#### Sacramento Works, Inc. Planning/Oversight Committee <u>Minutes/Synopsis</u>

SETA Board Room 925 Del Paso Blvd. Sacramento, CA 95815 Monday, June 12, 2006 8:00 a.m.

1. **<u>Call to Order/Roll Call</u>**: Mr. Dourgarian called the meeting to order at 8:13 a.m.

**Members Present:** Mike Dourgarian, Jim Lambert, James Pardun, Joan Polster, Tim Ray.

Members Absent: Dr. James Hernandez, Kathy Kossick, Matt Kelly.

**Others Present**: Robin Purdy, Mark Snaer, Melissa Noteboom, Christine Welsch, Patty Perez, Ellen Fransz, Ed DeHerrera.

2. Action Item: Approval of Minutes of the March 13, 2006 Meeting

Moved/Lambert, second/Ray, to approve the minutes as distributed. Voice Vote: Unanimous approval.

3. **<u>SMARTware Demonstration</u>**: Core Services Tracking and Reporting

The Smartware system is used to track core and intensive services provided at the career centers. The data for the quarterly report was taken from the SMARTware. SETA purchased SMARTware from Shasta County five years ago. There are other local areas that utilize the software: Riverside, East Bay Works, Napa, and Capital Area Investment Zone.

Ralph Giddings is the primary trainer and Earl Sullaway is the IT engineer.

4. **Information Item**: Review of 3rd Quarter Performance Data for the Sacramento Works One Stop Career Center system

Ms. Purdy reviewed the 3<sup>rd</sup> quarter data. Cost per customer was one of the areas utilized to determine funding extensions.

Ms. Purdy stated that if things keep going the way they are, next year SETA will have to consider consolidation of career centers. There has been some discussion of merging some centers together. Perhaps the Rancho Cordova and Mather career centers could be consolidated into one center and the Hillsdale and Citrus Heights career centers may be merged. The site supervisors are committed to go through the planning process for the best outcome. Each of the

career centers have an identity and an area in which they excel. Committee members asked for trend information.

The incentive awards for career centers was discussed. Mr. Snaer has copies of the third quarter incentive report. At an upcoming WIB meeting, the incentive awards will be distributed and the achievements of operators will be recognized.

Ms. Patty Perez and Ms. Ellen Fransz were introduced.

Mr. Dourgarian asked about the recertification of the career centers. Ms. Melissa Noteboom stated that the state has kind of dropped the ball; nothing is going on.

5. <u>Information Item</u>: Sacramento Works, Inc. Career Center Funding Summary, Fiscal Year 2006-07

Ms. Purdy reviewed this report which shows cost per center and cost per customer; staff is still refining this report. The leveraged funds is what others bring to the table.

 <u>Action Item</u> – Approval of Workforce Investment Act Modification to Extend the Strategic Five-Year Plan for the Sacramento Workforce Investment Area, Fiscal Year 2006-07

Ms. Purdy stated that the actual plan is very lengthy; copies of the modification were made available to committee members.

Moved/Lambert, second/Ray, to approve the WIA modification to extend the Strategic Five-Year Plan for the Sacramento Workforce Investment Area. Voice Vote: Unanimous approval.

7. <u>**Discussion Item</u>**: Sacramento Works Retreat: Future Priorities and Role in Workforce Development Collaborations and Policy</u>

The goals were not changed but the way in which goals are achieved will be modified. The Employer Outreach Committee has done a lot in terms of setting up accountability for tracking employers. Mr. Pardun reported that increases in wage rates and documenting benefit packages is being tracked now.

The committee discussed whether to have a board retreat. It was suggested to invite Ryan Sharp and ask Virginia Hamilton to facilitate.

- 8. Input from the public: None.
- 9. **Adjournment:** Meeting adjourned at 9:32 a.m.

## **ITEM 3 - ACTION**

## APPROVAL TO ALLOCATE PERFORMANCE INCENTIVE AWARDS

### BACKGROUND:

On February 15, 2005, the Planning/Oversight Committee approved a policy whereby career centers would be acknowledged and awarded for their performance.

#### POLICY:

At the end of each quarter, real-time performance on each measure is assessed. Performing at or below the corrective action level on any measure will be subject to corrective actions. Centers/Program Operators performing at or above the incentive level on all measures are eligible for an incentive for that quarter.

Quarters of	Incentive Amount	Quarters of	Incentive Amount
Incentive Level	(increases each	Incentive Level	(increases each
Performance	quarter)	Performance	quarter)
AD	JLT	DISLOCATE	D WORKER
1 <sup>st</sup> Quarter	\$100	1 <sup>st</sup> Quarter	\$100
2 <sup>nd</sup> Quarter	\$250	2 <sup>nd</sup> Quarter	\$250
3 <sup>rd</sup> Quarter	\$400	3 <sup>rd</sup> Quarter	\$400
4 <sup>th</sup> Quarter	\$500	4 <sup>th</sup> Quarter	\$500

#### Awarding Incentives

- Awards for Centers/Program Operators determined eligible for an incentive will be set aside at the end of each quarter.
- The incentive funds will be awarded during the following program year and added to each Career Center and/or Subgrantee allocation.
- Operators may accept and use incentive funds for any expenditure deemed an allowable cost.
- Awards will be presented by the WIB in an annual ceremony.

Attached are the 2005/2006 Performance Measure Incentive Summary and the account ledger of awards/deposits. Ms. Bette Blanchard will be available to answer questions and provide proposed awards for review.

#### **RECOMMENDATION**:

Approve awarding incentive funds earned to program operators during the next Workforce Investment Board meeting on September 27, 2006.

## ITEM 4 - ACTION

## APPROVAL OF AVERAGE EARNINGS WAGE GOAL FOR SACRAMENTO WORKS CAREER CENTERS

### BACKGROUND:

In April 2005, the US Department of Labor issued the "Common Measures" Policy outlining the performance reporting requirements for federally funded job training and employment programs. The value of implementing common measures is the ability to describe in a similar manner the core purposes of the workforce system—how many people found jobs; did people stay employed; and did their earnings increase. As soon as the WIA is reauthorized, three common measures will apply to programs serving adults:

- → Entered Employment
- → Employment Retention
- → Average Earnings

Until reauthorization, California Workforce Investment Areas will be required to report performance outcomes of all former measures plus the common measures. Sacramento Works Career Centers have goals set for all adult measures except average earnings\*.

The SETA Governing Board recently approved contract extensions and, in order to prepare for the upcoming state-imposed average earnings standard, staff is recommending that Sacramento Works adopt a goal for Average Earnings.

Sacramento Works, Inc. has approved the definition of Self-Sufficiency for Adults in the local area by family size. The current self-sufficiency standard is:

Self-sufficiency Standard								
Self-Sufficiency	elf-Sufficiency One-Adult One-Adult + One-Adult +							
Standard		1 Child	2 Children	3 Children				
Hourly Wage	\$10.00	\$14.02	\$17.11	\$24.06				
Monthly Wage	\$1,760	\$2,468	\$3,011	\$4,235				
Annual Wage	\$21,120	\$29,616	\$36,132	\$50,820				
	Two-Adult	Two-Adult +	Two-Adult +	Two-Adult +				
		1 Child	2 Children	3 Children				
Hourly Wage	\$10.00*	\$10.00*	\$10.05*	\$13.30*				
Monthly Wage	\$1,760*	\$1,760*	\$3,536	\$4,681				
Annual Wage	\$21,120*	\$21,120*	\$42,432	\$56,172				

# Sacramento Workforce Investment Area

\*Per Adult

+\$3.09/hr for each additional child (\$544/mo., \$6,528/yr.)

\*WIA performance measures may be subject to future modifications.

Sacramento Works Career Centers fiscal year '05/'06 average wage at placement for Adult and Dislocated Workers is \$13.04:

<ul> <li>→ Adult = \$11.51</li> <li>→ Dislocated Worker = \$15.25</li> </ul>	935 Exits x  \$11. <u>639 </u> Exits x  \$15.	
→ Average Adult/ Dislocated Worker Wage = \$13.04	1,574 Exits	<u>\$ 20,525.77</u>

The average of the self-sufficiency standard hourly wage for one adult, one adult + one child, and one adult + two children is \$13.71:

- $\rightarrow$  One Adult = \$10.00
- $\rightarrow$  One Adult + one child = \$14.02
- $\rightarrow$  One Adult + two children = \$17.11
- → Total =  $$41.02 \div 3 = $13.71$

The average family size served in Sacramento Works Career Centers is three (one parent family).

#### **RECOMMENDATION:**

To promote solutions and set a baseline that results in more individuals being trained for high-skill jobs in high-growth, high-demand industries, it is recommended that a goal of \$13.00 be set for the Sacramento Works Career Center average wage at placement.

## ITEM III-5 - INFORMATION

## WORKFORCE INVESTMENT ACT ANNUAL REPORT FOR FISCAL YEAR 2006

#### BACKGROUND:

The Workforce Investment Act annual report on the Sacramento Works career system is complete and will be sent under separate cover.
