The Sacramento Employment and Training Agency (SETA) is preparing a Request For Proposals (RFP) and a three year plan for Refugee Employment Social Services (RESS), Targeted Assistance (TA) and discretionary grant programs for program years 2011 - 2013.

The refugee program provides unemployed refugees, specifically refugees who have been in the country for less than five (5) years, direct services which are intended to result in early economic self-sufficiency and reduced dependency on public assistance.

In an effort to facilitate consultation with refugee community organizations, voluntary agencies and other local, public and private entities involved in the refugee resettlement process, SETA will hold a public hearing and encourage all interested parties to contribute input into the planning process for refugee services in Sacramento County. The meeting will be held at:

925 Del Paso Boulevard  
Sacramento, CA 95815

**TIME:** 9:00 a.m.
