### III. Action Items

# A. GENERAL ADMINISTRATION/SETA

1. Approval of Procurement of the Agency Workers Compensation Insurance

Ms. D'et Saurbourne introduced Ken Johnson from Arthur J. Gallagher, SETA's insurance broker.

Mr. Ken Johnson reported back that the board authorization for insurance given at the last meeting ended up with only a 1.8% increase for all of the insurance policies. As far as workers' compensation insurance, two things affected the quote: there was a significant increase in payroll this year, and the experience modification factor went from 1.12 to 1.92 which is a large increase. Mr. Johnson put the two exposures into the quote for the renewal. He received a quote of \$862,641; he is confident he can reduce the premiums quoted for the policy. The company wants to work with SETA due to the outstanding work of SETA staff. Overall he expects a 12.5% price increase.

Mr. Carr stated that he is uncomfortable that we do not have competitive bids. He spoke of his experience at SMUD when they experienced an unfortunate issue with AIG. Staff needs to look at specifications to see if there are things that can be done that will allow us to get more bidders and ensure we are getting the best price. Ms. Kossick stated that staff is expecting to receive additional quotes before the month is over.

Mr. Johnson stated that he can bring in underwriters to get direct feedback on our insurance quotes to tell us what is difficult in our policies. Mr. Johnson said that one possible solution would be to self-insure. Mr. Thatch stated that SETA has no ability to self-insure since we cannot use our funds to pay claims.

Ms. Scherman stated that this has been an issue for as long as she has been on the board. Ms. Sherman is confident Mr. Johnson will work to get the best insurance quotes.

Moved/Carr, second/Schenirer, to delegate authority to the Executive Director to procure insurance coverage by year end. Roll call vote: Aye: 5 (Carr, Kennedy, Nottoli, Schenirer, Scherman) Nay: 0 Abstentions: 0

2. Review and Approval of the Agency's Independent Auditor's Report and Financial Statements for the Fiscal Year Ended June 30, 2019

Ms. D'et Saurbourne reviewed the audit. Overall it was a very good audit with no findings. The financial statements are negative due to the pension liabilities. Taking that out, the Agency had an increase in our grant funding.

Ms. Kossick thanked Ms. Saurbourne and her staff for all of their hard work to ensure a clean audit.

Moved/Schenirer, second/Carr, to approve the annual Auditor's Report and Financial Statements of the Agency for the fiscal year ended June 30, 2019. Roll call vote: Aye: 5 (Carr, Kennedy, Nottoli, Schenirer, Scherman) Nay: 0 Abstentions: 0

3. <u>TIMED ITEM 10:00 A.M. AND PUBLIC HEARING</u>: Approval of Revisions to the Salary Schedules for Associate Teacher Tier I, Associate Teacher Tier II, Associate Teacher Tier III, Head Start Cook/Driver, Head Start Family Placement Worker, Head Start Teacher One, Head Start Typist Clerk II, and Typist Clerk II

Ms. Allison Noren reviewed this item and offered to answer questions.

Mr. Nottoli opened a public hearing on this item; there was no testimony.

Moved/Carr, second/Scherman, to close the public hearing and approve the new salary schedules for the Associate Teacher Tier I, Associate Teacher Tier II, Associate Teacher Tier III, Head Start Cook/Driver, Head Start Family Placement Worker, Head Start Teacher One, Head Start Typist Clerk II, and Typist Clerk II from January 1, 2020 through January 1, 2022. Mr. William Walker reviewed this program which has had a 91% participation rate. This program will be focusing on veterans and their spouses.

Moved/Carr, second/Scherman, to approve the submission of the Veterans Employment Assistance Program application to the California Employment Development Department requesting \$500,000 to provide services to 60 veterans and/or spouses. Authorize the SETA Executive Director to execute the agreements, modifications, and any other documents required by the funding source. Roll call vote:

Aye: 5 (Carr, Kennedy, Nottoli, Schenirer, Scherman) Nay: 0 Abstentions: 0

**Community Services Block Grant** 

2. Approval of Community Services Block Grant (CSBG) funding recommendations for Program Year 2020

Ms. Julie Davis-Jaffe provided input on the CSBG funding recommendations. Mr. Anthony Garcia, CAB Chair, was introduced.

Mr. Schenirer requested a report back on the number of agencies funded over a period of time including the number of times they received funding.

Ms. Scherman asked if staff received a response from the service provider that submitted the appeal and Ms. Davis-Jaffe replied that no response has been received.

Ms. Davis-Jaffe reviewed the process by which recommendations were made. The Community Action Board took action to approve the recommendations at their November 13 meeting. If additional funds become available, staff will definitely notify the service providers.

Ms. Scherman asked what is the cap for administration as to how much service providers are allowed to use. Ms. Davis-Jaffe replied that for family self-sufficiency, it is case management and it will have a 15% cap on administration costs for direct services. In the safety net program, a higher percentage will go directly to participants since they are seeing a larger number of people.

Moved/Schenirer, second/Kennedy, to approve staff funding recommendations for the Program Year 2020 Community Services Block Grant.

# AGREE WITH THE APPOINTMENT OF YOUTH COMMITTEE MEMBERS

# BACKGROUND:

The Sacramento Works Board's Youth Committee is responsible for the planning and procurement of the Workforce Innovation and Opportunity Act (WIOA) youth services. The Sacramento Works Youth Committee seeks to develop a continuum of services to engage youth in the workforce system; works with community partners to coordinate youth initiatives; and is responsible for the oversight of youth providers. WIOA requires no minimum or maximum number of representatives on the Youth Committee. The WIOA and the State of California have identified the following categories of membership on the Youth Committee:

- Members of the local board with special interest or expertise in youth services or policy;
- Representatives of youth service organizations, including juvenile justice and local law enforcement agencies;
- Representatives of local public housing organizations;
- Education representatives;
- Parents of local youth seeking assistance under WIOA;
- Youth, including former participants and representatives of organizations that have experience relating to youth activities; and
- Representatives of the Job Corps.

Five applicants have been recommended for appointment by Youth Committee chair, Mr. David Gordon:

- Ms. Tina Reynolds is the President for Uptown Studios
- Ms. Amanda Garcia and Mr. Pedro Vargas serve as Youth Specialists for EDD's Youth Employment Opportunity Program
- Ms. Claudia Negrete is an 11<sup>th</sup> Grade student at The Met Sacramento High School
- Ms. Joyce Vea is a Senior at the University of California, Davis.

The Operating Agreement for the Implementation of the Workforce Innovation and Opportunity Act between Sacramento Works, Inc. and the Governing Board of the Sacramento Employment and Training Agency requires that both parties approve appointments of Youth Committee members. The original applications for Youth Committee membership will be sent under separate cover. On January 22, the Sacramento Works Board took action to approve the above-listed members to the Youth Committee

### **RECOMMENDATION:**

Agree with the appointment of Ms. Tina Reynolds, Ms. Amanda Garcia, Mr. Pedro Vargas, Ms. Claudia Negrete and Ms. Joyce Vea to the Sacramento Works Youth Committee.

# ITEM II-D - CONSENT

# APPOVAL OF AN APPOINTMENT TO THE SACRAMENTO WORKS WORKFORCE DEVELOPMENT BOARD

### **BACKGROUND:**

The local Sacramento Works Workforce Development Board was newly formed in early 2016 to comply with the 2014 Workforce Innovation and Opportunity Act (WIOA). As part of its action on February 4, 2016, the SETA Governing Board satisfied the desire for a smaller Workforce Development Board by setting the size of the Board at twenty-five members and allocated the twenty-five membership positions to the five membership categories in the following manner: Thirteen members were allocated to business (a majority of the membership); four members were allocated to Labor and Apprenticeship (at least 15% of the membership); six members were allocated to specific programs in the workforce system (community- based organizations, Adult Education, Higher Education, Economic Development, Wagner-Peyser (EDD) and Vocational Rehabilitation); and two members were allocated to the "Other" category permitted by WIOA to provide the Governing Board with flexibility in appointing members in this catch-all category.

On March 3, 2016 the Governing Board appointed twenty-five members to the newly formed Sacramento Works Workforce Development Board. In March 2018 and March 2019 the Governing Board took action to extend the staggered terms of the board members.

Staff recently received a resignation from Jay Onasch, District Administrator, California Department of Rehabilitation due to his heavy work schedule. Mr. Onasch recommended Ms. Sharon O'Sullivan to fill the vacated seat.

The application is being provided under separate cover.

### **RECOMMENDATION**

Review the application and appoint Ms. Sharon O'Sullivan to fill the seat vacated by Mr. Jay Onasch from the California Department of Rehabilitation.

PRESENTER: Kathy Kossick

# RECEIVE, ADOPT AND FILE THE SACRAMENTO COUNTY ANNUAL INVESTMENT POLICY OF THE POOLED INVESTMENT FUND – CALENDAR YEAR 2020

### BACKGROUND:

The County Director of Finance publishes the Investment Policy for the Pooled Investment Fund every calendar year and has the Policy approved by the County Board of Supervisors. SETA's funds are included in this Pool. The Calendar Year 2020 Sacramento County Annual Investment Policy is being sent under separate cover. There are no major changes to the investment policy.

This is an annual event and the Investment Policy approved by the County Board of Supervisors then rules the investments of SETA money. The Joint Powers Agreement creating this Agency requires the County to be the fiscal agent for SETA. As such, the County Investment Policy is part of the fiscal agent's duty, and approval by the Sacramento County Board of Supervisors ratifies the propriety of the fiscal agent's investment strategy. Action by the SETA Governing Board to receive and file the policy constitutes consideration at a public meeting as recommended by Government Code section 53646(a) (2).

#### **RECOMMENDATION:**

Receive, adopt, and file the Sacramento County Annual Investment Policy of the Pooled Investment Fund for the Calendar Year 2020.

# ITEM III-C – 1 – ACTION

# APPROVAL OF 2020-2025 COUNTY-WIDE HEAD START/EARLY HEAD START COMMUNITY ASSESSMENT AND RESULTING FIVE-YEAR GOALS

### BACKGROUND:

In October 2019, a county-wide planning team comprised of Grantee, Delegate Agency and Partner directors, managers, content area experts and parents met to discuss current Community Assessment data and prioritize needs for the Sacramento County Head Start/Early Head Start programs. A copy of the Executive Summary for the 2020-2025 Community Assessment is attached. Analysis of the Community Assessment led to four specific goals for Sacramento County which are:

### Goal #1 – School Readiness

Increase child outcomes by developing and strengthening Social/Emotional competencies, family partnerships and staff development.

### Goal #2 - Health and Wellness

Increase the health and well-being of children birth to age 5 by improving the number of children who are up-to-date on a schedule of age-appropriate preventive and primary health care.

### Goal #3 – Attendance

Improve the rate of attendance for children in the Head Start and Early Head Start program.

### Goal #4 - Family Engagement

Increase and promote parent and family engagement that is culturally responsive, reflective, and goal oriented in order to support families.

The grantee and each delegate agency will develop program specific objectives to support each goal for the next five years. Objectives will be measured and analyzed on a regular basis and updated as needed on an annual basis. Objectives will be included as part of the annual refunding application. A complete copy of the Community Assessment 2020-2025 is available on the SETA Head Start website, www.headstart.seta.net.

Mr. Kaleb Call, Manager/Administration, will make a brief presentation on the Community Assessment results and be available to answer questions. The Policy Council approved these goals at their January 28, 2020 meeting.

### **RECOMMENDATION:**

Approve the 2020-2025 Community Assessment and resulting 5-Year Countywide Head Start and Early Head Start Goals.

### EXECUTIVE SUMMARY

Head Start (HS) was established in 1965 to promote school readiness for children in lowincome families. Head Start offers an array of services including education, nutrition, health and oral health including pediatric screenings, and social services to assist lowincome families. In 1994 Congress passed a landmark Head Start Reauthorization which created Early Head Start (EHS) to serve families from prenatal to the age of 3. This reauthorization allowed Head Start to impact families from pregnant women all the way to kindergarten.

The Sacramento Employment and Training Agency (SETA) was established in 1978 as a Joint Powers Agency of the City and County of Sacramento. SETA received its first Head Start grant in 1981, just three years after the agency was established.

### SETA Head Start Mission

The SETA Head Start Mission is to improve the lives of low-income children by providing quality comprehensive child development services that are family-focused, including education, health, nutrition, and mental health.

This is accomplished by involving parents in the total operation and administration of the program and supporting the growth of children, families, and staff through encouragement, nurturing, education and empowerment.

The Head Start Program Performance Standards require grantees to "design a program that meets community needs, and builds on strengths and resources, a program must conduct a community assessment at least once over the five-year grant period." (45 CFR 1302.11 (b)). Each Head Start grantee is required to look at the following information when performing a community assessment:

- 1. The number of eligible children ages 0-5, expectant mothers, including geographic location, race, ethnicity, and languages are spoken. Children experiencing homelessness, children in foster care, children with disabilities, and services provided to these children.
- 2. Education, health, nutrition, and social service needs of eligible children and their families.
- 3. Typical work, school and training schedules of families with eligible children.
- 4. Other child development, and/or family childcare programs in the same service area and number of children served.
- 5. Resources that are available in the community to address the needs of eligible children and their families.
- 6. Strengths of the community.

This information is used to help determine the grantee's long and short-range goals and objectives, including services provided, program options provided, center locations,

home-based program service areas, recruitment, and selection strategies as well as all other aspects of the program.

# Enrollment

SETA, its delegate agencies and partners currently serve **4,244** Head Start children ages 3-5 and **869** Early Head Start children ages 0-3. The following chart shows the enrollment numbers over the past five-year grant cycle, 2015-2020.

\*2019-2020 numbers reflect funded enrollment, as the year-end cumulative total has not occurred.

Enrollment numbers for Head Start have slightly decreased over the five-year grant period while enrollment numbers for Early Head Start have slightly increased over the same period of time. This is due to several enrollment conversions where SETA converted a total of 514 Head Start enrollment slots to 132 high-demand Early Head Start enrollment slots to address under-served infants/toddlers in Sacramento County. During this same time period, SETA also under-went an enrollment reduction of 99 enrollment slots due to federal budgetary reductions, known as Sequestration.

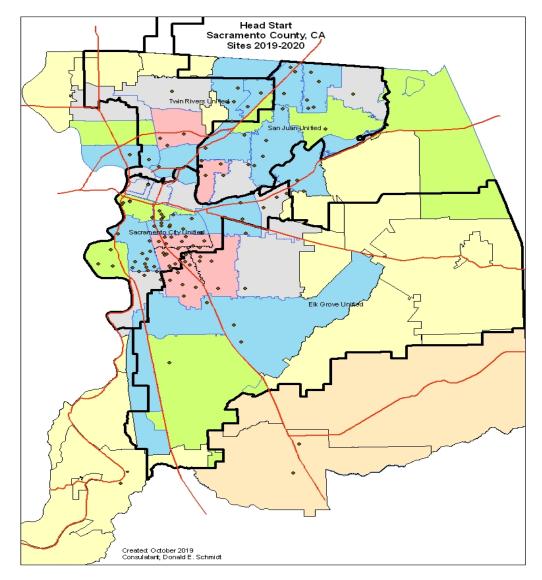

# Service Area

Sacramento is home to seven incorporated cities, Sacramento, Folsom, Isleton, Galt, Citrus Heights, Elk Grove and Rancho Cordova and encompasses approximately 994-square miles in the middle of the 400-mile long Central Valley, which is California's prime agricultural region. The County is bordered by Contra Costa and San Joaquin Counties on the south, Amador and El Dorado Counties on the east, Placer and Sutter Counties on the north, and Yolo and Solano Counties on the west.

SETA, its delegate agencies and partners serve families located throughout Sacramento, California. The map below shows each child development center offering Head Start/Early Head Start services.

21

- Speech and Language impairments have the highest number of children diagnosed for both the county data and the second-highest for internal data.
- The highest categorical disability of enrolled Head Start children is speech and language.
- Qualifying for services continues to be a problem for families throughout the county.

### School Readiness

- Elementary school student performance has improved but there continues to be subgroup populations that have lower assessment results.
- Head Start was established to address these subgroup student populations that struggle and help them to be at or above grade level when they enter kindergarten.
- Countywide Head Start data shows that children are progressing and improving.
- SETA scores significantly higher than the national average in CLASS scores. This translates to stronger teachers and better classroom environments.

### REPORT ON AMERICAN EXPRESS CORPORATE ACCOUNT REWARDS POINTS PROGRAM AS OF DECEMBER 31, 2019

### BACKGROUND:

Since 2003, SETA has maintained an American Express (AMEX) Corporate Account used for travel, online payments, and miscellaneous purchases. The AMEX account has allowed staff to more timely pay invoices and reduced the volume of transactions that flow through the County Department of Finance.

In January, 2010 SETA added the Membership Rewards program to its AMEX account, which allows SETA to accrue one point for every dollar charged on its AMEX account. In January, 2011 the SETA Governing Board approved the implementation of the American Express Corporate Account Policy and Procedure, including the use of the AMEX points to defray Agency travel and other costs, provide supportive services and incentives to enrolled customers, and provide employee recognition, board recognition and employee health and wellness activities.

Attached for your information is the American Express Corporate Account Rewards Points Program for the period ending December 31,2019.

Staff will be available to answer questions.

SUBJECT: 2019 DESK REVIEW REPORT- C-19-052

Dear Ms. Kossick:

The Department of Community Services and Development (CSD) has conducted a Monitoring Desk Review of your agency for contracts 19F-4033 and 19F-4435. The desk review included a review of your administrative, board governance, prior monitoring reports, fiscal and programmatic documents.

For the 2019 program year, the result of the desk review has determined that your agency is in compliance with the contractual requirements and applicable federal and state laws.

As memorialized in Monitoring Report #C-18-052 dated April 27, 2018, Sacramento Employment and Training Agency (SETA) had two observations: Observation #1: Two Board Vacancies and Observation #2: Low-Income Democratic Selection Process. The long-term low-income board vacancy was filled as per the board roster dated June 28, 2019, and the long-term public sector vacancy was filled as per the board roster dated September 23, 2019. On November 14, 2019, CSD was provided with additional documentation demonstrating that the low-income board members are being democratically elected. Therefore, Observations #1 and #2 have been corrected and are closed.

Serving Low-Income Families, Through Community Partners

Thank you for your continued dedication and commitment to serve low-income individuals and families in your local area. If you have any questions concerning the desk review, please contact me at (916) 576-5297 or <u>heide.ruegsegger@csd.ca.gov</u>.

Sincerely, ugsen

# PRESENTER: Roy Kim

EMPLOYMENT DEVELOPMENT DEPARTMENT Labor Market Information Division 2901 50th Street Sacramento, CA 95817

#### SACRAMENTO—ROSEVILLE—ARDEN-ARCADE METROPOLITAN STATISTICAL AREA (MSA) (EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES) <u>Education and health services led year-over growth with 6,300 jobs</u>

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 3.2 percent in December 2019, unchanged from a revised 3.2 percent in November 2019, and below the yearago estimate of 3.5 percent. This compares with an unadjusted unemployment rate of 3.7 percent for California and 3.4 percent for the nation during the same period. The unemployment rate was 3.1 percent in El Dorado County, 2.7 percent in Placer County, 3.2 percent in Sacramento County, and 3.9 percent in Yolo County.

**Between November 2019 and December 2019,** combined employment in the counties of El Dorado, Placer, Sacramento, and Yolo, decreased by 100 to total 1,040,400 jobs.

- Construction (down 2,500 jobs) experienced a normal seasonal decline from November to December. Specialty trade contractors (down 2,100 jobs) accounted for 84 percent of the decrease.
- Government reported a month-over decrease of 900 jobs. Local government (down 1,100 jobs) was responsible for the job reductions. This loss offset a gain in state government, which was up 200 jobs.
- On the upside, trade, transportation, and utilities (up 1,400 jobs) led the region in job growth. Retail trade (up 800 jobs) and transportation, warehousing, and utilities (up 800 jobs) were responsible for the expansion. These gains offset a slight loss in wholesale trade, which dipped by 200 jobs.
- Leisure and hospitality expanded by 1,100 jobs. Arts, entertainment, and recreation added 1,000 jobs. Accommodation and food services picked up 100 jobs.

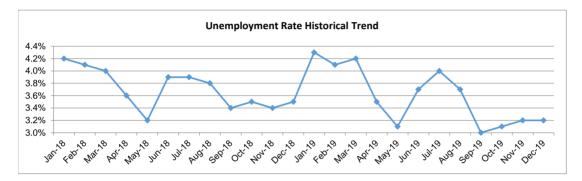

Between December 2018 and December 2019, total jobs in the region increased by 11,900 or 1.2 percent.

- Three major industries reported year-over declines, led by leisure and hospitality (down 2,400 jobs), government (down 1,600 jobs), and information (down 400 jobs).

# **Quality Assurance Summary Report**

TO: SETA Policy Council, Parent Advisory Committee and Governing Board members

RE: SETA Quality Assurance/Monitoring Results – December 2019

Agency	Program Monitored	Details	<b>Review Period</b>	Monitoring Purpose
SETA Operated Program	Head Start (13) Alder Grove, Freedom Park, Fruitridge, Galt, Hillsdale, LaVerne Stewart, Kennedy Estates, Marina Vista, Nedra Court, North Avenue, Northview, Solid Foundations, Strizek Park Early Head Start (7) 16 <sup>th</sup> Avenue, Crossroad Gardens, Hopkins Park, Job Corps, Norma Johnson, Mather, Sharon Neese	20 centers 20 classes 40 children's files for: Enrollment	October 23- November 15, 2019	Differential Review

For this review, the Quality Assurance (QA) unit monitored three content areas for compliance, **Education, Safe Environments, and ERSEA/Attendance Recordkeeping, Policies and Procedures**. Additionally, in partnership with the Health unit, QA staff also monitored the new procedure of uploading health documents (Physical Exam/Well-Child-Check, Dental Exam, Blood Lead Results and Hematocrit/Hemoglobin Results) into *ChildPlus* for 1st year 2019-2020 participants; and whether health events were identified for Special Diet, Health Concern and Medication; and color-coded flags were used for *ChildPlus* groups. Since this is voluntary pilot phase of implementation for 2019-200, the objective was to assess participation level by Family Service Workers/Centers. Therefore, "Observed/Not Observed" was used to describe results for the *ChildPlus* Health Documents Tracking Checklist and instead of Compliant/Non-Compliant.

#### Highlighted Program Strengths and Positive Observations:

- Centers have a variety of ways to improve and maintain attendance such as themed days/months, family events, good attendance certificates, perfect attendance boards.
- Staff was very welcoming and friendly and supported each other in addressing staffing needs and helping parents.
- Centers and classrooms are safe and conducive for learning.

Areas Reviewed	Percentage Compliant	Individual Indicators Needing Attention	
Education File Review and Classroom Observation (Screenings, Referrals, Follow-up, Individual Education Plans, and Classroom Observation)	HS = 96% EHS = 95%	No significant noted findings	
Attendance and Record-Keeping (Attendance tracking, sign-in/out procedures, average daily attendance, absence tracking)	HS = 74% EHS = 74%	-Attendance not reconciled at the end of each day by all teachers -Attendance absence codes did not consistently match in <i>ChildPlus</i> and i family contact notes in the child's file. -Not all centers/classes that had monthly low attendance had a required Attendance Improvement Plan and/or Conference on file.	
Safe Environments (Postings, Inspections, Food Prep Area, Restrooms, Classrooms, Playground, Disaster Preparedness)	HS = 97% EHS = 99%	No significant noted findings	

\* Scores between 90-99% per section will be addressed by the program but do not require a formal Corrective Action Plan Monitoring. Scores less than 90% require a program-level Corrective Action Plan. Determination of a Comprehensive Review and/or Differentiated Review will be based on historic data.

#### Follow-up and Corrective Action Plans:

A program-level Corrective Action Plan (CAP) to address above areas of non-compliance is due to SETA within 45 days of receipt of this report. Governing Board/School Board notification of monitoring results is within 60 days.

Please use the provided form to complete the CAP which serves as written response by the agency to resolve systems-level areas of non-compliance identified during the MCQI review. NOTE: *This CAP does <u>not</u> supersede the individual CAP for non-compliant indicators using the Child Plus Internal Monitoring Module*.
