- B. Approval of Claims and Warrants
- C. Approval of Designation of Public Official to Serve on the Community Action Board
- D. Approval of Amended SETA Travel Policies and Procedures
- E. Approval of Retiree Medical Subsidy for Calendar Year 2020
- F. Approval to Extend the Agreement with Community Link Capital Region for the 2-1-1 Sacramento Human Services Database

The consent items were reviewed; no questions or comments.

Mr. Thatch asked the board to include a sole source finding for item II-F and read the item into the minutes as follows: "Federal regulations and the SETA procurement policies permit non-competitive procurement when services are available from only a single source. The 2-1-1 Sacramento Human Services Database is only available through the County of Sacramento's central resources database administered under a County Master Agreement by the Community Link Capital Region and this vital service is used extensively by SETA to develop Community Service Assessment data for grant applications. Therefore, the Governing Board finds that these services, provided under the County's Master Agreement, are only available from a single source and justifies SETA's 25% contribution for its share of costs to administer the Master Agreement."

Moved/Schenirer, second/Kennedy, to approve the consent items as follows:

- A. Approve the August 1, 2019 regular meeting minutes.
- B. Approve the claims and warrants for the period 7/24/19 through 9/10/19.

# **APPROVAL OF CLAIMS AND WARRANTS**

# **RECOMMENDATION:**

PRESENTER: Kathy Kossick

#### <u>ITEM II-C – CONSENT</u>

# APPROVAL TO ACCEPT FUNDING FOR FISCAL YEAR 2019-20 FROM THE CALIFORNIA DEPARTMENT OF EDUCATION

#### **BACKGROUND:**

This agenda item provides an opportunity for the Governing Board to accept funds awarded to the Sacramento Employment and Training Agency from the California Department of Education (CDE) in the amount of \$783,287 for fiscal year 2019-2020. These funds will provide services to 48 infants/toddlers in full day, full-year child development programs.

On September 10, 2019, the California Department of Education/Early Learning and Care Division (CDE/ELCD) released a funding announcement for assigning relinquished funds to contractors who are in "good standing" with ELCD.

On September 18, 2019, the SETA Governing Board approved the submission of an application to CDE/ELCD with an estimated amount not to exceed \$700,000. Upon completion of the budget, the actual amount requested was \$729,605, exceeding the maximum amount projected by staff and approved by the Board. Funding is to extend infant/toddler services in five locations: Hiram Johnson, Freedom Park, Hillsdale, Marina Vista and Northview.

On October 11, 2019, SETA was notified by CDE/ELCD that it scored 200 out of 200 possible points on its funding application and would be awarded full funding. Due to maximum reimbursement calculations, CDE will be awarding SETA \$783,287. This agenda item provides an opportunity for the Governing Board to accept the awarded amount of \$783,287.

Deputy Director Denise Lee will be available to answer questions.

#### **RECOMMENDATION:**

Accept funds in the amount of \$783,287 as awarded by the California Department of Education/Early Learning and Care Division (CDE/ELCD) for fiscal year 2019-2020.

#### ITEM III-A - 1 - ACTION

# ELECTION OF OFFICERS OF THE SACRAMENTO EMPLOYMENT AND TRAINING AGENCY GOVERNING BOARD

#### **BACKGROUND**:

As stipulated by the Joint Powers Agreement, "the Governing Board shall select a chairperson and vice-chairperson from among its members for one-year terms." The chair alternates among the City, County and Public Representative.

#### **RECOMMENDATION:**

That the Board nominate and elect officers for a one-year term to begin on November 8, 2019.

PRESENTER: Kathy Kossick

#### ITEM III-A – 2 - ACTION

# APPROVAL TO PURCHASE AGENCY INSURANCE FOR GENERAL LIABILITY, VEHICLE LIABILITY, UMBRELLA, ERRORS AND OMISSIONS, CRIME, FLOOD, AND STUDENT ACCIDENT

#### **BACKGROUND:**

The Agency's insurance policies for general liability, vehicle liability, umbrella liability, errors and omissions, crime, flood, and student accident expire December 1, 2019.

SETA's broker, Arthur J. Gallagher, is currently exploring various markets to secure the necessary coverage and will present an oral report at the meeting.

If final quotes are not available at the November 7 meeting, the Board may delegate procurement authority to the Executive Director.

#### **RECOMMENDATION:**

Hear the oral report and take appropriate action.

PRESENTER: D'et Saurbourne

# ITEM III-A - 3 - ACTION

# APPROVAL TO PURCHASE RUBRIK FOR SETA'S INFORMATION TECHNOLOGY BACKUP AND RECOVERY SYSTEM

#### **BACKGROUND:**

SETA's current Information Technology (IT) back-up system is located on the premises of the administrative office. Should a disaster occur at this location, SETA would be unable to resume business in a timely manner. Staff have spent the last several months researching what disaster recovery system options are available. The Rubrik system combined with Amazon Web Services (AWS) is being proposed to improve SETA's disaster recovery plan. The Rubrik back-up and recovery system is an onsite device and service that provides: continuous data protection to minimize data loss in the event of a failure or ransomware attack; scalability for future growth; end-to-end encryption; easy management of backup policies, alerts, and logs; instant recovery; and cloud disaster recovery orchestration. Rubrik is compatible with SETA's current HPE Simplivity servers and is utilized by many other government agencies in the region. The initial cost includes the purchase of the Rubrik appliance (\$24,817), the software licensing and support for a three-year term (\$107,020), and the initial cost of installation and configuration (\$5,000). DSA Technologies is the proposed vendor and is an approved vendor of Rubrik on the CMAS list (the state procurement list).

#### **RECOMMENDATION:**

Approve the purchase of the Rubrik backup and recovery system through DSA Technologies and authorize the Executive Director to negotiate a three-year service contract not to exceed \$137,000.

PRESENTER: D'et Saurbourne

#### ITEM III-B – 1 – ACTION

AGREE WITH SACRAMENTO WORKS TO TRANSFER WORKFORCE
INNOVATION AND OPPORTUNITY ACT (WIOA) DISLOCATED WORKER FUNDS
TO ADULT FUNDS, PROGRAM YEAR (PY) 2019-20, AND AUTHORIZE STAFF TO
SUBMIT A REQUEST TO THE STATE OF CALIFORNIA, EMPLOYMENT
DEVELOPMENT DEPARTMENT

#### **BACKGROUND:**

This item addresses the transfer of Workforce Innovation and Opportunity Act (WIOA) Dislocated Worker funds to Adult funds for Program Year (PY) 2019-20. WIOA, signed into law July 22, 2014, allows Local Workforce Development Boards (LWDBs), with approval from the Governor, to transfer up to and including 100 percent of the funds allocated for Adult and Dislocated Worker programs in order to maximize customer service and provide local boards with greater flexibility to respond to changes in their local labor markets and the demonstrated needs of each unique population. WIOA funds transfer limitations can be found in WIOA, Section 133(b)(4).

Each year, eligible dislocated workers are served under SETA's adult funding stream. By alleviating staff and service providers of the labor-intensive eligibility, data collection, accounting and reporting procedures required when serving customers under the dislocated worker funding stream, more effort can be focused on education, training, and job development services.

Consistent with the State of California, Employment Development Department's (EDD) Workforce Services Directive WSD15-23, Transfer of Funds – Adult/Dislocated Worker Programs, issued on March 29, 2016, staff is recommending that the Board authorize the transfer of up to 80 percent of SETA's total WIOA dislocated worker formula allocation to the adult program for PY 2019-20.

SETA's WIOA, Title I, Adult and Dislocated Worker formula allocations for PY 2019-20 are:

Adult - \$3,640,957 Dislocated Worker - \$3,290,403 \$6,931,360

The amount of dislocated worker funds to be transferred to the adult allocation for PY 2019-20 will be up to \$2,632,322. Before facilitating the transfer, SETA will obtain written approval from EDD, Workforce Services Division, which has been delegated authority to act on behalf of the Governor.

The Sacramento Works, Inc. board took action to approve this item at their September 25 meeting.

# <u>ITEM III-B - 1 – ACTION</u> (continued)

Page 2

Staff will be available to answer questions.

# **RECOMMENDATION**:

Agree with the Sacramento Works, Inc. board to transfer of up to 80 percent (\$2,632,322) in WIOA dislocated worker formula funds to the WIOA adult formula funding stream for PY 2019-20, and authorize staff to submit a request to the State of California, EDD.

PRESENTER: Roy Kim

#### ITEM III-B - 2 - ACTION

APPROVAL TO SUBMIT AN APPLICATION TO THE CALIFORNIA WORKFORCE DEVELOPMENT BOARD FOR WORKFORCE INNOVATION AND OPPORTUNITY ACT(WIOA), REGIONAL PLAN IMPLEMENTATION SLINGSHOT 3.0 FUNDS, AND AUTHORIZE THE EXECUTIVE DIRECTOR TO EXECUTE THE FUNDING AGREEMENT, MODIFICATIONS, AND ANY OTHER DOCUMENTS REQUIRED BY THE FUNDING SOURCE

#### BACKGROUND:

In August 2017, the California Workforce Development Board (CWDB) approved the Capital Region's WIOA Plan, designating SETA as the lead workforce development area for the Capital Region. In December 2017, the CWDB awarded Regional Plan Implementation funds to implement activities that supported the following three regional plan priority goals for the Capital Region:

- 1) Alignment of partners (WIOA, Strong Workforce, Align Capital Region, Adult Education) to ensure alignment of resources and building on the strengths of the partners to build a regional workforce system.
- 2) Ensure business leadership in priority sector initiatives (healthcare, construction, agriculture, etc.) by focusing on employer engagement and leadership.
- 3) Identifying and implementing administrative efficiencies and system alignment.

In April 2019, the CWDB awarded a second round of Regional Plan Implementation funds to continue to implement new activities that support the regional plan priority goals.

In October 2019, the CWDB released a Request for Applications for a third round of Regional Plan Implementation funds for regional initiatives that build upon, scale, or expand the previous regional initiatives. In addition, applicants must include the costs of a Regional Organizer in their application.

In response, staff of the Capital Region's local workforce boards (SETA/Sacramento Works, Golden Sierra, North Central Counties, and Yolo) are preparing an application requesting up to \$400,000 over a 20-month project duration that may include the following regional initiatives:

- Regional Organizer to act as the liaison between the local workforce boards, the CWDB, regional partners, and training and technical assistance providers. This includes coordinating regional initiatives with labor, industry, education, economic development, community and other leaders that encourage regional alignment and enhance regional communication.
- Supporting business-led sector partnerships/initiatives that develop industry recognized certificates and apprenticeships leading to quality jobs/careers.
- 3. Regional capacity building and professional development activities for workforce staff and partners.

# <u>ITEM III B – 2 – ACTION</u> (continued) Page 2

4. Other regional initiatives that foster demand-driven skill attainment, enable upward mobility for populations with barriers to employment, and/or align, coordinate, and integrate programs and services.

Applications are due to the State by November 25, 2019. Staff will be available to answer questions.

#### **RECOMMENDATION:**

Approve the submission of an application up to \$400,000 to the CWDB for WIOA Regional Plan Implementation Slingshot 3.0 funds; and authorize the Executive Director to execute the funding agreement, modifications, and any other documents required by the funding source.

## SPECIAL EDUCATION REPORT

### Sacramento County Head Start/Early Head Start

## September 2019

The Special Education Report shows the percentage of enrolled preschool aged children with a diagnosed disability receiving services through an Individualized Education Plan (IEP). For Early Head Start, the Special Education Report shows the number of children ages 0-3 who are receiving early intervention services through an Individualized Family Services Plan (IFSP).

Head Start Program Performance Standards Reference: 1302.14 (b)(1) states a program must ensure at least 10 percent of its total funded enrollment is filled by children eligible for services under IDEA, unless the responsible HHS official grants a waiver.

RE: SETA Quality Assurance/Monitoring Results – October 2019

Agency	Program Monitored	Details	Review Period	Monitoring Purpose
Elk Grove Unified School District	Head Start Center-based Charles Mack Prairie Sierra Enterprise William Daylor	4 centers 4 classes 12 children's files for: Education Enrollment	September 5-25, 2019	Differential Review  ☑ Initial ☐ Follow-up ☐ Special ☐ Final

This monitoring review was performed using the 2019 Monitoring for Compliance and Quality Improvement tool (MCQI). MCQI was designed in *ChildPlus* and is comprised of 4 monitoring checklists representing performance indicators. All indicators align with the Head Start Program Performance Standards (HSPPS), the Head Start Act, Community Care Licensing, and other local, state and federal regulations.

#### Highlighted Program Strengths and Positive Observations:

- Program staff were very responsive to feedback and in correcting concerns onsite.
- Program has good compliance rate of receiving health documents, and staff signing off on health documents received from families.
- Indoor and outdoor environments were generally clean and safe; and learning environments were enriching, with developmentally-appropriate materials and instruction.

Program Design and Management Human Resources (Pre-employment Requirements, Staff Qualifications, Staff Development, and Safety Training)	N/A	Not part of the differential review

<sup>\*</sup> Scores between 90-99% per section will be addressed by the program but do not require a formal Corrective Action Plan Monitoring. Scores less than 90% require a program-level Corrective Action Plan. Determination of a Comprehensive Review and/or Differentiated Review will be based on historic data.

#### **Follow-up and Corrective Action Plans:**

A program-level Corrective Action Plan (CAP) to address above areas of non-compliance is due to SETA within 45 days of receipt of this report. Governing Board/School Board notification of monitoring results is within 60 days.

Programs complete the program-level CAP using the ChildPlus Internal Monitoring Module to resolve systems-level areas of non-compliance identified during the MCQI review. Each agency remains responsible to correct Non-Compliant indicators at the classroom/center level.

<sup>\*</sup> Scores between 90-99% per section will be addressed by the program but do not require a formal Corrective Action Plan Monitoring. Scores less than 90% require a program-level Corrective Action Plan. Determination of a Comprehensive Review and/or Differentiated Review will be based on historic data.

#### **Follow-up and Corrective Action Plans:**

A program-level Corrective Action Plan (CAP) to address above areas of non-compliance is due to SETA within 45 days of receipt of this report. Governing Board/School Board notification of monitoring results is within 60 days.

Programs complete the program-level CAP using the ChildPlus Internal Monitoring Module to resolve systems-level areas of non-compliance identified during the MCQI review. Each agency remains responsible to correct Non-Compliant indicators at the classroom/center level.

## **Update from the Office of Head Start**

On September 30th, the Office of Head Start (OHS) issued an Information Memorandum (ACF-IM-HS-19-03) regarding Head Start and Early Head Start eligibility for children in Kinship Care. As a result of many program questions, the Office of Head Start provided guidance that formal or informal kinship care, for the purposes of this IM, broadly refers to children who are living with relatives or caregivers other than their parents. In most cases, these children are eligible for Head Start services according to the Head Start Act and Head Start Program Performance Standards (HSPPS) and programs can enroll them. OHS encourages grantees to include children in kinship care in their enrollment and selection process. Children/families on public assistance, in foster care and/or homeless are eligible for Head Start. For more information contained in the Information Memorandum, visit the website at

https://eclkc.ohs.acf.hhs.gov/policy/im/acf-im-hs-19-03.

## <u>It is National Head Start Awareness Month!</u>

(written and published by Head Start California / October 2019 Directors Update)

In preparation for Head Start Awareness Month in October, <Head Start California> has been collecting stories to share across the state and across the country. What can you do locally to celebrate Head Start awareness month? Here are a few ideas:

1. <u>Invite a member of Congress to your program.</u> Congress is on break and California delegation is home. If you have not done so already, reach out. Invite them to your program before the calendar fills up. Progress is built on relationships and relationships are built on conversations. Find your representative by visiting the Head Start California website at www.headstartca.org.

2. <u>Pick a champion.</u> Every family has a story, but not every family has a storyteller. Do you have a great storyteller in your organization? The one who tells great jokes and remembers the punchline. The one who makes you want to listen to the story no matter how long? Designate a storytelling champion to support families... someone who can help them tell their story. Submit your story via <a href="https://headstartca.org/about/chsa/my-head-start-story/">https://headstartca.org/about/chsa/my-head-start-story/</a>.

3. Take 2 to give 2. Advocating in the United States Congress for Head Start funding is an ongoing task. In California we have an early childhood-friendly governor. Now is the time for us to increase our advocacy efforts, and that requires resources. The Power of 2 campaign is how we gather those resources. Take 2 minutes to give 2 dollars and ask 2 friends to do the same. That's the Power of 2 — you can read more here. And it works! After we mentioned the Power of 2 campaign last April, we received a check for \$100 from someone — in Texas! We all have networks, and those networks cross county lines and state borders. The Power of 2 is simply the belief that we are all connected. Visit the website at https:// headstartca.org/advocacy/donate-2per-child/.

- Classrooms have already or are in the process of electing a PC representative.
- Coordinators and Resource Staff are holding case management sessions every-other week (twice per month) to discuss children with referrals and teachers needing additional support to address various challenges.
- For the month of September SCUSD has 58 preschoolers with Individual Education Plans (IEPs) for special education.

#### ITEM V - REPORTS TO THE BOARD

A. <u>CHAIR'S REPORT</u>: The Chair of the SETA Governing Board, on a regular basis, receives numerous items of information concerning employment and training legislation, current programs, agency activities, and miscellaneous articles about human service programs throughout the nation, and attends meetings pertinent to SETA business.

The important information from the material received and meetings attended will be shared with the entire Board and the method proposed by the Chair is to give a verbal report at each regular meeting. It will also allow time for the Board to provide input on items that may require future action.

B. <u>EXECUTIVE DIRECTOR'S REPORT</u>: This item is set aside to allow the SETA Executive Director to report to the Board on any items of important information or to deal with special requests which need to be addressed but, because of time constraints, were not included in the formal SETA Governing Board Packet.

The Executive Director's Report also allows the opportunity for the SETA Executive Director to apprise the Board of upcoming events, significant agency activities, or conferences.

- C. <u>DEPUTY DIRECTORS REPORT:</u> This item is set aside to allow the Deputy Directors to report to the Board any items relative to the program operations.
- D. <u>COUNSEL REPORT</u>: The SETA Legal Counsel is the firm of Gregory D. Thatch, Attorney at Law. This item provides the opportunity for Agency Counsel to provide the SETA Governing Board with an oral or written report on legal activities
- E. <u>MEMBERS OF THE BOARD</u>: This item provides the opportunity for SETA Governing Board members to raise any items for consideration not covered under the formal agenda. It also provides the opportunity for Board members to request or to ask that certain items be placed on the next Governing Board agenda.
- F. <u>PUBLIC PARTICIPATION</u>: Participation of the general public at SETA Governing Board meetings is encouraged. The SETA Governing Board has decided to incorporate participants of the audience as part of its agenda for all meetings. Members of the audience are asked to address their requests to the Chairperson, if they wish to speak.
