1. BACKGROUND

This Request for Proposals (RFP) was developed in response to key findings and recommendations identified in the 2020-2021 Community Action Plan (www.seta.net), and the Community Services Block Grant Act.

The Sacramento Employment and Training Agency (SETA) is a Joint Powers Authority of the City and County of Sacramento that administers state and federally-funded human services programs throughout Sacramento County. Programs for economically disadvantaged persons include job training and employment assistance under the federal Workforce Innovation and Opportunity Act (WIOA), services to refugees under the Targeted Assistance and Refugee Social Services Grants, human services under the Community Services Block Grant, and educational programs under Head Start.

Under the federal policy on block grants, the State Department of Community Services and Development (CSD) is the recipient of the Community Services Block Grant (CSBG) for the allocation of funds, on a formula basis, to designated Community Action Agencies throughout California.

Respondents should be aware that SETA's activities, as well as those of any SETA contractor, are subject to any modifications required by CSBG, Federal or State legislation and their regulations, the State Department of Community Services and Development, and SETA's policies and procedures.

2. SOLICITATION

The purpose of this RFP is to solicit from qualified applicant agencies, proposals designed to promote the statewide priority of Family Self-Sufficiency identified in the SETA 2020-2021 Community Action Plan (CAP) by mitigating root causes of poverty and ameliorating conditions of extreme poverty, for low-income Sacramento County households.

3. QUALIFIED APPLICANT AGENCIES

- ✓ Community Based Organizations
- ✓ Private Non-Profit Agencies
- ✓ Public Agencies

4. AVAILABLE FUNDS

It is estimated that the CSBG funds available for allocation under this RFP will total \$845,000, contingent upon funds being made available to the State Department of Community Services and Development by the United States Government for the purposes of this program. Once available funds are appropriated, the anticipated allocation may be amended due to budget revisions at the federal or state level.

Funding for the CSBG program is based on priorities for services and activities as outlined in the SETA 2020-2021 Community Action Plan (CAP). SETA has adopted the statewide priority of Family Self-Sufficiency and has set allocations for the 2020 program year for programs promoting the following three service areas: family self-sufficiency; youth and senior support; and safety-net services.

The funds available for allocation are currently estimated to be:

A. FAMILY SELF-SUFFICIENCY SERVICES	\$ 330,000	39%
B. YOUTH AND SENIOR SUPPORT SERVICES (Includes African-American Youth Arrest Rate Special Project)	185,000	22%
C. SAFETY-NET SERVICES	330,000	39%
<hr/> <hr/>		
TOTAL AVAILABLE PROGRAM FUNDS:	\$ 845,000	(Estimated)
<hr/> <hr/>		

Final allocation of funding within these service areas is subject to the determination of the SETA Governing Board. Funding to each service area may be completely eliminated, reduced or increased and final funding may be allocated to one or more of these service areas in such amounts as the SETA Governing Board ultimately determines in its sole and exclusive discretion.

5. ALLOWABLE SERVICES AND ACTIVITIES

Services and activities solicited by this RFP adhere to those services and recommendations described in the SETA 2020-2021 Community Action Plan (CAP), approved by the SETA Governing Board on June 6, 2019. A copy of the approved plan is available on the SETA web site at www.seta.net. Target activities that reflect the goals and recommendations of the CAP will be given the highest consideration for funding.

For the purposes of this Request for Proposals, services will be categorized under three major service areas, **Family Self-Sufficiency, Youth and Senior Support, and Safety-Net** services. Final allocation of funding among these three major service areas shall be made by the Governing Board in its sole and exclusive discretion.

ALLOWABLE ACTIVITIES

A. Family Self-Sufficiency Services (FSS)

Within the context of this procurement category, services are intended for households unable to provide for their own needs without external assistance. In general, proposals funded under the category of Family Self-Sufficiency will describe a process for stabilizing in-crisis and vulnerable families through case management and the use of support services, to prepare households for employment-related services in collaboration with a Sacramento Works America’s Job Center of California (SWAJCC) site. Employment is a key factor in attaining self-sufficiency, and remains a central goal of this funding category. However, many factors contribute to a household’s ability to provide for oneself and one’s family. In addition to employment, measures of self-sufficiency may include seeking and maintaining housing, or the ability to maintain a healthy, stable and independent life.

To ensure client access to SETA’s career and training activities, all Family Self-Sufficiency proposers are required to partner and coordinate services with one or more SWAJCCs. Proposers working with job seekers must provide ongoing case management and support services through 90 and 180 days of

unsubsidized employment. **Successful proposals will also include emergency support services equal to at least 15% of the requested 2020 CSBG funding**, or a description of how the proposer will provide for the same level of emergency support services through other funding sources. Success measures under this service area with a strictly employment focus will include the number of households securing unsubsidized employment, maintaining employment for 90 days, and maintaining employment for 180 days. Other focus areas will gauge success on the number of people who obtain and maintain safe and affordable housing for 90 and 180 days; on the number of people who demonstrate improved mental and behavioral health and well-being; or the number of individuals with disabilities who maintain an independent living situation.

The minimum elements of case management required under this funding category include an identified case manager, a thorough assessment, program goals and benchmarks mutually agreed upon by both the household and case manager, a record of support services justifications, referrals and case manager follow-up results, periodic progress notes and a written plan of action with roles for both staff and appropriate household members. Documentation of the above noted activities and services, in a case file format common to the proposing organization, is required. All activities proposed and resources provided must be part of an overall household strategy that promotes functional and financial stability, employment, job training or on-the-job training in conjunction with a Sacramento Works America's Job Center of California site, and long-term self-sufficiency for the following target groups:

Proposers in good standing proposing to serve customers from the following high poverty areas identified in the CAP will receive priority funding: Lemon Hill, North Sacramento, Parkway, North Highlands, Florin, Arden Arcade, Foothill Farms, Sacramento City, La Riviera, Galt, and Carmichael.

1. Low-Income Families – Examples of activities for case-managed families may include services that help working age household members plan and prepare to receive job training if appropriate, employment services through a SWAJCC, information, referrals and referral follow-up, transportation to vital services, housing services, counseling, employment information, financial literacy training, nutrition services, education services, translation and interpretation, advocacy, life skills training, resources to mitigate economic household shortfalls, and frequent follow-up to identify barriers to reaching planned benchmarks and goals.
2. Single-Parent Families with Children 0-5 (“Two-Generation Strategy”) - Services may include those identified for low-income families above, training/workshops on the topics of financial literacy, stress reduction/management, child development and personal/child well-being. For example, activities for case-managed single-parent families with children 0-5 may include planning and preparation for the parent to receive job training and/or be employed while their child(ren) 0-5 are enrolled and engaged in high quality childcare that prepares them for primary school success.
3. People experiencing homelessness or imminent homelessness – Services may include housing counseling, or housing with case management oversight. Examples of case-managed services for homeless, imminently homeless or formerly homeless families in transitional housing may also include permanent housing placement assistance, financial resources to enter permanent housing, transitional housing, prevention of homelessness, emergency shelter, follow-up for families placed in permanent housing, housing retention workshops for families, support system development and budget counseling, as part of a comprehensive plan leading to independent living and/or employment services through a SWAJCC.

4. People with Disabilities – Services may include case managed programs to support job search and retention activities, housing, or other recognized strategies for maintaining an independent, healthy lifestyle which respects the dignity of each person. Examples may include job training, employment services through a SWAJCC, information, referrals and referral follow-up, transportation to vital services, housing services, counseling, employment information, financial literacy training, nutrition services, education services, translation and interpretation, advocacy, life skills training, resources to mitigate economic household shortfalls, and frequent follow-up to identify barriers to reaching planned benchmarks and goals.

Thirty-nine percent (39%) of available CSBG funds (\$330,000 projected) is allocated to services promoting Family Self-Sufficiency.

B. Youth and Senior Support Services (YSS)

In general, proposals funded under the category of Youth and Senior Support Services need not include self-sufficiency as a goal. However, proposals for youth should provide services that modify gang/pre-gang, reckless or unlawful behavior, improve school attendance and improve family functioning or family safety. Proposals for seniors should include services to assist senior and disabled senior households in maintaining their housing-of-choice and avoid undesirable higher-level-of-care options, and services.

The minimum elements of case management required under this funding category include an identified case manager, a thorough assessment, program goals and benchmarks mutually agreed upon by both the household and case manager, a record of referrals and case manager follow-up results, periodic progress notes and a written plan of action with roles for both staff and appropriate household members. Documentation of the above noted activities and services, in a case file format common to the proposing organization, is required. All activities proposed must be part of an overall strategy that includes access to services and advocacy on behalf of enrolled clients from the following target groups:

1. Youth - Examples of activities for case-managed youth who are at risk of dropping out of school or who indicate reckless, unlawful or pre-gang behaviors, or participate in gang activities, include culturally and linguistically appropriate family counseling, life skills education, substance abuse education/counseling, information and support in accessing educational resources, tutoring, literacy/financial literacy programs, safe-haven activities and youth employment information.

Services for foster youth, formerly incarcerated youth and pregnant or parenting teens may include those noted above, but must focus on the special needs of this population such as finding and maintaining a stable housing environment, communication/socialization skills training, high school completion or the equivalent, college enrollment, life planning, child development workshops for parenting youth, and services likely to prevent recidivism among incarcerated or formerly incarcerated youth.

Successful proposals for a special project to prevent or eliminate recidivism of felony or misdemeanor arrests in Sacramento County among African American youth 14-17, will be eligible to receive up to \$40,000 in special Community Action Board youth project funding under the Youth

and Senior Support services category. Success measures under this service area will include the number of project participants without a recidivating event during 180 days of project participation.

Special project proposers will be given the option of subcontracting with persons or entities that possess the community experience, skill sets, and community relationships necessary to initiate behavioral change in the lives of project participants and prevent recidivating events. Proposers opting to subcontract for project activities will remain responsible for all project activities, including ensuring that all project records are available for review at the proposer's site of record.

2. Seniors and Disabled Seniors 65+ Years - Examples of activities for case-managed seniors, and disabled seniors 65 years or older include transportation to vital services, culturally and linguistically appropriate in-home visits and telephone check-ins, independent living skills training, legal assistance, advocacy and mental health services and information.

Twenty-two percent (22%) of available CSBG funds (\$185,000 projected) is allocated for the provision of Youth and Senior Support services.

C. Safety-Net Services (SN)

In general, proposals funded under the category of Safety-Net services provide emergency assistance on a one-time or limited-time basis to families in crisis, and referrals to other services intended to mitigate the client's presenting conditions or access barriers. Safety-Net services are intended for all CSBG-eligible Sacramento County residents and anyone experiencing homelessness in Sacramento County, if the emergency can be eliminated or mitigated by the provision of such services.

Examples of activities and emergency resources funded under the Safety-Net service category include: nutritious foodstuffs for food bank distribution, redeemable food vouchers, nutritious meals prepared on-site, resources to both maintain and reconnect household energy utilities, off-site shelter (motel) assistance, emergency on-site shelter, miscellaneous items required by an employer for a participant to accept or maintain employment, clothing items/diapers, hygiene items, transportation assistance, first month rental assistance, eviction avoidance assistance, and information and referrals.

Proposers in good standing proposing to offer the broadest array of available CSBG Safety-Net services, and with sites or demonstrated mobile unit service capability in high-poverty target areas identified in the SETA 2020-2021 Community Action Plan, will receive the highest priority for funding in the Safety-Net category. Identified high-poverty target areas include Arden Arcade, Florin, Foothill Farms, Galt, La Riviera, Lemon Hill, North Highlands, North Sacramento and Parkway.

Note: Available Safety-Net emergency resources funded wholly or in part with CSBG funding, will be made available by Safety-Net providers to any eligible Sacramento County resident without any consideration as to where in the county they reside.

Thirty-nine percent (39%) of available CSBG funds (\$330,000 projected) is allocated to the provision of Safety-Net services.

Failure to provide the SETA Contracts Unit with the requested clarifying information or documents by the 4:30 P.M. Wednesday, August 28, 2019 deadline will disqualify such proposing organization(s) from any further funding consideration for the period covered by this RFP. 9. TERM OF AGREEMENT

All CSBG funded Safety-Net, Family Self-Sufficiency and Youth and Senior Support agreements will be awarded for a one-year term beginning January 1, 2020 and ending December 31, 2020.

10. EXTENSION OF AGREEMENTS

Every agreement will contain a provision permitting SETA, at any time prior to termination of the agreement, the sole option to extend the term of the agreement for an additional term, consistent with grant funding limitations, but in no event exceeding one (1) year on the same terms and conditions, except that the amount of funding may be less than or greater than the amount identified in the original agreement. In exercising the extension option, SETA will evaluate each delegate's ability to meet its contracted performance goals. The performance evaluation for an extension will cover the period January 1, 2020 through September 30, 2020. In addition, SETA may, in its sole discretion, implement a unilateral modification which may provide for changes in a delegate's performance in order to comply with applicable federal, state and/or SETA regulations, directives or policies.

11. SELECTION PROCEDURES

Staff recommendations will be made available for public review on the SETA web site (www.seta.net) after 3:30 P.M. on Tuesday, October 29, 2019.

The Community Action Board (CAB) will hold a special public meeting on November 13, 2019, to review SETA staff recommendations and to develop CAB recommendations. The CAB will then submit its recommendations to the SETA Governing Board for its review and final approval. Final allocations to proposing organizations and among the three major service areas shall be made by the Governing Board in its sole and exclusive discretion.

SETA adheres to the provisions of Sections 54954.2 and 54954.3 of the California Government Code, generally known as the Brown Act. Members of the public may address the CAB and the SETA Governing Board on any matter under their jurisdiction.

12. PROTEST PROCEDURES TO RESOLVE PROCUREMENT DISPUTES

All protests to resolve disputes concerning this RFP shall be written, must specify in detail the grounds of the protest, the facts and evidence in support thereof and the remedy sought. The written protest must be delivered to the Clerk of the Boards at SETA no later than five (5) calendar days prior to the date of any funding determination by the Governing Board. The last opportunity to submit a protest will be on Wednesday, November 27, 2019, before 4:30 P.M. In the absence of a timely and properly submitted written protest, no party responding to this RFP shall be eligible for any remedy.

The SETA Governing Board will resolve any protest based upon the written protest and any oral or written response thereto provided by staff. Any SETA Governing Board resolution of the protest will be made prior to any funding determination under this RFP and such resolution by the SETA Governing Board will be deemed final.

13. FORMAL AGREEMENT

All successful proposing organizations will be required to enter into a standard form delegate agreement with SETA. A copy of the most recent form of this delegate agreement is available for review at SETA. Delegate agreements entered into under this RFP will be similar in form and subject to modification required by recent amendments under CSBG and its regulations.

Proposing organizations are advised that, in order to assist the efforts of SETA in targeting its programs, the SETA Governing Board has implemented a policy requiring that all recipients of funds from SETA are required to acknowledge publicly that the program it operates is funded, in whole or in part, by SETA in all public documents or any form of media outreach or advertising. All delegate agreements will contain a provision requiring the delegate to abide by this policy.

Expectations of Programs Receiving CSBG Funds:

All programs receiving funds from SETA's Community Services Block Grant program are expected to adhere to the following requirements:

1. **Obtain and retain statistical data from each household enrolled**, including demographic data on family members, household characteristics, and income, to determine eligibility.
2. **Require and retain verification of household income from each household enrolled**, such as CalWORKs or SSI award letters, or pay stubs.
3. **Share the CSBG grievance policy with all participants.**
4. **Submit a monthly CSBG report to SETA**, as described in the Reporter Training conducted in January of each year.
5. **Maintain case files on all case managed participants**, including the minimum standards of case management described on page 7 of this RFP.
6. **Submit to program and financial audits each calendar year.**
7. **Present the agency's CSBG program, and its progress serving the community, to the Community Action Board** at least once each calendar year.

14. PROPOSAL EVALUATION CRITERIA

The selection of proposing organizations under this RFP is the responsibility of the SETA Governing Board, which bases its final decisions on the recommendations of the CAB.

- a) In order to assist the SETA Governing Board in making funding decisions, SETA staff will evaluate each proposal and provide the CAB with the results of their evaluation in the form of staff recommendations. Staff recommendations will be published and made available to proposing organizations after 3:30 P.M. on Tuesday, October 29, 2019, and will be based upon an evaluation of proposals submitted, funding priorities for target groups and areas identified in Section 6 "Allowable Services and Activities" above, and upon the proposing organization's past program performance and fiscal accountability, if applicable. Proposing organizations with no recent record of past performance

with SETA will provide multiple references of previous funders to be contacted and interviewed by SETA staff.

Evaluation Criteria for CSBG Proposals

I. PROPOSAL SUMMARY (Points possible - 10)

The summary of the proposed program:

1. clearly describes an overview of the proposed program,
2. describes the services and resources intended for program participants,
3. describes the anticipated participant/family outcomes,
4. is reasonable in its scope and design, and
5. does not exceed one page in length.

II. PROPOSAL RESPONSES

RESPONSE 1. STATEMENT OF NEED AND DESCRIPTION OF TARGET GROUP AND AREA: (Points possible - 15) The description of the target group and target area was complete, in-depth and demonstrated extensive experience working with this proposed target group or in the proposed target area. Proposer included a description of all the conditions they hope to ameliorate. The response demonstrates an awareness of other organizations serving the same target group/communities. Sources of all numerical data presented (*e.g. census, public agency*) or unsupported general statements defining strategies or target groups/target areas (*e.g. reports, experts*) were identified.

RESPONSE 2. LINKING PROGRAM GOALS WITH ACTIVITIES AND SERVICES: (Points possible - 15) Proposer described its program goals and listed all the proposed services and activities intended to achieve the stated goals. The services and activities listed are reasonably linked to proposer achieving the described goals. Family Self-Sufficiency proposers not requesting support services have provided a reasonable description of how support services will be provided to vulnerable and in-crisis households, when indicated. All activities and services described are consistent with the ALLOWABLE ACTIVITIES AND SERVICES component beginning on Page 6 of this RFP section.

RESPONSE 3. SERVICE DELIVERY SYSTEM (Points possible - 15)

- A. FAMILY SELF-SUFFICIENCY SERVICE DELIVERY: For Family Self-Sufficiency Proposals Only!** – The proposer presented a timeline of how participant households will be stabilized and encouraged to establish self-sufficiency. Many factors contribute to a household’s ability to provide for oneself and one’s family. In addition to employment, measures of self-sufficiency may include seeking and maintaining housing, or the ability to maintain a healthy, stable and independent life. Appropriate services and supports are available to individuals with these needs.

The proposer demonstrated a connection with and understanding of services provided by a Sacramento Works America's Job Center of California (SWAJCC), and adequately described the manner in which all clients will be encouraged to engage with a SWAJCC, including:

- (1) the assessment process and tools it will use for evaluating a participant's employability and suitability for job training leading to employment,
- (2) any workshops or training topics intended for program participants,
- (3) the intended frequency of case manager/participant contacts and meetings,
- (4) services intended to help participants maintain the unsubsidized employment they have secured, for 90 and 180 days, and
- (5) the name of the primary SWAJCC site proposer will partner with to provide access to all career and training services available through the SWAJCC.

B. YOUTH AND SENIOR SUPPORT SERVICES: For Youth and Senior Support Proposals Only! – The proposer described a timeline of how participant households will be provided with proposed services and resources, including:

- (1) the assessment process used to evaluate a participant's suitability for proposed services,
- (2) any workshop or training topics intended for program participants,
- (3) the intended frequency of case manager/participant contacts and meetings,
- (4) how participant outcomes will be determined and recorded, and
- (5) the process for participant advocacy and assisting participants in accessing other services not available from the proposer's program, including any follow-up actions to be undertaken.

C. SAFETY-NET SERVICE DELIVERY: For Safety-Net Proposals only!
The proposing organization described:

- (1) its process for letting residents of proposer's target community know that the proposed services are available at their site;
- (2) indicator(s) that the proposing agency will rely on to determine that an emergency need exists, for each Safety-Net service proposed;

- (3) a reasonable length of time in work days, from customer request to service delivery, for each Safety-Net service proposed that is sufficiently brief to effectively mitigate the household emergency;
- (4) its process for connecting clients to other agencies for similar or longer-term services not available at the proposer's site, including a list of typical entities to whom clients will be referred for longer-term family self-sufficiency, employment or other services indicated during the assessment, including any follow-up actions to be undertaken;
- (5) a weekly schedule that reasonably meets the needs of community members and the working poor to have direct access to agency staff, in-person or by phone; and
- (6) food banks have provided a description of the availability of fresh fruits and vegetables to participants and a description of their process for meeting participant dietary needs, and non-food bank agencies preparing nutritious meals to be consumed on-site or nutritious single-meal brown-bag lunches for off-site distribution, have provided an example of typical menus or brown-bag contents.

RESPONSE 4. BUDGET ITEM JUSTIFICATIONS, ACCOUNTING SYSTEM AND FISCAL CONTROLS: (Points possible - 5) The proposer described the necessity and purpose of each of the proposed SETA-funded Personnel Costs, Other Costs or Direct Participant Costs noted on FORM 2, PROGRAM BUDGET AND COST ALLOCATION PLAN. CONTRACT POLICY

Should applicant's proposal be selected for funding, applicant agency must be able to comply with the following requirements:

A. Audit

Before any funds are issued under any subgrant/agreement, funded agency shall submit to SETA a copy of the reports generated in connection with the most recent audit of its financial systems. These reports shall be in a form that complies with the provisions of the "Uniform Administrative Requirements, Cost Principles and Audit Requirements for HHS Awards (HHS Super Circular – 45 CFR Part 75).

B. Insurance

Prior to contract execution and commencement of program performance, SETA shall receive from each funded agency's insurer a certificate of insurance, and applicable endorsements issued by the funded agency's insurance carrier, indicating all of the coverage required by SETA's Insurance Requirements as they exist at the time of contract execution. Current requirements are outlined in Attachment #10.

SETA is very exacting with regard to the insurance requirements and will require necessary certificates and endorsements in compliance with those requirements in place at the time of contract execution. If an agency's insurance is not in place prior to the start of the program, the agency will not be allowed to start. If an agency's insurance expires during the course of the program and new certificates/endorsements are not received prior to the expiration date, payment will be suspended immediately. Performance will be suspended shortly thereafter if the agency's new insurance certificate(s) is/are not filed with the SETA Contracts Unit.

Note: Insurance endorsements must be requested from the insurance underwriter by your insurance agent/broker. This process may take up to two months, so proposers should plan accordingly.

C. Resolution

SETA has a standardized resolution that is required of all public agencies and incorporated entities. The applicant agency's governing body or Board of Directors will be required to adopt the appropriate resolution for the purpose of appointing specific individuals authorized to both sign and negotiate the contract. The resolution requires the original signature of the governing body's or Board of Director's secretary and the affixation of the corporate seal. Should incorporated entities not have a seal, it will be necessary to obtain one prior to contract execution.

Resolutions are not required for sole proprietorships, partnerships, or private-for-profit LLCs.

D. Prohibitions

No member of the immediate family of any officer, director, executive or employee of funded

agency or SETA shall receive favorable treatment for enrollment in services provided by, or employment with, funded agency, nor shall any individual be placed in a funded employment activity if a member of that individual's immediate family is directly supervised by or directly supervises that individual. In addition, neither funded agency nor any of funded agency's subcontractors shall hire, or cause or allow to be hired, a person into an administrative capacity, staff position or on-the-job training position funded through the award of any grant, if a member of that person's immediate family is employed in an administrative capacity for SETA, funded agency, or any employment contractor of funded agency. However, where an applicable federal, state or local statute regarding nepotism exists which is more restrictive than this provision, funded agency and funded agency's subcontractors shall follow the federal, state or local statute in lieu of this provision.

1. By signing and submitting this proposal, the prospective recipient of federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of federal assistance funds shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective recipient of federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal* and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Procurement or Non-procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered federal action where there has been an award or loan commitment by the federal agency, enter the federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered federal action.

 - (1) The dangers of drug abuse in the workplace;
 - (2) The subrecipient's policy of maintaining a drug-free workplace;
 - (3) Any available counseling, rehabilitation, and employee assistance programs; and
 - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- (C) Making it a requirement that each employee to be engaged in the performance of any subgrant be given a copy of the statement required by paragraph (A);
- (D) Notifying the employee in the statement required by paragraph (A) that, as a condition of employment under the subgrant, the employee will:
 - (1) Abide by the terms of the statement; and
 - (2) Notify the employer, in writing, of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five (5) calendar days after such conviction;
- (E) Notifying the Sacramento Employment and Training Agency (hereinafter referred to as the SETA), in writing, within ten (10) calendar days after receiving notice under paragraph (D)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every subgrant officer or other designee on whose subgrant activity the convicted employee was working, unless the SETA has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected subgrant;

**INSTRUCTIONS FOR CERTIFICATION REGARDING
DRUG-FREE WORKPLACE REQUIREMENTS**

1. By signing and/or submitting this application or subgrant agreement, the subrecipient is providing the certification required by 20 CFR §667.200(d) and 29 CFR Part 98.
2. The certification is a material representation of fact upon which reliance is placed when the Sacramento Employment and Training Agency (hereinafter referred to as the SETA) awards the subgrant. If it is later determined that the subrecipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the SETA, in addition to any other remedies available, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under subgrants, for subrecipients other than individuals, need not be identified on the certification. If known, they may be identified in the subgrant application. If the subrecipient does not identify the workplaces at the time of application, or upon award, if there is no application, the subrecipient must keep the identity of the workplace(s) on file in its office and make the information available for inspection. Failure to identify all known workplaces constitutes a violation of the subrecipient's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the subgrant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority while in operation, employees in each local office, etc.).
5. If the workplace identified to the agency changes during the performance of the subgrant, the subrecipient shall inform the SETA of the change(s), if it previously identified the workplaces in question (see paragraph 3).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Subrecipient's attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

Criminal drug statute means a federal or non-federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a subrecipient directly engaged in the performance of work under a subgrant, including:

- (i) All *direct charge* employees;
- (ii) All *indirect charge* employees unless their impact or involvement is insignificant to the performance of the subgrant; and,
- (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the subgrant and who are on the subrecipient's payroll. This definition does not include workers not on the payroll of the subrecipient (e.g., volunteers, consultants or independent contractors not on the subrecipient's payroll).

- A. It agrees to SETA's insurance requirements as stated herein and SETA will be indemnified as if standard insurance coverage was in place;

Failure to provide timely evidence of continuing coverage shall result in suspension of all payments or reimbursements and/or suspension of performance. Additionally, should there be inadequate coverage or any lapse(s) in coverage, SETA shall not reimburse for any costs incurred during any period for which the required insurance coverage was not in effect.

*(Coverage provided by State Compensation Insurance Fund is excepted from this requirement)

9. EXPIRING INSURANCE REPLACEMENT COVERAGE

INSTRUCTIONS FOR COMPLETING THE PROPOSAL

Organizations proposing a separate program for any of the possible categories, Family Self-Sufficiency (FSS), Youth and Senior Support (YSS), or Safety-Net (SN), must submit a separate proposal for each. Organizations submitting a FSS or YSS proposal that includes support services as part of the overall program design may include those services in the proposal if they will be provided exclusively to the enrolled, case-managed clients described in the proposal.

Proposal responses should be given the same index labels (Response 1; Response 2; etc.) and organized in the same order as they were requested in this RFP. Each response must be independent and complete. No points will be given for a missing element of a response even if it exists elsewhere in the proposal. 1. A description of the program being proposed
2. Services and/or resources intended for program participants, and
3. Anticipated participant or household outcomes.

II. PROPOSAL RESPONSES

RESPONSE 1. **STATEMENT OF NEED AND DESCRIPTION OF TARGET GROUP AND AREA:**

Provide a complete description of the target group and geographic area proposer intends to serve, and participant barriers that typically need to be overcome to reach program goals. The description should demonstrate an in-depth understanding of the barriers faced by program participants in this target group and target area. List any other entities providing similar or complementary services to the same participants that the proposer intends to serve.

(Sources for all data and unsupported conclusions should be noted.)

RESPONSE 2. **LINKING PROGRAM GOALS WITH ACTIVITIES AND SERVICES:**

Provide a complete description of the proposer's goals for participants under this proposal. Include a list of all proposed services, resources and activities, and the proposer's rationale or experience demonstrating their connection to reaching stated goals.

RESPONSE 3. **SERVICE DELIVERY SYSTEM**

A. **FAMILY SELF-SUFFICIENCY SERVICE DELIVERY: For Family Self-Sufficiency Proposals Only!**

- (1) –Many factors contribute to a household's ability to provide for oneself and one's family. In addition to employment, measures of self-sufficiency may include seeking and maintaining housing, or the ability to maintain a healthy, stable and independent life. Appropriate services and supports are available to individuals with these needs. Describe the timeline of how participant households will be stabilized. While all Family Self-sufficiency proposers will build a relationship with a Sacramento Works America's Job Center of California (SWAJCC), those proposers working with employment should also discuss collaboration with a SWAJCC, including:

- i. the assessment process and tools utilized for evaluating a participant's employability and suitability for job training leading to employment,

- (2) any workshops or training topics intended for program participants,

- (3) the intended frequency of case manager/participant contacts and meetings,
- (4) services and resources intended to help participants maintain the unsubsidized employment they have secured, for 90 and 180 days, and
- (5) the name of the primary SWAJCC site proposer will partner with to provide access to all career and training services available through the SWAJCC.

B. YOUTH AND SENIOR SUPPORT SERVICE DELIVERY: For Youth and Senior Support Proposals Only! – Describe the timeline of how participant households will be provided with proposed services and resources, including:

- (1) the assessment process used to evaluate a participant’s suitability for proposed services,
- (2) any workshop or training topics intended for program participants,
- (3) the intended frequency of case manager/participant contacts and meetings,
- (4) how a determination of participant outcomes will be determined and recorded, and
- (5) the process for participant advocacy and assisting participants in accessing other services not available from proposer’s program, including any referral follow-up actions to be undertaken.

C. SAFETY-NET SERVICE DELIVERY: For Safety-Net Proposals Only! Describe the following:

- (1) The intended process for informing new community members that the proposed services and resources are available at the proposer’s service delivery site
- (2) The indicators used to determine that an emergency need exists, for each Safety-Net service proposed
- (3) The time in work days, from customer request to service delivery, for each safety-net service proposed
- (4) The process for connecting clients to other agencies for similar or longer-term services not available at the proposer’s site, including a list of typical entities to whom clients will be referred for longer-term family self-sufficiency, employment or other services indicated during the assessment, including any follow-up actions to be undertaken
- (5) A weekly schedule of when community members and the working poor can have direct access to agency staff, in-person or by phone

- (6) Food banks proposing to provide nutritious foodstuffs must provide a description of the availability of fresh fruits and vegetables to participants and how customer choice and dietary needs determine package contents. Non-food bank proposers preparing nutritious meals to be consumed on-site, or single-meal brown-bag lunches for off-site distribution, must provide an example of a typical menu or bag contents.

RESPONSE 4. BUDGET ITEM JUSTIFICATIONS AND RISK ASSESSMENT: Describe the necessity and purpose of each proposed SETA-funded Personnel Cost, Other Cost or Direct Participant Cost noted on **FORM 2, PROGRAM BUDGET AND COST ALLOCATION PLAN**. Describe the organization's capacity to accept fiscal liability for any funds awarded under this RFP.

In the interest of addressing the multiple needs identified in the CAP needs assessment, the SETA grants team makes every effort to allocate funding based on a complex formula, which includes individual scores for each proposal balanced against the percentage of funding for each category. Because need consistently outweighs funding, we are unable to fund all applications, wholly or in part, even though with unlimited funding more of the proposals would be fully funded.

RESPONSE 5. EXPERIENCE: Provide a brief description of the proposing organization's history that includes a chronology of programs implemented during the past 5 years. Give examples of successful past interventions and programming that have supported participants from the same target group/area in reaching identical or similar program goals to those proposed in Response 2.

Youth and Senior Support Special Project proposers opting to subcontract for direct service provision to project participants will name and provide a description of the subcontractor's community experience, skill sets, community relationships and accomplishments in working directly with the same target group to reach proposed goals.

If this is a new venture or program strategy, include a description of the proposing organization's capacity to meet the proposed program goals and the rationale for implementing the proposed program strategy.

RESPONSE 6. ADDRESSING HISTORICAL, SYSTEMIC INEQUITIES IN THE TARGET POPULATION: Society has systematically imposed obstacles to its people based on racial or ethnic group, gender, age, mental or physical disability, sexual orientation, gender identity, and other characteristics which are historically linked to discrimination or exclusion. Describe your agency's efforts to move our communities forward in reducing social inequalities, and how such efforts would fit into the proposed program. Provide specific examples of how these strategies are being used, or have been used in the recent past, by the proposing agency.

PROGRAM DEFINITIONS

Collaborative Partner – For the purposes of this RFP, a collaborative partner is any individual or entity that was a part of the planning of the proposed program, will assume a vital role in its implementation and has acknowledged its commitment to perform its role, as described by the proposing organization. A collaborative partner is not an agency or individual that merely refers prospective clients to the proposing agency.

Note: All Family Self-Sufficiency proposers should identify a Sacramento Works America’s Job Center of California they have arranged to work with as a collaborative partner.

Community Services Block Grant (CSBG) - The Community Services Block Grant remains one of the major efforts of the War on Poverty. The purpose of CSBG is to provide flexible dollars for communities to implement locally-determined service programs that promote self-sufficiency and lessen the causes and conditions of poverty when available community resources are inadequate or not accessible.

Delegate Agency – A community based organization, private non-profit agency or public agency selected through the SETA procurement process, with which SETA has contracted to undertake a limited, defined role in implementing one or more components of the SETA 2020-2021 Community Action Plan (available on the SETA web site at www.seta.net).

Household – An individual or any group of individuals living together as a family economic unit.

Outcomes – Outcomes are the measurable physical, financial, behavioral and/or emotional changes brought about by participation in a program designed for that purpose and that remain with program participants after their exit from the program.

Proposing Organization – Any community-based, private non-profit or public entity submitting a proposal in response to this RFP for the purpose of performing a component of the 2020-2021 SETA Community Action Plan.
