

Public Input Meeting

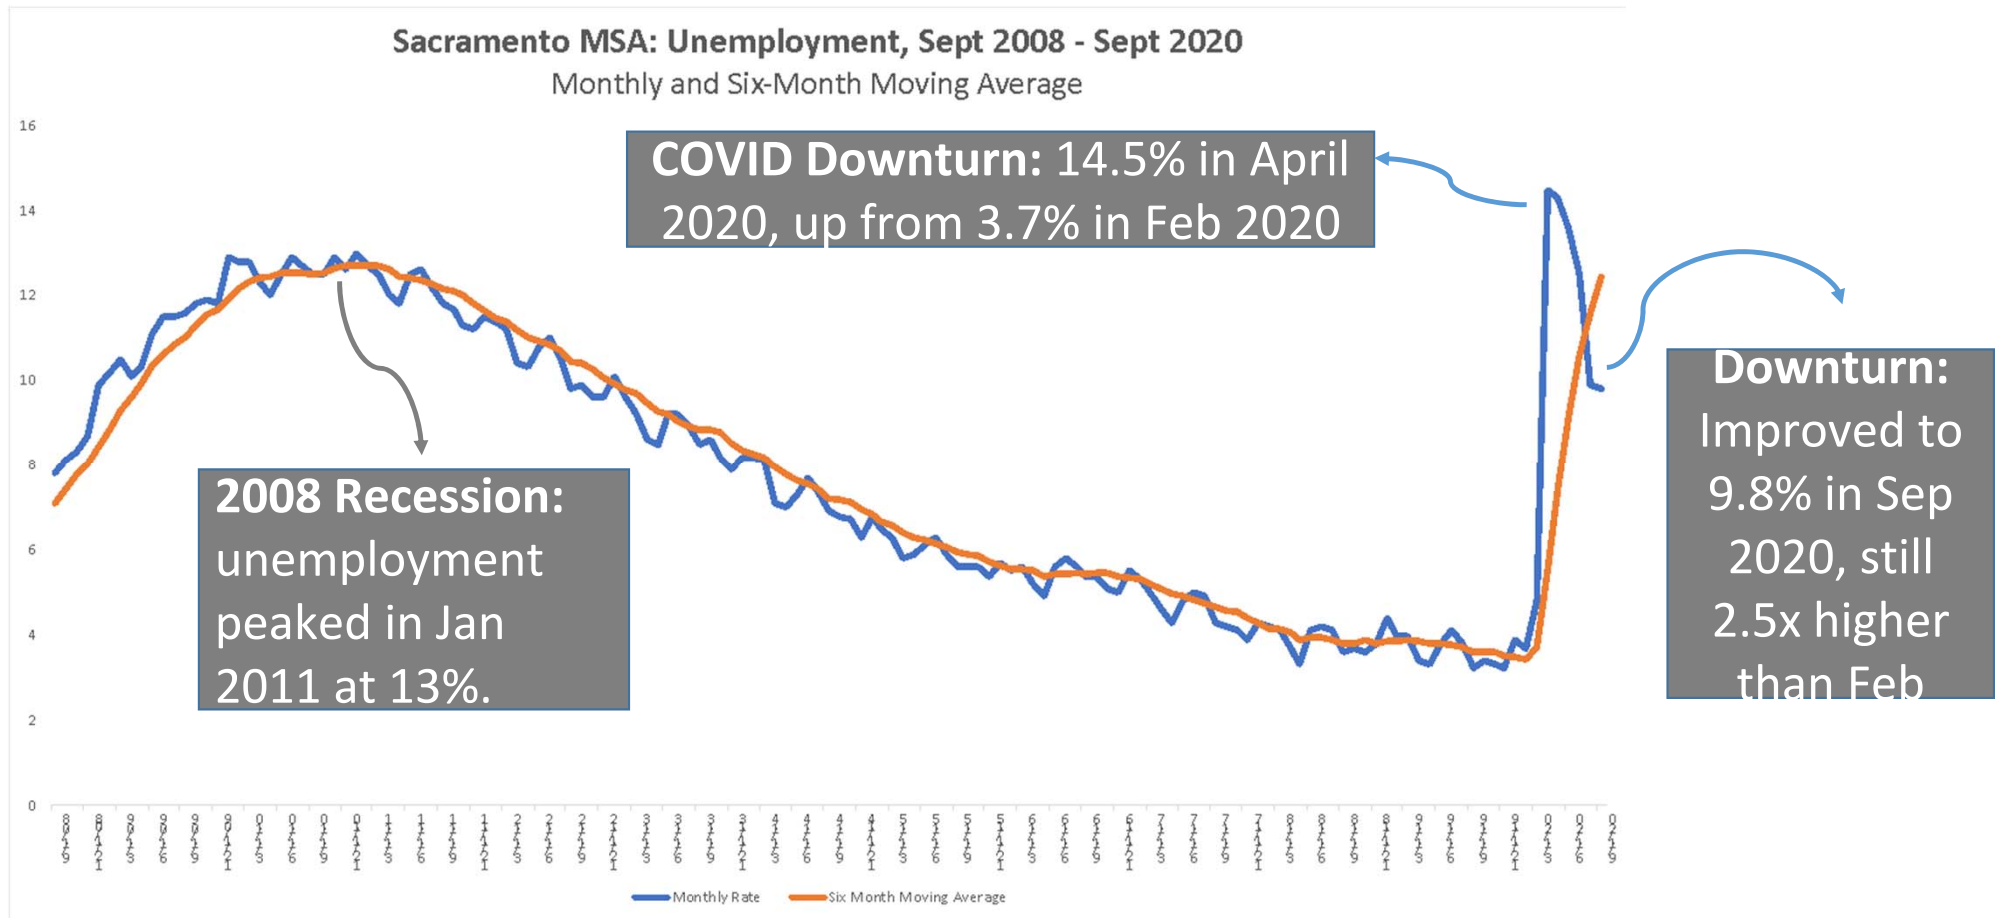

Workforce Innovation and Opportunity Act (WIOA) Regional/Local Plans

Introduction and Changing Economic Landscape

- **Thank you for joining us. Your input will help us design service delivery to help our communities recover and prosper.**
- **The past year has included major disruptions to the labor market with expected lasting changes including increased need for digital skills, the acceleration of automation, and increased remote working.**

Unemployment in the Sacramento MSA shot to 14.5% in April, its highest level in 30 years, including the 2008 recession

Workforce Development Dollars

\$38,542

State/Regional Goals

- **Demand Driven Skills Attainment**
- **Enabling Inclusive Upward Mobility**
- **Aligning, Coordinating and Integrating Programs and Services**

State/Regional Goals

-

Demand Driven Skills Attainment

- **Identify industries and occupations with existing and emerging job demand**
- **Align with region's industry sector needs to provide employers and businesses with skilled workforce necessary to compete in global economy**

State/Regional Goals

-

Enabling Inclusive Upward Mobility

- **Ensure everyone has access to a marketable set of skills**
- **Ensure access to level of education necessary for careers providing long term economic self-sufficiency and economic security**

State/Regional Goals

-

Aligning, Coordinating and Integrating Programs and Services

- **Braid and integrate with partners to economize limited resources to achieve scale and impact**
- **Provide right services to clients, based on particular and potentially unique needs, including any needs for skills-development**

Priority Industry Sectors / Clusters

- **Opportunity sectors for current and emerging quality jobs:**
 - Advanced Manufacturing
 - Future Mobility
 - Energy, Construction and Utilities
 - Food and Agriculture
 - Information and Communications Technologies
 - Life Sciences and Health Services
 - Public Sector

Target Populations and Equity

Local/Regional boards are responsible for:

- **Addressing workforce needs of high employment barrier populations**
- **Ensuring equitable access to programs and services**

High employment barrier populations include:

- Public Assistance
- Low Income
- Basic Skills Deficient
- Veterans
- Disadvantaged Youth
- Limited English Proficient
- People with Disabilities
- Justice Involved

Public Input Requested

- **Your contributions will help build a better system**
- **The following questions provide a sample of areas for input**
- **All input is valued, beyond the following questions**

Sample Questions

- **How can we increase awareness of services to job seekers and the underemployed? What are the best tools and/or locations we can use to increase awareness of the services available?**
- **How can we better serve vulnerable, minority, and underserved job seekers? What services are the most effective in lifting communities out of poverty?**
- **How can we increase awareness of services to employers and better meet employer needs?**
- **Are virtual or remote services needed on an ongoing basis? If so, what virtual or remote services are needed?**

Thank you!

- **Thank you for your contributions**
- **Written Input – Monica.Barber@seta.net**
- **Process outlined for the plan here:**
 - Mar 26: Release of Draft Plan
 - Mar 26 – Apr 26: Public Comment Period
 - Apr 30: Submit Unsigned Plan to State
 - Apr – Jun: Board and CLEO Approvals
 - Jul 1: Submit Final Signed Plan to State
