make an appointment that works for you:

- **Face to face** – Meet with a provider from our network (for example, a counselor, marriage and family therapist, or psychologist) in his or her office. We can provide a referral when you call us. You can also search for a provider on our member website.
- **Phone or web-video** – Easily accessed support provided by a network provider or MHN consultant.

Remember that EAP services are not medical care or mental health treatment of any kind. If, in the course of a consultation, clinical problems are suspected, including drug or alcohol problems, we will offer a referral to appropriate medical or mental health services.

Evidence of Coverage and Disclosure

To see a detailed description of your EAP benefits, please review your Employee Assistance Program Combined Evidence of Coverage and Disclosure Form (EOC), available through your benefits department. You may also contact MHN at the number in this brochure for a copy of the EOC (California members only). Please note that, in the event of discrepancies between member materials and EOC documents, the terms of the EOC will prevail.

MHN is a licensed California specialized health care service plan. The California Department of Managed Health Care (the "Department") is responsible for regulating health care service plans in California. If you have a grievance against MHN, you should first call MHN at the number in this brochure, and use MHN's grievance process, as described above, before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you.

You may call the Department if you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by MHN, or a grievance that has remained unresolved for more than 30 days, (unless the member is notified within those 30 days that additional time is required and the reason for the delay is documented). You may also be eligible for an Independent Medical Review (IMR). If so, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The Department has a toll-free telephone number (1-888-466-2219) to receive complaints and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's website (www.hmohelp.ca.gov) has grievance forms, IMR application forms and instructions online.
