III. Discussion/Action Items

1. Approval of the Workforce Innovation and Opportunity Act (WIOA), Sacramento Works, Inc., Resource Allocation Plan for 2017-2018

Mr. Roy Kim stated that this plan includes a reduction in WIOA and Calworks funds. The county issued an RFP and will be contracting directly with some of the service providers for OJT services with CalWorks funds. The net CalWorks reduction is around \$1.5 million and the total reduction in funding is around \$2 million. If we receive significant increases in our allocations, staff will come back

with a revised allocation plan. The Planning/Oversight Committee reviewed and approved this item at their last meeting.

Mr. Morin stated that something came out from the state about increasing training services; is our program at risk? Mr. Kim stated that SB734 requires workforce boards to spend 30% of their adult/dislocated worker funds on training services, and allows areas to count up to 10% of leveraged costs toward meeting the 30% requirement. We are recommending 24.8% with an additional 10% that can be counted as leveraged costs for a total of 34.8%.

Mr. Louie arrived at 8:08 a.m.

Ms. Parker asked how the 23% decrease will affect staffing; will there be layoffs? Mr. Kim replied that the decrease has had an impact over the past couple of years. Last fiscal year we reduced our operations by 19 budgeted positions which resulted in a savings of over \$1 million. The overall impact has been felt and the expectation is to continue services with lower funding. In the next year, management will continue to reduce or find efficiencies as much as possible. The 19 position reductions have been due to retirements or employees leaving for state or county opportunities. We have backfilled on a limited basis by providing promotional opportunities. Staff will move forward with contracting and when final allocations are received, may move forward with funding modification recommendations. The county decided to release an RFP to directly fund the OJT service providers. The county is also experiencing significant reductions in the CalWORKs program.

Ms. Kossick stated that the largest decrease is due to the county directly funding the service providers instead of going through SETA.

Moved/Smith-Dohring, second/Parker, to approve the Sacramento Works, Inc. Resource Allocation Plan for 2017-18.

Roll Call Vote:

Aye: (Bard, Booth, Clawson, Conner, Edwards, Ferrari, Gordon, Kossick, Legé, Louie, McClatchy, Morin, Onasch, Parker, Sasso, Smith-Dohring)

Nay: 0

Abstentions: 1 (Nye)

Absent: 6 (Canevari, Dourgarian, Givans, King, Tateishi, Wylie)

2. Approval of Funding Extension Recommendations for the Workforce Innovation and Opportunity Act (WIOA), Title I, Youth Program, for Program Year 2017-2018

Mr. Cunningham asked that anyone employed by or related to any of the contracting parties, declare a conflict, and step out of the room. Dr. Nye stepped out of the room during the discussion and vote.

Ms. Terri Carpenter stated that a year ago procurement was done to fund both in-school and out-of-school youth service providers. Ms. Carpenter reviewed the ways in which providers were reviewed to ensure services were being provided.

SETA was notified of a decrease in the youth funding allocation and it is expected that no carry-in funds from the current fiscal year will be available.

Ms. Kossick stated that the Youth Committee approved these funding recommendations on May 9.

Moved/Clawson, second/Parker, to approve the staff funding extension recommendations for the WIOA Title I, Youth Program, PY 2017-2018 of \$2,450,927. Approve with the stipulation that all funding recommendations are contingent upon satisfactory year-end program performance reviews and the receipt of the final WIOA funding allocation.

Roll Call Vote:

Aye: (Bard, Booth, Clawson, Conner, Edwards, Ferrari, Gordon, Kossick, Legé, Louie, McClatchy, Morin, Onasch, Parker, Sasso, Smith-Dohring)

Nay: 0

Abstentions: 1 (Nye)

Absent: 6 (Canevari, Dourgarian, Givans, King, Tateishi, Wylie)

Ms. Carpenter reported that SETA is working with the Mayor's Thousand Strong Initiative. 1,243 youth applications have been received. It is a two-year program and the biggest issue is finding enough service providers to work with the kids.

Dr. Nye returned to the room.

ITEM IV-B – INFORMATION

UPDATE ON MAYOR STEINBERG’S THOUSAND STRONG INITIATIVE

BACKGROUND:

Mayor Steinberg launched the Thousand Strong youth employment pilot program this summer. The Sacramento County Office of Education and SETA are partners in the Thousand Strong Initiative and are subcontracting with youth service providers to provide a year-long, paid internship program that matches young, talented students with businesses and then readies those interns for success on the job. The goal is to obtain 1,000 internships.

SETA, a Thousand Strong partner, has contracted with eight community-based organizations to deliver work readiness and workplace skills training to prepare the Thousand Strong youth for employment placement. Training providers include:

- Crossroads Diversified Services, Inc.
- DCM – Diversified Contract Management Group
- Greater Sacramento Urban League
- HAWK
- La Familia
- North State Building Industry Association
- PRO Youth
- The Boys and Girls Club

Currently, SETA Thousand Strong providers have trained 176 youth referred through the Mayor’s office and 24 have been placed with employers. The Thousand Strong partners are working closely with the Mayor’s office to place the remaining young people in employment by the end of the summer. The partners are also reviewing the initial program design to ensure that the year-round program successfully prepares and connects youth and employers.

SlingShot – Capital Region: Supporting Entrepreneurship and Small Business

SlingShot will strengthen the ecosystem of resources for entrepreneurs, small businesses, and start-up companies, in order to help them grow jobs, and will increase income mobility in the Capital Region.

What is SlingShot?

SlingShot is an initiative of the California Workforce Development Board (CWDB) to encourage and support regional partnerships across the state to engage in new collective actions that can “move the needle” on workforce challenges.

After an extensive planning and review process, SlingShot implementation began in August 2016, and has created an innovation fund of \$750,000 to provide grant and contract funding to organizations supporting the ecosystem for entrepreneurs, start-ups, and small businesses.

How were the innovation funds distributed?

The \$750,000 innovation fund addresses three priorities-- business mentorships, maker space/incubators, and a web-based e-resource database. A total of 17 proposals were evaluated by an evaluation team made up of employers, content experts, and local WDB leaders. The evaluation team ensured the investments were distributed across the nine-county region and represented several industries.

Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.
- 2) These data are not seasonally adjusted.

Methodology:

Monthly city labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each city at the time of the 2009-2013 American Community Survey. Ratios for cities were developed from special tabulations based on ACS employment, unemployment, and population and Census population from the Bureau of Labor Statistics. For smaller cities and CDPs, ratios were calculated from published census data.
