

## **Safe Community Partnership – Street Outreach Services**

### Funding recommendation for Safe Community Partnership Street Outreach Services

SETA is partnering with the City of Sacramento Police Department and Area Congregations Together (ACT) to develop and implement the City of Sacramento's Safe Community Partnership strategy using the Operation Ceasefire model. Both SETA and the City of Sacramento were awarded funding to focus on the Sacramento Safe Community Partnership (SCP) Initiative. Safe Community Partnership is an evidence-based community and law-enforcement driven concept that encourages youth to step away from violence by providing successful alternatives. The City contracted with SETA to coordinate the procurement and delivery of the direct services including training, employment services and case management; Street Outreach; mentoring and life coaching; and substance abuse and mental health counseling.

A Request for Quotes for SCP Street Outreach was issued in August 2010 with a deadline of September 8, 2010. The applications were reviewed by the SCP Strategic Team, represented by SETA, City of Sacramento Police Department, ACT, a community member and the Public Health Institute – the technical assistance advisors for Safe Community Partnership and the State of California.

**Recommendation:** The Safe Community Partnership Strategic team recommends Wind Youth Services for the Street Outreach services in the amount of \$93,000.
