

Sacramento Works, Inc. Local Workforce Development Board Strategic Plan

Sacramento Works, Inc., the local Workforce Development Board for Sacramento County, is a 25-member board charged with providing policy, planning and oversight for local workforce development initiatives.

Vision:

Building a dynamic workforce for the Sacramento Region.

Mission:

Sacramento Works partners with the workforce community to serve regional employment needs.

Goals:

Goal 1 (Planning/Oversight Committee):

Prepare customers for viable employment opportunities and career pathways in the region by improving the one stop career center system.

Goal 2 (Employer Outreach Committee):

Support regional employers' efforts to hire, train, and transition employees by enhancing and communicating the availability and value of Sacramento Works' employer and business services.

Goal 3 (Youth Committee):

Prepare youth to thrive and succeed in the regional workforce by providing relevant work readiness and employment programs and engaging regional employers and academia.

Moved/Clawson, second/Gusman, to approve the September 27, 2017 minutes.

Roll call vote:

Aye: 13 (Clawson, Conner, De Mers, Edwards, Ferrari, Givans, Gusman, King, Kossick, Legé, Louie, Nye, Wylie)

Nay: 0

Abstentions:

Absent: 11 (Booth, Canevari, Dourgarian, Gordon, Kandris, McClatchy, Morin, Onasch, Smith-Dohring, Sasso, Tateishi)

III. Discussion/Action Items

A. Approval to Submit the Workforce Innovation and Opportunity Act (WIOA), Self-Assessment Report to the State Workforce Development Board for Certification of the Comprehensive America's Job Center - Hillsdale

Mr. Roy Kim stated that the state released a directive in June regarding certification of comprehensive job centers. There are different things that need to be evaluated in each center. The local board also operates as the One Stop Operator so we are required to do a self-assessment. Three self-assessment teams were created: operations, alignment, and quality.

At the Executive Committee there was discussion that we will be implementing a customer satisfaction survey. Dr. Nye stated that there was a great discussion at the Executive Committee and they are generally pleased with the results. The committee recommends that we reassess that score when it goes up to a quality score. Mr. King stated that part of the discussion was that the baseline measures are due to be reported to the state in December; the Hallmarks of Excellence can be reported in January. There are a number of things that will be captured this month. Staff will submit it back to the board in January for approval.

Mr. Legé stated that as part of the committee that did an assessment, he had an incredible impression of that site. There were things that were done amazingly well but other things do need improvement.

Mr. Kim thanked the Planning/Oversight Committee members that participated in the assessment.

Ms. Kossick stated that this is a learning process and she appreciates board members getting involved. In the future, this assessment will have to be done for every Job Center.

Mr. De Mers asked if this is anticipated to be a fixed target or will it be modified by the state. Mr. Kim replied that the directive originally came out where it applied to comprehensive centers and then other centers were added. He anticipates additional direction from the state on the satellite centers. In many cases, if you are not a comprehensive center, the score will not be as high.

Moved/Nye, second/Clawson, to approve the submission of the Workforce Innovation and Opportunity Act, self-assessment report to the State Workforce Development Board for certification of the comprehensive America's Job Center – Hillsdale with a report back from staff.

Roll call vote:

Aye: 13 (Clawson, Conner, De Mers, Edwards, Ferrari, Givans, Gusman, King, Kossick, Legé, Louie, Nye, Wylie)

Nay: 0

Abstentions:

Absent: 11 (Booth, Canevari, Dourgarian, Gordon, Kandris, McClatchy, Morin, Onasch, Smith-Dohring, Sasso, Tateishi)

IV. Information Items

- A. Dislocated Worker Report: There is not a lot of activity compared to previous years.
- B. Employer Recruitment Activity Report: Mr. Walker reported that there has been an uptick in public sector employment recruitment. Many public sector organizations are looking at SETA to fill positions. The city has been told that their workforce must become more diverse.
- C. Unemployment Update/Press Release from the Employment Development Department: Ms. Cara Welch reviewed the LMID report for October, 2017.
- D. Committee Updates
 - ✓ Youth Committee: No report.
 - ✓ Planning/Oversight Committee: No report.
 - ✓ Employer Outreach Committee: They will meet after the board meeting.
 - ✓ Board Development Committee: Ms. Kossick stated that this committee was active in the past and will be reaching out to potential Private sector applicants and urge them to consider sitting on the board. Members would help to identify those that would enhance the quality of the board. Ms. Kossick stated that Ms. Lisa Clawson, Ms. McClatchy, and she have offered to assist on this committee. Ms. Clawson will reach out to Mr. Tateishi to see if he is interested in serving on this committee.

V. Other Reports

- 1. Chair: Ms. Kossick stated that the Executive Committee reviewed four applicants for potential membership. The Executive Committee moved forward with Johnny Perez with SAFE Credit Union for the vacant seat.
- 2. Members of the Board: Ms. Ferrari introduced Randy Bloomfield, new manager at Mark Sanders. Mr. Bloomfield has worked within the America's Job Centers of California providing direct services to clients and veterans.

Mr. Kim reported that the lease for the Rancho Cordova Job Center is expiring January 31 and the Agency is not renewing the lease. The most significant difference is increasing our staffing footprint at Mather Community Campus and connecting services to customers already being served.

- 3. Counsel: None.
- 4. Public Participation: None.

VI. Adjournment: The meeting was adjourned at 8:50 a.m.

ITEM III - A- ACTION

APPROVAL OF THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA), REVISED SELF-ASSESSMENT REPORT FOR CERTIFICATION OF THE COMPREHENSIVE AMERICA'S JOB CENTER - HILLSDALE

BACKGROUND:

On June 9, 2017, the California Workforce Development Board (CWDB) and the Employment Development Department (EDD), acting under the authority of the Governor, released Workforce Services Directive WSD16-20, which provided guidance and established procedures regarding the certification of comprehensive America's Job Center of California (AJCC) locations. The Directive was intended to implement the key WIOA requirements for AJCC certification: 1) effectiveness of the AJCC, 2) physical and programmatic accessibility for individuals with disabilities, and 3) continuous improvement.

Under the Directive, the initial AJCC certification process is required only for comprehensive AJCCs, will be conducted during PY2017-18, and take effect in 2018-19. Beginning in PY2018-19, Local Boards are required to certify other affiliate and specialized AJCCs, which will take effect in PY2019-20. Further guidance regarding the certification of affiliate and specialized AJCCs will be released in a later Directive.

The Directive describes two levels of AJCC certification: "Baseline" and "Hallmarks of Excellence". The "Baseline" criteria ensure that the AJCC complies with the key WIOA statutory and regulatory requirements. The "Hallmarks of Excellence" criteria were developed based on the State Plan and the AJCC Certification Workgroup's vision for the State's One-Stop delivery system. Its criteria are intended to encourage continuous improvement by identifying areas where AJCCs exceed quality expectations, as well as areas where improvements may be needed. Local Boards are required to fully certify their comprehensive AJCCs by June 30, 2018.

Where Local Boards also function as the One-Stop Operator, the State Board must certify the AJCC(s). Under this process, Local Boards must conduct an initial on-site self-assessment using the "Baseline" and "Hallmarks of Excellence" criteria described above, and submit the results by December 31 and January 31, 2018, respectively, whereupon the State Board will conduct formal on-site evaluations in order to make an official decision on the certification status of each comprehensive AJCC by June 30, 2018.

Based on guidance from the Planning and Oversight Committee, a self-assessment team was created and divided into the following three sub-groups for the on-site

PRESENTER: Roy Kim

ITEM III-A – ACTION (continued)

Page 2

evaluation conducted on August 23, 2017:

- 1) Operations – Baseline criteria, Facilities, and Access to Services
- 2) Alignment – Partnerships, Integrated Services, and Sector Pathways
- 3) Quality – Employer Services, Capacity Building, and Performance

Each team included Planning and Oversight Committee Members, SETA Leadership staff, partner staff and Job Center staff, discussed the strengths and weaknesses of the Center, and prepared a draft report based on the State Board's evaluation criteria.

On September 20, 2017, the self-assessment team reconvened to present each sub-group's observations and recommendations for continuous improvement. The draft reports were combined into a final report.

On November 15, 2017, the report was presented to the Sacramento Works, Inc. Board for approval. The Board approved the submission of the "Baseline" criteria (due December 31, 2017), but deferred its approval of the "Hallmarks of Excellence" criteria (due January 31, 2018). This decision was designed to allow staff to fully implement a system to capture and respond to customer feedback, and to allow the self-assessment team to reassess, rescore and revise the final report prior to submission to the State.

The revised final report has been sent under separate cover. Staff and self-assessment team members will be available to answer questions.

RECOMMENDATION:

Approve the Workforce Innovation and Opportunity Act, revised self-assessment report for certification of the comprehensive America's Job Center – Hillsdale.

ITEM III-B - ACTION

APPROVAL OF WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA),
TITLE I, YOUTH PROGRAM FUNDING AUGMENTATIONS

BACKGROUND:

On June 1, 2017, the SETA Governing Board approved the WIOA, Title I, Youth Program provider subgrant agreements for Program Year (PY) 2017-2018. A condition of SETA's Youth Program subgrant agreements is that all youth must be provided a paid work experience (WEX) opportunity during the Program Year. On January 1, 2018, California's minimum wage was increased from \$10.50 to \$11.00 per hour. As a result, Youth Program providers are requesting additional funding to cover the wage increase to support youth in paid work experience opportunities for the remainder of the program year. To address the issue, part of the WIOA Youth Funding Recommendations for (PY) 2017-2018 included set aside funds to cover wages, support services and special youth initiatives. The augmentations are specific to each provider's program design and use of work experience. SETA is recommending an augmentation of WIOA, Title I, Youth funds to the WIOA Youth providers reflected below in the following amounts:

	PY 2017- 18 Allocations	Recommended Augmentation	Recommended Revised PY 2017- 18 Allocations
Out of School Youth

The following providers accounted for the wage increase in their budgets and have sufficient funds to cover the minimum wage increase to support youth in paid work experience opportunities for the remainder of the PY 2017-2018:

- Asian Resources, Inc.
- La Familia Counseling Center

Staff will be available to answer questions.

RECOMMENDATIONS:

Approve the augmentation recommendation for the WIOA, Title I, Youth Program providers for PY 2017-18 as reflected in the chart above.

ITEM IV-A – INFORMATION

REVIEW OF APPLICATION FOR REGIONAL PLAN IMPLEMENTATION FUNDS

BACKGROUND:

On March 22, 2017, the Local Workforce Development Board, Sacramento Works, Inc. (SWI), approved the Draft Capital Region Workforce Development Plan for Program Years 2017-2020. The Draft Plan was conditionally approved by the California Workforce Development Board (CWDB), with some additional information/clarification being required prior to final approval. On July 31, 2017, staff submitted the Final Plan to the CWDB. The CWDB approved the final Regional plan on August 24, 2017.

In April 2017, the CWDB allocated funds to each region to select a Regional Organizer that would work with CWDB staff to identify and implement regional plan priority goals and other activities. SETA was designated as the lead for this effort, and worked with the other local boards and the CWDB to identify the following three regional plan priority goals for the Capital Region:

- 1) Alignment of partners (WIOA, Strong Workforce, Align Capital Region, Adult Education) to ensure alignment of resources and building on the strengths of the partners to build a regional workforce system.
- 2) Ensure business leadership in priority sector initiatives (healthcare, construction, agriculture, etc.) by focusing on employer engagement and leadership.
- 3) Identifying and implementing administrative efficiencies and system alignment.

In late September, the CWDB released a Request for Applications for a second round of funds of approximately \$7M to implement strategies and actions that support regional plan priority goals.

After extensive consultation with the Capital Region's Workforce Boards and Directors, SETA submitted an application requesting \$758,109 on November 2, 2017.

On December 18, 2017, SETA was notified that the Capital Region has been approved for funding in the amount of \$650,000. The Capital Region's Workforce Board Directors will be conferring and submitting a revised application and scope of work that is proportionate to the amount awarded.

A copy of the original narrative application is attached. Staff will be available to answer questions.

PRESENTER: Roy Kim

REGIONAL PLAN IMPLEMENTATION APPLICATION

On behalf of the Capital Region's Workforce Boards (Boards), the Sacramento Employment and Training Agency (SETA), the selected fiscal agent for this project, is pleased to submit this application to fund specific actions that will help implement the Capital Region's Workforce Development Plan Priority Goals. These goals were developed working closely with the California Workforce Development Board's (CWDB) staff and are summarized as follows:

- I) **PROGRAM ALIGNMENT** – Alignment of partners (WIOA, Strong Workforce, Align Capital Region, Adult Education) to ensure alignment of resources and building on the strengths of the partners to build a regional workforce system.
- II) **EMPLOYER ENGAGEMENT** – Ensure business leadership in priority sector initiatives (healthcare, construction, agriculture, etc.) by focusing on employer engagement and leadership.
- III) **SYSTEM ALIGNMENT** – Identifying and implementing administrative efficiencies and system alignment.

The following proposed actions or strategies were developed jointly by the Boards and the overall implementation of these strategies will be the responsibility of the Regional Organizer. While a number of the strategies are applicable to multiple Regional Plan Priority Goals, for purposes of this proposal they are organized as follows:

I) **PROGRAM ALIGNMENT**

- A) **Convene/Engage Priority Sectors** - the Boards will continue to build on the Regional Workforce Action Plan by convening/engaging partners around the region's identified and emerging priority industry sectors and occupational clusters. Current sectors/clusters include Advanced Manufacturing, Clean Economy, Education and Knowledge Creation, Food and Agriculture, Information and Communications Technologies, Life Sciences, and Health Services. The Construction and Hospitality sectors/clusters are currently being researched by Valley Vision in partnership with the community colleges' Strong Workforce Initiative. In addition, Valley Vision is focusing on the Art, Media and Entertainment sector which has a high concentration of entrepreneurial and small business opportunities, and aligns closely with the Capital Region's Slingshot Initiative which is focused on the innovation ecosystem and the expansion of entrepreneurial and Small Business pathways that stretch across the region's priority industry sectors.

The Boards will align their investment with the current investments of regional education and economic development partners by subcontracting with Valley Vision, a regional leadership organization focused on regional multi-stakeholder initiatives. Valley Vision is perceived as a neutral third party that represents all funding silos throughout the Region, and the Boards' investment will allow Valley Vision to extend its regional sector/cluster convenings for an additional twelve (12) months beyond

the current investments of the community colleges' Strong Workforce Initiative, through December 31, 2018. Valley Vision is already involved in multiple regional partner initiatives including convening priority sector advisory groups under the community colleges' Strong Workforce Initiative, the Align Capital Region (ACR) effort and private foundations. The convenings will also be used as a platform for presenting the regional industry advisory groups report referenced below. Project Cost - \$180,000; Leveraged Resources – \$150,000 from Strong Workforce Initiative and \$75,000 from the JP Morgan Foundation.

- B) Align/Converge Advisory Groups – the Boards will engage Valley Vision to continue to publicize the results of its mapping efforts on all the industry sector advisory groups throughout the region. The current mapping efforts are jointly funded by the Boards and the community colleges' Strong Workforce Initiative with the goal of aligning, connecting, converging and/or coordinating the multiple sector-based industry advisory groups occurring across business, workforce development, education and economic development partners throughout the region. The project also includes the mapping of the High Schools that have Career Pathways Advisory Committees. Valley Vision is nearing the completion of its research and will be publishing an initial regional report that will inform and influence policy decisions regarding industry advisory groups. The next phase in this effort will be the evaluation of best practices on implementing durable and effective advisory groups that cut across the multiple stakeholder groups throughout the region. Project Cost – Included in Paragraph I.A. above.

II) EMPLOYER ENGAGEMENT

- A) Regional Employer Services Team – SETA and Golden Sierra staff have held an initial meeting to discuss a regional rapid response and employer engagement strategy. This effort will be expanded to all four Boards with the goal of developing a regional rapid response and employer engagement action plan that coordinates the activities of the four Boards in a more efficient and business-friendly manner. The action plan will include the creation of an online business workshop/event calendar that centralizes all of the various business workshops/events coordinated by the Boards throughout the region. In addition, the action plan will include the development of regional outreach, messaging and service strategies so that employers perceive that services are consistently provided throughout the region. Project Cost – \$52,070 in staff and related costs; Leveraged Resources - \$52,070.
- B) Employer Engaged A-Teams – the Boards and Valley Vision are engaged in the Align Capital Region (ACR) Initiative, which is deploying an operating system (“playbook”) to improve how business, education, and community partners advance regional outcomes and economic prosperity across the Region. A Board member serves on the ACR Operating Committee, and board staff are participating on various Alignment Teams that have been created to address specific educational, career readiness and community challenges. ACR’s membership and focus is heavily weighted toward education, and the Boards will work with Valley Vision and

ACR to ensure that demand-driven and private sector workforce development needs are integrated across these Alignment Teams.

Project Cost - \$25,000; Leveraged Resources - \$25,000 from Strong Workforce Initiative.

- C) E-Resource Hub Expansion – the Capital Region’s Project Slingshot Compact includes the creation of an online, open source, database/software application (E-Resource Hub) that provides information about regional resources available to entrepreneurs and small businesses. The application is designed to help entrepreneurs and small businesses connect effectively with the specific resources they can most benefit from. The development team, led by I/O Labs Foundation, has created a prototype and is updating the initial dataset that will be loaded into the E-Resource Hub.

Due to the limited funding available under Project Slingshot, the initial E-Resource Hub was built with the core capabilities needed to create, maintain and sustain a well-designed web application. However, there are additional sophisticated upgrades and enhancements that would greatly increase the E-Resource Hub’s capabilities and value including but not limited to:

- Administration Portal – allows for individual login creation and information updates by resource providers and data access and rapid dissemination
- Application Programming Interface – allows for data access and rapid dissemination of updated resource information
- Site Design – more professional look and layout of web-site
- Curated News/Blog and Events Calendar
- Ongoing Maintenance and Outreach
- Replication of E-Resource Hub’s technology to another resource category such as workforce development or another geographic area

Project Cost - \$100,000.

III) SYSTEM ALIGNMENT

- A) Regional Workforce Meetings – The regional workforce board directors and key staff have held monthly meetings for the past two years to discuss and make decisions regarding regional developments, improvements, advancements, solutions, etc. While these are not formal Board Meetings, they have been invaluable in moving the Region forward in its regional planning work and have led to the execution of a Regional Memorandum of Understanding. The meetings are facilitated by the Regional Organizer and the location is rotated among the four areas. Meeting participants include Valley Vision, CWDB, EDD and other partner staff. Future periodic meetings will include the Local Board Chairs and/or Officers to ensure there is active Local Board Member participation in the decision-making process, but remain informal meetings for the time being.

Project Cost – Included in staff costs.

B) Regional Trainers/Experts – Since 1997, the Boards have operated the Capital Area Investment Zone (CAIZ) Training Team, a regional team of Board and partner staff that coordinates capacity building and training for the Capital Region. The Boards plan to expand this Team’s role to include the identification and coordination of training with highly knowledgeable staff who are subject matter experts and considered masters in areas like CalJOBS, Business Services, working with specific groups of hard-to-serve customers, and other areas where specialized training by expert users is more beneficial than through a training vendor/provider. These masters will be utilized as trainers, but also be a regional go-to resource for program staff.

Project Cost - \$56,000 staff and related costs; Leveraged Resources - \$56,000

C) Regional Summit/Conference – The Boards will host, in partnership with Valley Vision, the regional community college districts, the Capital Adult Education Regional Consortium, the Align Capital Region and other regional partners, a Capital Region Workforce Summit/Conference that connects system stakeholders from workforce development, private business, education, economic development and the community, to raise awareness of Workforce Development Boards, collaboratively discuss and get input on regional challenges, share best practices, and inspire ideas and innovation. The Summit/Conference will highlight the Boards’ regional efforts through the Slingshot Project, the Regional Workforce Planning, and other regional initiatives. Live, interactive polling will be used to obtain immediate feedback from Summit/Conference participants on regional questions and priorities.

Project Cost - \$75,000; Leveraged Resources – \$75,000 from Strong Workforce Initiative, Capital Adult Education Regional Consortium, WIOA Required Partners and private funding sources.

D) Administrative/System Functions – The Boards have had some preliminary discussions on the feasibility of handling various administrative and program support functions at a regional level. Examples include ETPL/LTPL Coordination, Equal Employment Opportunity Officer and/or One-Stop Operator responsibilities, regional workforce board branding/outreach and communications strategies and materials, various WIOA policies and procedures particularly on training and supportive services, competitively-procured vendor lists and contractual agreements, regional “Customer Relationship Management Software”, regional data analytics and performance reporting, etc. The Boards will continue to discuss, evaluate in detail and move forward with joint recommendations for implementation of two (2) or more administrative and support functions across the region over the 18-month project period.

Project Cost – \$81,000 budgeted for staff, contractual and related costs; Leveraged Resources - \$56,000.

UNEMPLOYMENT UPDATE/PRESS RELEASE FROM THE EMPLOYMENT
DEVELOPMENT DEPARTMENT

BACKGROUND:

The unemployment rate for Sacramento County for the month of November was 3.7%.

Attached is a copy of a press release from the Employment Development Department breaking down the job losses and job creations for the regional area.

Staff will be available to answer questions.

PRESENTER: Cara Welch

**SACRAMENTO—ROSEVILLE—ARDEN-ARCADE METROPOLITAN STATISTICAL AREA (MSA)
(EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES)
Seasonal gains in retail trade led month-over job growth**

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 3.7 percent in November 2017, down from a revised 4.1 percent in October 2017, and below the year-ago estimate of 4.9 percent. This compares with an unadjusted unemployment rate of 4.0 percent for California and 3.9 percent for the nation during the same period. The unemployment rate was 3.5 percent in El Dorado County, 3.1 percent in Placer County, 3.8 percent in Sacramento County, and 4.3 percent in Yolo County.

Between October 2017 and November 2017, combined employment in the counties of El Dorado, Placer, Sacramento, and Yolo increased by 4,400 to total 991,600 jobs.

- Trade, transportation, and utilities (up 5,600 jobs) led the region with a normal seasonal job gain from October to November, as holiday hiring began. Retail trade accounted for 76.8 percent of the job additions, picking up 4,300 jobs. Transportation, warehousing, and utilities added 1,400 jobs. These gains offset a slight loss in wholesale trade, which shed 100 jobs.
- Leisure and hospitality expanded by 1,000 jobs over the month. Accommodation and food services led the expansion by adding 800 jobs. Arts, entertainment, and recreation picked up 200 jobs.
- Government advanced by 900 jobs over the month. Local government was solely responsible for the increase.
- Meanwhile, six major industries experienced month-over job declines, led by construction (down 1,300 jobs), farm (down 1,200 jobs), and other services (down 600 jobs).

Between November 2016 and November 2017, total jobs in the region increased by 18,100, or 1.9 percent.

- Leisure and hospitality (up 6,600 jobs) continued to lead year-over growth. Accommodation and food services led the expansion with 5,900 jobs. Arts, entertainment, and recreation gained 700 jobs.
- Education and health services gained 4,600 jobs from last November. Health care and social assistance (up 4,700 jobs) was responsible for the increase.
- Trade, transportation, and utilities added 4,400 jobs. Transportation, warehousing, and utilities grew by 2,700 jobs. Retail trade gained 1,300 jobs. Wholesale trade picked up 400 jobs.
- Five major industries experienced year-over job reductions from last November: manufacturing (down 1,400 jobs), information (down 600 jobs), construction (down 600 jobs), other services (down 300 jobs), and farm (down 100 jobs).

CDP is "Census Designated Place" - a recognized community that was unincorporated at the time of the 2011-2015 5-Year American Community Survey (ACS).

Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.
- 2) These data are not seasonally adjusted.

Methodology:

Monthly city labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each city at the time of the 2009-2013 American Community Survey. Ratios for cities were developed from special tabulations based on ACS employment, unemployment, and population and Census population from the Bureau of Labor Statistics. For smaller cities and CDPs, ratios

Data Not Seasonally Adjusted

Area Name	Labor Force	Employment	Unemployment Number	Unemployment Rate	Census Ratios Emp	Unemp
------------------	--------------------	-------------------	----------------------------	--------------------------	--------------------------	--------------

were calculated from published census data.

Monthly CDP's labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each CDP at the time of the 2011-2015 ACS survey. Ratios for CDPs' were developed from special tabulations based on ACS employment and unemployment from the Bureau of Labor Statistics.

This method assumes that the rates of change in employment and unemployment since the 2009-2013/2011-2015 American Community Survey are exactly the same in each city and CDP as at county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

CDP is "Census Designated Place" - a recognized community that was unincorporated at the time of the 2011-2015 5-Year American Community Survey (ACS).

Notes:

- 1) Data may not add due to rounding. All unemployment rates shown are calculated on unrounded data.
- 2) These data are not seasonally adjusted.

Methodology:

Monthly city labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each city at the time of the 2009-2013 American Community Survey. Ratios for cities were developed from special tabulations based on ACS employment, unemployment, and population and Census population from the Bureau of Labor Statistics. For smaller cities and CDPs, ratios were calculated from published census data.

Monthly CDP's labor force data are derived by multiplying current estimates of county employment and unemployment by the relative employment and unemployment shares (ratios) of each CDP at the time of the 2011-2015 ACS survey. Ratios for CDPs' were developed from special tabulations based on ACS employment and unemployment from the Bureau of Labor Statistics.

This method assumes that the rates of change in employment and unemployment since the 2009-2013/2011-2015 American Community Survey are exactly the same in each city and CDP as at county level (i.e., that the shares are still accurate). If this assumption is not true for a specific city or CDP, then the estimates for that area may not represent the current economic conditions. Since this assumption is untested, caution should be employed when using these data.

ITEM IV-E - INFORMATION

COMMITTEE UPDATES

BACKGROUND:

This item provides an opportunity for a report from the following committees:

- Youth Committee – David Gordon
- Planning/Oversight Committee – Dr. Jamey Nye
- Employer Outreach Committee – Rick Wylie
- Board Development Committee

ITEM V - OTHER REPORTS

1. CHAIR'S REPORT

The Chair of the Sacramento Works, Inc. Board, on a regular basis, receives numerous items of information concerning employment and training legislation, current programs, agency activities, and miscellaneous articles.

The important information from the material received and meetings attended will be shared with the entire Board and the method proposed by the Chair is to give a verbal report at each regular meeting. It will also allow time for the Board to provide input on items that may require future action.

2. MEMBERS OF THE BOARD

This item provides the opportunity for Workforce Development Board members to raise any items for consideration not covered under the formal agenda. It also provides the opportunity for Board members to request staff to research or follow up on specific requests or to ask that certain items be placed on the next agenda.

3. COUNSEL REPORT:

The Sacramento Works, Inc. Legal Counsel is the firm of Phillip M. Cunningham, Attorney at Law. This item provides the opportunity for Legal Counsel to provide the Sacramento Works, Inc. Board with an oral or written report on legal activities

4. PUBLIC PARTICIPATION:

Participation of the general public at Sacramento Works, Inc. Board meetings is encouraged. The Sacramento Works, Inc. Board has decided to incorporate participants of the audience as part of its agenda for all meetings. Members of the audience are asked to address their requests to the Chair, if they wish to speak.
