28	2	85	Rose Family Creative Empowerment (Special project)	African American Youth ages 14-17	South Sacramento, specifically 95822, 95823 and 95832	\$0	\$40,000	\$2,667 / 15	\$40,000	14
9	2	82	Waking the Village	Pregnant and Parenting Youth and their Children	Sacramento County	\$63,500	\$60,000	\$800 / 75	\$40,000	8
21	2	81	Wind Youth Services	Homeless or At Risk of Homeless Youth	N. Sacramento, Parkway, N. Highlands, Florin, Arden-Arcade, Foothill Farms, Sacramento City, La Riviera, Parkway, Carmichael	\$43,500	\$46,096	\$768 / 60	\$0	11
24	3	79	Next Move (Senior)	Seniors and Disabled Seniors	Arden-Arcade, Carmichael, Citrus Hts., Elk Grove, Galt, Florin, Lemon Hill, N. Sacramento, Parkway, Rancho Cordova	\$0	\$24,980	\$1,665 / 15	\$0	12
29	3	79	Rose Family Creative Empowerment	African American Youth ages 10-17	South Sacramento, specifically 95822, 95823 and 95832	\$0	\$81,658	\$1,633 / 50	\$0	14
12	4	53	Wake-Up Foundation	Asian American Youth ages 16-24	Lemon Hill, N. Sacramento, Parkway, Florin, Galt	\$0	\$184,534	\$3,076 / 60	\$0	9
TOTAL YOUTH AND SENIOR SUPPORT RECOMMENDED:									\$185,000	

2020 COMMUNITY SERVICES BLOCK GRANT PROPOSAL SUMMARIES

Proposal Number	<u>Proposer Organization</u>
1	<p style="text-align: center;">Elk Grove Food Bank (EGFBS) (Safety Net)</p> <p>Proposer requests \$34,870 to provide 625 households with food at the Dino Drive facility, and to fund mobile pantries to deliver food to seniors and the medically fragile, workshops on healthy eating and budgeting, and assistance with transportation to the food bank and other resources. Direct client resources comprise 66% of requested funding.</p> <p>Staff recommends \$20,000 in funding for this proposal. EGFBS is the only food bank serving Elk Grove and the surrounding areas, and provides a wide array of safety-net and self-sufficiency related services to homeless and low-income households of Sacramento County. EGFBS has consistently met SETA contract goals in the past.</p>
2	<p style="text-align: center;">International Rescue Committee (The IRC) (Safety Net)</p> <p>Proposer requests \$31,000 to provide 115 low-income households with limited-time emergency assistance that includes transportation assistance, utility assistance, rental assistance, and employment supports. Direct client resources comprise 64% of requested funding.</p> <p>Staff recommends \$31,000 in funding to provide emergency assistance to low-income residents of Sacramento County, with a special emphasis on refugees and other immigrants. With 30 years of experience administering grants in Sacramento, the IRC helps thousands of low-income families each year to become resettled in the United States.</p>
3	<p style="text-align: center;">International Rescue Committee (Self-Sufficiency)</p> <p>Proposer requests \$85,000 to assist 75 economically disadvantaged households (including 40 carryover clients) overcome significant barriers to employment through STEPS (Stabilize, Train, Employ, and Progress to Success), with a focus on low-income refugee and immigrant populations and women with children aged 0-5 years. Proposed</p>

	<p>support services comprise 18% of IRC’s funding request.</p> <p>Staff recommends \$65,001 in funding for this proposal. The IRC described an established employment program with an excellent track record, citing a 60% success rate in enrolled households reaching self-sufficiency and employment within six months of enrollment.</p>
4	<p style="text-align: center;">The Salvation Army (TSA) (Safety Net)</p> <p>Proposer requests \$75,000 to provide 316 families with utility assistance, off-site shelter, eviction avoidance, and first month rental assistance at TSA’s Family Services’ eight (8) sites and collaborative partner locations throughout Sacramento County, including North Sacramento, North Highlands, Urban League, downtown Sacramento, Oak Park, Citrus Heights, Florin and Arden Arcade. In addition, TSA proposes to provide in-home visits for service provision to senior and disabled seniors who cannot come to a Salvation Army location, and intends to allocate 30% of its emergency services to seniors. Direct client resources comprise 75% of the requested funding.</p> <p>Staff recommends \$60,500 in funding for this proposal. The Salvation Army has a long history of providing the proposed services to SETA target groups in PY 2020 RFP priority areas throughout Sacramento County.</p>
5	<p style="text-align: center;">Volunteers of America (Safety Net)</p> <p>Proposer requests \$27,870 to provide 226 homeless and imminently homeless veteran households enrolled in the Volunteers of America’s Support Services for Veteran Families (SSVF) program with food, utility assistance and reconnection, off-site emergency shelter, eviction avoidance, first month rent assistance, and transportation assistance. Direct client resources comprise 100% of requested funding.</p> <p>Staff recommends \$27,870 in funding for this proposal, with the stipulation that eligibility for CSBG services be determined by SETA standards instead of the “30% of Area Median Income” standard noted in their proposal. VOA’s proposed service delivery system is leveraged through collaborations with program partners, allowing all CSBG resources proposed to directly assist homeless and imminently homeless veterans in need and their families.</p>
6	<p style="text-align: center;">South County Services (SCS) (Safety Net)</p> <p>Proposer requests \$100,000 to provide 621 households with food, transportation assistance, eviction avoidance, hygiene supplies and utility assistance and reconnection.</p>

	<p>Proposer also requests funding to provide non-emergency resources and cover personnel costs included in other PY2020 RFP funding categories, requiring the creation and maintenance of case files by an identified case manager. Direct client resources comprise 30% of the requested funding.</p> <p>Staff recommends \$27,768 in funding for this proposal to fund emergency support services to low-income residents living primarily in the Galt and River Delta area. All other proposed staffing and services (translation services, immigration services, referral services, assistance with benefits applications, and eye exams) are considered ineligible for this funding category; they constitute non-emergency, case managed services and activities described in other PY 2020 RFP funding categories, and for which SCS did not apply.</p>
7	<p style="text-align: center;">My Sister’s House (Safety Net)</p> <p>Proposer requests \$34,100 to provide 50 low-income and homeless survivors of domestic violence with utility assistance and reconnection, eviction avoidance, and first month rent assistance. Direct client resources comprise 66% of requested funding.</p> <p>Staff recommends \$34,100 in funding for this proposal. My Sister’s House has a strong history of providing outreach, services, and a safe haven to domestic violence survivors, including Asian and Pacific Islander women, and their children. This funding category is intended to fund emergency services, with a limited amount of funding for administrative costs, and is intended to maximize direct expenditures in the community.</p>
8	<p style="text-align: center;">Waking the Village (WTV) (Self Sufficiency)</p> <p>Proposer requests \$85,000 to provide 24 homeless pregnant and parenting youth and their children with housing, case management, and support for the purpose of stabilizing households. The youth are connected with Sacramento Works Job Centers, education at the secondary or post-secondary level, mental and physical health care, parenting workshops, and other services as needed by the individual. Family services include free licensed child care or connection to Early Head Start. As required in this funding type, this request includes 15% of proposed funding as direct participant services, to be used for meals prepared on-site and served at Tubman House.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>

<p>9</p>	<p style="text-align: center;">Waking the Village (WTV) (Youth and Senior Supports)</p> <p>Proposer requests \$60,000 to work with 75 homeless youth at the Creation District (CD), an arts and workshop program which targets the homeless youth who are most resistant to services. The CD offers daily studio art and music space, over 250 workshops and community events per year, and an arts van that outreaches to the hardest-to-reach youth. The CD functions as a way to engage youth and build trust while awaiting more permanent services.</p> <p>Staff recommends \$40,000 in funding for this proposal. WTV maintains a high success rate in working with homeless households, and the CD has contributed to that success by establishing relationships with homeless, at-risk youth who are not yet ready or able to commit to housing, a job, or the other attributes of self-sufficiency.</p>
<p>10</p>	<p style="text-align: center;">Bach Viet Association (Safety Net)</p> <p>Proposer requests \$36,500 to provide 300 low-income households in the Arden Arcade, Lemon Hill and Florin area with emergency food assistance and referrals to other services. Direct client resources comprise 27% of requested funding.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>
<p>11</p>	<p style="text-align: center;">Folsom Cordova Community Partnership (FCCP) (Self Sufficiency)</p> <p>Proposer requests \$64,563 to provide 30 single parent families with children 0-5, homeless or imminently homeless families with case management services and a full array of CSBG resources, to help families more fully engage in employment and training resources available through the SETA Sacramento Works America’s Job Centers of California (SWAJCC) system. Direct participant costs, for a wide array of support services, comprise 16% consistent with requirements of this funding category.</p> <p>Staff recommends \$64,563 in funding for this proposal. This program is proposed to be co-located at a SWAJCC job center, with trained staff who have a strong history of guiding hard-to-serve populations to employment and self-sufficiency.</p>

12	<p style="text-align: center;">Wake-Up Foundation (Youth and Senior Supports)</p> <p>Proposer requests \$184,000 to provide 60 Asian-American youth and young adults aged 16-24, with education and career counseling, self-care resources, life skills training and mentoring.</p> <p>Wake-Up Foundation’s proposal score was not high enough to recommend a CSBG funding award.</p>
13	<p style="text-align: center;">Elk Grove Adult and Community Education (EGACE) (Safety Net)</p> <p>Proposer requests \$38,342 to provide 161 single-parent, low-income or homeless households in the Florin, Lemon Hill, and Elk Grove zip codes with emergency supports including hygiene kits, food vouchers, transportation vouchers, utility assistance/reconnection, eviction avoidance, case management and access to EGACE’s clothing closet. Direct client resources comprise 38% of requested funding.</p> <p>Staff recommends \$20,000 in funding for this proposal. This program proposes to provide emergency support services to several target areas and populations identified in the PY 2020 RFP.</p>
14	<p style="text-align: center;">Elk Grove Adult and Community Education (EGACE) (Self Sufficiency)</p> <p>Proposer requests \$38,342 to provide 55 single-parent, justice-involved, and homeless households with case management services and a full array of CSBG support service resources to help families more fully engage in employment and training resources available through the SETA Sacramento Works America’s Job Centers of California (SWAJCC) system. Direct client resources comprise 37% of requested funding.</p> <p>Staff recommends \$35,218 in funding for this proposal. This program envisions co-location at a SWAJCC and provision of support and employment services to several target populations identified in the PY 2020 RFP.</p>
15	<p style="text-align: center;">La Familia Counseling Center, Inc. (Youth and Senior Supports)</p> <p>Proposer requests \$100,000 to provide Project Reach services to 50 youth (10-21 years old) at risk of dropping out of school, and/or pre-gang or gang involved. Funded activities and resources are intended to increase academic progress in school, improve social and communication skills, help youth avoid risk-taking behavior, decrease truancy, and reduce involvement with the juvenile justice system.</p> <p>Staff recommends \$60,000 in funding for this proposal. La Familia has a long</p>

	history of working with at-risk youth, gang and pre-gang youth, and their families, in target areas with a high density of gang-related activity.
16	<p style="text-align: center;">Folsom Cordova Community Partnership (FCCP) (Safety Net)</p> <p>Proposer requests \$56,508 to provide 1,515 low-income, single-parent families with children 0-17 years of age with food, transportation, utility assistance, off-site shelter, eviction avoidance, first month rent assistance, employment supports, clothing and hygiene supplies. Direct client resources comprise approximately 93% of requested funding.</p> <p>Staff recommends \$40,000 in funding for this proposal. FCCP has a strong history of providing the proposed services in the Rancho Cordova and Folsom areas and was the only proposer with a service delivery site in that underserved area of Sacramento County. Further, FCCP proposes to be open for service requests and delivery through their Family Resource Center during business hours, five days per week, by phone, and until 7:00 p.m. two days each week (Tuesday and Thursday), to be available to the working poor in need of emergency services.</p>
17	<p style="text-align: center;">River City Food Bank (RCFB) (Safety Net)</p> <p>Proposer requests \$50,000 to provide 23,089 households with nutritionally balanced 3-day supplies of food and to also meet the nutritional needs of medically fragile families recovering from surgery, illness or living with diseases such as diabetes and HIV/AIDS. Direct client resources comprise approximately 46% of requested funding.</p> <p>Staff recommends \$40,000 in funding for this proposal. RCFB's service delivery system is highly efficient, brought about by leveraging labor costs with volunteers and long-term experience in the client centered distribution of nutritious foods to low income individuals and families.</p>
18	<p style="text-align: center;">Opening Doors (Self Sufficiency)</p> <p>Proposer requests \$72,500 to provide 75 low-income Special Immigrant Visa holders and survivors of human trafficking (including eight (8) single-parent households) with intensive one-on-one case management and counseling services. Through the Employment Pathways Project, participants will receive supports through closed-group sessions, linkage to Upwardly Global's free program, and access to Sacramento Works, America's Job Center of California. As required in this funding type, this request includes 15% of proposed funding as direct participant services.</p>

	<p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>
19	<p style="text-align: center;">Wind Youth Services, Inc. (Wind) (Self Sufficiency)</p> <p>Proposer requests \$65,299 to provide 50 homeless and imminently homeless youth 12-24, with case management and services likely to stabilize youth in preparation for full engagement in employment and training opportunities through a Sacramento Works, America’s Job Center of California (SWAJCC) site.</p> <p>Staff recommends \$40,000 in funding for this proposal. It is stipulated that Wind Youth Services budget be revised to represent the minimum level of direct participant services required under this 2020 CSBG RFP category of 15%, or more, of the recommended award. Wind Youth Services has a long history of providing direct services and counseling resources for homeless, imminently homeless, and runaway youth in Sacramento County.</p>
20	<p style="text-align: center;">Wind Youth Services, Inc. (Wind) (Safety Net)</p> <p>Proposer requests \$31,700 to provide 200 homeless and imminently homeless youth with food, transportation, utility assistance and reconnection, and first month rent assistance. Direct client resources comprise 100% of requested funding.</p> <p>Staff recommends \$20,000 in funding for this proposal. Wind has a long history of providing services for Sacramento County’s homeless and imminently homeless youth.</p>
21	<p style="text-align: center;">Wind Youth Services, Inc. (Wind) (Youth and Senior Supports)</p> <p>Proposer requests \$46,096 to provide 60 homeless and imminently homeless youth, ages 12-24, with intensive case management and a series of weekly life skills and youth leadership workshops, throughout the year. Youth who attend at least 10 of the workshops in the series will be eligible to become Credible Messengers (peer mentors), and to receive an incentive and a stipend to mentor other youth.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>

22	<p style="text-align: center;">Lao Family Community Development, Inc. (LFCD) (Self Sufficiency)</p> <p>Proposer requests \$83,830 to provide 75 low-income, single-parent families, domestic violence survivors, individuals experiencing homelessness or imminent homelessness and/or individuals with disabilities with emergency support services through intensive case management and linkages to responsive services. In addition, LFCD will collaborate with Sacramento Works, America’s Job Centers of California in preparation for career planning, job readiness and life skills workshops and occupational training. Direct client resources comprise 16% of the funding request.</p> <p>Staff recommends \$50,000 in funding for this proposal. Lao Family has a history of providing employment and supportive services to SETA target groups, countywide.</p>
23	<p style="text-align: center;">Next Move Homeless Services (Next Move) (Self Sufficiency)</p> <p>Proposer requests \$52,460 to fund one full-time job developer to provide 140 homeless families with case management, employment services and access to the SETA Sacramento Works America’s Job Centers of California (SWAJCC) system.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>
24	<p style="text-align: center;">Next Move Homeless Services (Next Move) (Youth and Senior Supports)</p> <p>Proposer requests \$24,980 to provide 15 chronically homeless seniors and seniors with disabilities with furnished housing, case management, career counseling with connection to the Sacramento Works America’s Job Centers of California (SWAJCCs), adult learning workshops, connection to available community services, weekly independent living skills training, and support services such as emergency food, and transportation assistance.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>

25	<p style="text-align: center;">Next Move Homeless Services (Next Move) (Safety Net)</p> <p>Proposer requests \$52,355 to provide 65 low-income families with minor children experiencing homelessness with food, transportation assistance, and motel vouchers for its Family Rescue Program (FRP). The FRP provides homeless families with children a safe respite and guidance in accessing vital community services, including shelter, housing and employment. Also in this proposal is a request for funds to provide utility assistance/reconnection, eviction assistance, first month’s rent, employment supports and clothing, for the general population of CSBG-eligible households. Direct client resources comprise 87% of the requested funding.</p> <p>Staff recommends \$8,762 in funding for this proposal. Next Move has a long history of providing temporary shelter for vulnerable families with minor children, and supportive services to SETA target groups countywide.</p>
26	<p style="text-align: center;">Women’s Empowerment (Self Sufficiency)</p> <p>Proposer requests \$56,557 to provide 90 homeless women and their children with intensive and innovative assistance to achieve self-sufficiency and break the cycle of homelessness for themselves and their children through three phases: job readiness, job search training, and job placement and retention; such services will likely stabilize women and their families in preparation for full engagement in employment and training opportunities through any of the Sacramento Works, America’s Job Centers of California (SWAJCC) sites. Direct client resources comprise 19% of the requested funding.</p> <p>Staff recommends \$40,000 in funding for this proposal. Women’s Empowerment has a strong history of working with homeless women and children in Sacramento County to provide emergency assistance and employment services.</p>
27	<p style="text-align: center;">Daughters of Zion Enterpryz (Safety Net)</p> <p>Proposer requests \$35,000 to provide 60 low-income and homeless households with food, off-site shelter, transportation, utility assistance/reconnection, and first month rent assistance in the communities of South Sacramento. Direct client resources comprise 66% of requested funding.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>

28	<p style="text-align: center;">Rose Family Creative Empowerment Center (Rose Family) (Youth and Senior Support Special Project)</p> <p>Proposer requests \$40,000 to provide 15 African-American youth, ages 14-17, with intensive case management, advocacy, and mentoring, through the Healing the Hood Project. Goals include decreasing the disproportionate suspension rates for African-American boys in the Sacramento City Unified School District and prevention of the school-to-prison pipeline. Referrals to counseling, drug/alcohol treatment, victim services and strength-based family-centered services are provided as needed to the individual.</p> <p>Staff recommends \$40,000 in funding for this proposal. Rose Family has a history of working with at-risk African American youth in Sacramento County. Rose Family is the host incubator for one of seven Black Child Legacy Campaign sites and has established a strong presence in the community they serve.</p>
29	<p style="text-align: center;">Rose Family Creative Empowerment Center (Rose Family) (Youth and Senior Support)</p> <p>Proposer requests \$81,658 to provide 50 African-American youth ages 10-17, with wraparound case management services for at-risk youth and their families living in the South Sacramento neighborhoods. Program services include social and emotional learning groups, prevention, intervention, and interruption services, empowerment services to youth, families, and their community members, mentoring, tutoring and other educational support programs.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>
30	<p style="text-align: center;">Rose Family Creative Empowerment Center (Rose Family) (Safety Net)</p> <p>Proposer requests \$195,340 to provide 150 low-income African-American single-parent households with utility assistance, motel vouchers, food vouchers or prepared meals, hygiene supplies, housing assistance, and employment and job skills workshops. Direct client resources comprise 37% of requested funding.</p> <p>Staff does not recommend funding for this proposal due to insufficient funding available in this service category.</p>

<p>31</p>	<p style="text-align: center;">Saint John’s Program for Real Change (SJPRC) (Self Sufficiency)</p> <p>Proposer requests \$89,231 to provide 65 homeless women, single-mother families and their children with housing, job training, and employment services in partnership with Sacramento Works, America’s Job Centers of California (SWAJCC). Women and their children will be supported with immediate stabilization care through mental, physical and vocational assessment, and self-development. Adult participants have the opportunity to receive training and employment through the proposer’s in-house training programs in food/beverage services and in child care.</p> <p>Staff recommends \$35,218 in funding for this proposal. It is stipulated that SJPRC’s budget be revised to represent the minimum level of direct participant services required under this 2020 CSBG RFP category of 15% or more of the award. SJPRC has a long history of working with homeless families in Sacramento County.</p>
<p>32</p>	<p style="text-align: center;">Saint John’s Program for Real Change (SJPRC) (Youth and Senior Support)</p> <p>Proposer requests \$54,851 to provide 250 homeless youth, ages 0-17 with behavioral, educational, and recreational therapies intended to prepare younger children for school readiness, and developmental progress for older children and youth.</p> <p>Staff recommends \$45,000 in funding for this proposal. SJPRC has a long history of working with homeless children and parents by providing them stability, structure, and exposure to growth opportunities.</p>
