1. Approval of Findings and Authorization to Extend Use of Teleconferencing Procedures for Board Meetings During Declared State of Emergency and/or

While State or Local Officials Continue to Impose or Recommend Measures to Promote Social Distancing

Mr. Thatch reviewed this item. The board will have to take action each month, through the end of the year 2021, to continue virtual meetings.

Moved/Guerra, second/Kennedy, to approve the Findings and Authorization to Extend Use of Teleconferencing Procedures for Board Meetings During Declared State of Emergency and/or While State or Local Officials Continue to Impose or Recommend Measures to Promote Social Distancing

Roll call vote:

Aye: 5 (Guerra, Kennedy, Nottoli, Vang, Scherman)

Abstention: 0

#### 2. <u>TIMED ITEM 10:00 A.M. AND PUBLIC HEARING:</u>

Approval of Revised Job Specification for Executive Director

Ms. Scherman opened the public hearing.

Ms. Noren reviewed this item. The job specification was revised from the previous version from 1994. The Agency worked with the City and the County to update the job specification. The clean and redline job specifications were included in the packet to review changes.

Mr. Nottoli commented that the updated job specification encompasses all that the Executive Director position entails.

Moved/Guerra, second/Kennedy, to close the public hearing and adopt the resolution approving the Revised Job Specification for Executive Director

Roll call vote:

Aye: 5 (Guerra, Kennedy, Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Mr. Nottoli asked what the recruitment process and projected timeline is.

Ms. Kossick answered now that the job specification has been approved, the City Manager and County Executive will work together with a recruiting firm to find candidates. The approximate time for the process is three months.

Mr. Nottoli asked what will happen in the intervening time; will Ms. Kossick bridge the time or will there be an Interim Executive Director appointed.

Ms. Kossick answered there have been internal interviews with the City Manager and the County Executive, and they will bring forward an internal candidate for an Interim assignment.

Mr. Nottoli commented it would be prudent to keep the Board apprised of the process. Mr. Nottoli asked if legal counsel has provided any advice on the topic.

Mr. Thatch replied he has had minimal involvement in the process.

Ms. Scherman expressed concern of the impact of the interim. She requested for Mr. Thatch to keep the board updated from a legal standpoint.

Mr. Thatch commented it has been awhile since the Agency has gone through the process of a new Executive Director. In the past the City Manager and County Executive have met with the Board in closed session to review the process. Mr. Thatch offered to connect with the City Manager and County Executive to arrange a closed session meeting to discuss the process of appointing a new Executive Director.

Mr. Guerra supported Mr. Thatch's suggestion to meet in closed session.

Mr. Kennedy, Mr. Nottoli, and Ms. Vang agreed to meet with the City Manager and County Executive in closed session.

3. Election of Officers of the Sacramento Employment and Training Agency Governing Board

Ms. Kossick explained the rotation of the Chair position is between the City and County on an annual basis. In keeping with this rotation, Mr. Guerra would become Chair and Mr. Kennedy would be Vice Chair.

Moved/Guerra, second/Vang, to elect Eric Guerra as Chair and Patrick Kennedy as Vice Chair for a one-year term to begin on November 5, 2021.

Roll call vote:

Aye: 5 (Guerra, Kennedy, Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

4. Approval to Purchase Agency Insurance for General Liability, Vehicle Liability, Umbrella Liability, Property, Crime, Inland Marine, Professional Liability, Employee Benefits, Sexual/Physical Abuse, Directors and Officer's Liability, Employment Practices Liability, Participant Accident, Flood, and Cyber

Ms. D'et Saurbourne reviewed this item and introduced Mr. Ken Johnson from Arthur J. Gallagher.

Mr. Johnson reviewed the commercial insurance. He noted the amount of natural disasters the world is experiencing have impacted the insurance industry.

Mr. Johnson reviewed the insurance quotes from Philadelphia and Hanover Insurance Company. Mr. Johnson has not yet evaluated Hanover's professional liability, and molestation and abuse forms. Once Mr. Johnson reviews those policies, Ms. D'et Saurbourne and the Executive Director will need to review the policies. Philadelphia maintains \$10 million for primary liability. Philadelphia's excess liability quote of \$5 million is a firm price. For the exorbitant liability, there is not yet a firm price. Mr. Johnson is looking for other providers, aiming for quotes around \$70,000-\$75,000. The crime and earthquake insurance renewed flat. Flood insurance has seen a significant increase; the renewal is 21 percent higher. The Agency added a new facility, which was not covered under the grandfathered National Flood Insurance Program (NFIP). The new warehouse facility was almost \$1 million to cover outside the NFIP. Accident and medical went down. Cyber liability is challenging, with insurance companies imposing minimum protections. The Workers Compensation insurance total cost will be significantly reduced.

Ms. Saurbourne said Arthur J. Gallagher is still working on the market to get the best pricing for SETA.

Moved/Nottoli, second/Kennedy, to approve the delegation of procurement authority to the Executive Director to purchase Agency Insurance for General Liability, Vehicle Liability, Umbrella Liability, Property, Crime, Inland Marine, Professional Liability, Employee Benefits, Sexual/Physical Abuse, Directors and Officer's Liability, Employment Practices Liability, Participant Accident, Flood, and Cyber

#### C. CHILDREN AND FAMILY SERVICES:

 Approval to Launch an Early Childhood Education and Childcare Sector Initiative and Authorize Staff to Identify and Pursue Funding, Execute Agreements, and Take Other Necessary Action in Furtherance of the Initiative

Ms. Denise Lee reviewed this item, which was developed from Mr. Guerra's proposed initiative at the previous board meeting. The Agency has engaged with multiple stakeholders as a preliminary step, reaching out to the Center of Excellence and Valley Vision in regards to a labor market assessment. Additionally, staff met with the ECE taskforce and multiple large stakeholders in the community to gather information on what is happening in the childcare sector and how we can move forward to be prepared as a region. The Agency also has been working closely with the new City Child Care Manager.

Mr. Guerra introduced Ms. Janine Cooper, the new City Child Care Manager, who is the additional staff support for the initiative.

The Agency is anticipating to release the Invitation for Sealed Bids on November 15<sup>th</sup>, pending a significant amount of feedback and approval from the City of Sacramento Planning Department. This is the second round of feedback. We anticipate final

feedback by mid-December, and then start construction by February 1<sup>st</sup>. Ms. Lee acknowledged Mr. Cody Capino, the lead project manager from Brailsford and Dunleavy.

Mr. Thatch clarified we are awaiting feedback from the City Building Department, not the Planning Department.

Moved/Nottoli, second/Scherman, to approve the Release of an Invitation for Sealed Bids.

Roll call vote:

Aye: 5 (Guerra, Kennedy, Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

The board went into closed session at 10:47 a.m. At 11:01 a.m., Ms. Scherman called the meeting back into open session and reported there was nothing to report.

#### IV. Information Items

- A. Fiscal Monitoring Reports: No Questions
- B. Employer Success Stories and Activity Report: No questions
- C. Dislocated Worker Update No Questions
- D. Unemployment Update/Press Release from the Employment Development Department: No Questions
- E. Head Start Reports

Mr. Kennedy asked if there is a reason why Sacramento City Unified School District (SCUSD) Head Start enrollment is at 45 percent of actual funding, which is far lower than Elk Grove Unified School District (EGUSD) and others.

Ms. Lee answered SCUSD, like most Head Start programs, has been struggling to bounce back after the COVID-19 pandemic. They have been put on corrective action, along with other delegate agencies who are under-enrolled. It is not uncommon for SCUSD to be under-enrolled, with enrollment usually around 80-90 percent. They did reach out to SETA for support with a more global marketing campaign and recruitment fair giveaways.

Ms. Lisa Carr commented that SCUSD is down staff and children. The grantee is working with them on recruitment.

Mr. Kennedy asked if SETA still has a connection to their board.

Ms. Lee answered we do not. SETA is currently doing a corrective action plan without holding funds for all delegate agencies. Starting in January 2022, SETA will start holding funds because flexibilities will end and the federal expectations for full compliance will begin. They will start counting four months of underenrollment. If by April the Sacramento County total remains under-enrolled below 98 percent, SETA would be put on a 12-month corrective action plan with the regional office. This is a national issue, not specific to Sacramento City.

Mr. Kennedy suggested for SETA to give a briefing to the SCUSD board. He offered his assistance as well.

Mr. Nottoli asked about the oral health care, referencing the need of dental treatment and dental treatment received. He noted Elk Grove district was a higher percentage at 40 percent compared to the 10-20 percent in other areas. Was there an anomaly and is there a concerted effort to see that those parents and children receive the appropriate dental, oral health care they need?

Ms. Lee replied she will follow up with Supervisor Nottoli on why the number is much larger as it relates to the total number of children needing care. She noted overall we struggled getting treatment completed due to the limitations of being in proximity and in-person services largely stopped. The Agency did a large dental fair in Sacramento in a variety of locations and may have identified more children that needed dental follow-up than in previous years.

#### ITEM III-A -1- ACTION

APPROVAL OF FINDINGS AND AUTHORIZATION TO EXTEND USE OF TELECONFERENCING PROCEDURES FOR BOARD MEETINGS DURING DECLARED STATE OF EMERGENCY AND/OR WHILE STATE OR LOCAL OFFICIALS CONTINUE TO IMPOSE OR RECOMMEND MEASURES TO PROMOTE SOCIAL DISTANCING

#### **BACKGROUND:**

California Governor Gavin Newsom has recently extended until December 31, 2021 the long-existing state of emergency related to COVID-19. Governor Newsom had previously authorized local agencies, by Executive Order, to conduct meetings under the Brown Act utilizing Zoom or other remote procedures to conduct meeting by modified teleconference procedures. Recently the legislature signed and passed into law AB 361, which amended Section 54953 of the Brown Act to similarly authorize teleconferencing of Board Meetings, provided necessary procedures are followed. The Governing Board on December 2, 2021 will be the first board meeting conducted utilizing the AB 361 Procedures, which are reflected in the Notice for the Board Agenda.

Under AB 361, in the event of disruption which prevents broadcasting of the meeting to members of the public using the call-in or internet-based service options, or in the event of a disruption which prevents members of the public from offering public comments, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting is restored.

AB 361 also authorizes public agencies to continue to hold subsequent meetings via teleconference procedures during any state of emergency that directly impacts the ability of the members to meet safely in person or while State or local officials continue to impose or recommend measures to promote social distancing. The Governor's declared continuing state of emergency remains active and continues to serve to protect members of the public from unnecessary risk and exposure to COVID-19. In addition, Sacramento County continues to follow recommendations of the federal CDC promoting social distancing outside of the home and especially indoors. Given these circumstances, in order to allow for the next Board meeting to be held by teleconference procedures consistent with AB 361, the Board must make the following findings no later than 30 days after the first teleconferencing meeting and every 30 days thereafter by majority vote:

- a The legislative body has reconsidered the circumstances of the state of emergency.
- b. Any of the following circumstances exists:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely in person.

#### ITEM III-A-1-ACTION (continued)

Page 2

ii. State or local officials continue to impose or recommend measures to promote social distancing.

#### **RECOMMENDATION:**

Authorize the continued use of teleconferencing for Governing Board meetings under AB 361, occasioned by the continuing state of emergency issued by Governor Newsom and the continuation of local and federal recommendations promoting social distancing outside of the home and especially indoors and, based thereon, make the following findings in support of this action:

- a. The Board has reconsidered the circumstances of the state of emergency.
- b. The following circumstances exist:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely inperson.
  - i. State or local officials continue to impose or recommend measures to promote social distancing.

PRESENTER: Legal Counsel

#### ITEM III-A-2 ACTION

ADOPTION OF THE LETTER OF UNDERSTANDING ON APPLICATION OF THE AMERICAN RECOVERY PLAN (ARP) FUNDS FOR EMPLOYEES IN THE HEAD START UNIT, THE CLERICAL, TECHNICAL AND ANALYTICAL UNIT, AND THE SUPERVISORY UNIT, AND BY REFERENCE THE BALANCE OF THE AGENCY

#### BACKGROUND

The American Federation of State, County, and Municipal Employees (AFSCME) and the Sacramento Employment and Training Agency (SETA) met on June 11 and 17, August 24, September 2, 7 and 29, October 18 and 28, and November 8, 2021 regarding the application of the Federal American Recovery Plan funds for Head Start and the implementation of the same benefit to Workforce. A tentative agreement was reached on November 8, 2021 with the three bargaining units represented by AFSCME, including the Head Start Unit, the Clerical, Technical and Analytical Unit and the Supervisory Unit. The ratification process took place on November 22, 2021.

The tentative agreement is consistent with the Federal Head Start regulations and does not impact customer services as it is incorporated into the annual holiday closure. The cost of the benefit Agency-wide is \$620,897.

Staff will be available to answer questions.

#### **RECOMMENDATION:**

Approve the Letter of Understanding implementing the ARP and other funds by granting holiday time up to thirty-two (32) hours to all SETA employees.

## APPROVAL OF PROCUREMENT OF THE AGENCY'S WORKERS' COMPENSATION INSURANCE

#### BACKGROUND:

The Agency's insurance policy for Workers Compensation expires December 31, 2021. SETA's broker, Arthur J. Gallagher & Co., is in the process of obtaining quotations for the coverage and will present an oral report at the meeting.

#### ITEM III - B-1- ACTION

## APPROVAL OF COMMUNITY SERVICES BLOCK GRANT (CSBG) FUNDING RECOMMENDATIONS FOR PROGRAM YEAR 2022

#### **BACKGROUND:**

On August 6, 2021, SETA released a Request for Proposals (RFP) for the CSBG program for program year 2022. The RFP solicited services under the Safety-Net, Youth and Senior Support, and Family Self-Sufficiency categories as identified in the 2022-2023 CSBG Community Action Plan. The amount of funding available for program services was estimated to be \$900,000, of which 39% was allocated to Safety-Net or short-term emergency services, 39% allocated to case-managed Family Self-Sufficiency services, and 22% allocated to Youth and Senior Support services.

The RFP included a special project to prevent or eliminate recidivism of felony or misdemeanor arrests in Sacramento County among African American youth 14-17. The successful proposals were eligible to receive up to \$50,000 under this service category. Success measures under this service area will include the number of project participants without a recidivating event during 180 days of project participation.

The deadline for receipt of proposals was September 16, 2021. Twenty-six (26) proposals were received by the 5:00 p.m. deadline, requesting a total of \$1,713,496. All twenty-six (26) proposals were evaluated.

#### **Evaluation Process:**

All proposals received through this solicitation went through a comprehensive review process to provide funding recommendations to the Community Action Board. Staff recommendations were developed through the deliberations of a team of ten (13) readers representing SETA's Workforce Development and Fiscal Departments, Contracts unit, and Head Start Department, a member from the City of Sacramento homeless services, in addition to one member from the Department of Human Assistance. The readers evaluated, scored and ranked each proposal using standardized evaluation and scoring criteria that were identified in the RFP. Proposals were scored and ranked into four categories based on their numerical score.

The top ranked proposals achieved their scores based on the following criteria:

- ➤ The proposing agency had a history of successfully operating the proposed program or a similar program, had sufficient leveraged funding, and demonstrated the establishment of collaborative partnerships.
- ➤ The proposing agency adhered to the service priorities set forth in SETA's 2022-2023 Community Action Plan.
- The proposing agency succeeded in achieving planned, contracted goals; or, if not previously funded by CSBG, the agency demonstrated a potential for success.
- The proposing agency demonstrated a need exists for the service.
- ➤ If applying for the Family Self-Sufficiency category, the proposing agency had a clear description of a case-management system and had a connection with the system of Sacramento Works America's Job Centers.

Staff also considered that all identified high-risk and underserved neighborhoods would have access to services and ensured that all identified target groups would be served. Due to limited availability of CSBG funding, only fifteen proposals are being recommended for funding.

World Relief and Opening Doors are new to regular year-round CSBG funding and are recommended for funding. Both agencies are funded under SETA's CARES Act funding.

All successful Safety-Net proposals are recommended with the stipulation that at least 70% of awarded funding be allocated for direct participant support services. As required in the RFP, Family Self-Sufficiency proposals are required to allocate a minimum of 15% of the awarded funding for direct participant support services.

All funding recommendations are made contingent upon successful agency status and performance by the end of calendar year 2021.

Attached are the resulting proposal rankings and staff funding recommendations. Proposal summaries and funding rationale will be submitted under separate cover.

The SETA Community Action Board approved the funding recommendations at its November 10, 2021 meeting.

#### **RECOMMENDATION:**

Approve staff funding recommendations for the Program Year 2022 Community Services Block Grant.

#### **2022 COMMUNITY SERVICES BLOCK GRANT PROPOSAL SUMMARIES**

<u>Proposal</u> <u>Number</u>	Proposer Organization
1	La Familia Counseling Center, Inc.
	(Youth and Senior Supports)
	Proposer requests \$100,000 to provide Project Reach services to 50 youth (10-21 years old) at risk of dropping out of school, and/or pre-gang or gang involved. Funded activities and resources are intended to increase academic progress in school, improve social and communication skills, help youth avoid risk-taking behavior, decrease truancy, and reduce involvement with the juvenile justice system.
	Staff recommends \$83,000 in funding for this proposal. La Familia has a long history of working with at-risk youth, gang and pre-gang youth, and their families, in target areas with a high density of gang-related activity.
2	Opening Doors
	(Safety-Net)
	Proposer requests \$60,000 to provide 135 low-income refugees, immigrants, asylees, Special Immigrant Visa holders and survivors of human trafficking with food and first month's rent assistance. Direct client resources comprise approximately 85% of requested funding.
	Staff recommends \$60,000 in funding for this proposal. Opening Doors provides comprehensive services to its target population; the proposed services would help this vulnerable population establish roots and thrive in Sacramento County.
3	South County Services
	(Safety-Net)
	Proposer requests \$61,775 to provide 124 households with food, transportation assistance, eviction avoidance, off-site emergency shelter, and utility assistance and reconnection. Direct client resources comprise 70% of the requested funding.
	Staff recommends \$25,656 in funding for this proposal. South County Services is the only agency providing services to the most southern, rural areas of Sacramento County, including Galt, and has provided valuable resources for the area.

4	River City Food Bank (RCFB)
	(Safety-Net)
	Proposer requests \$30,000 to provide 1,400 food insecure households with nutritionally balanced, culturally appropriate supplies of food for 3-5 days. Using a food choice model, the food bank provides food to all households, including medically fragile families, seniors, children, and people experiencing homelessness. Direct client resources comprise approximately 70% of requested funding.
	Staff recommends \$30,000 in funding for this proposal. RCFB's service delivery system is highly efficient, brought about by leveraging labor costs with volunteers and long-term experience in the client centered distribution of nutritious foods to low income individuals and families.
5	Elk Grove Food Bank
	(Safety-Net)
	Proposer requests \$75,000 to provide 600 food insecure households with food at the Dino Drive facility. These funds are particularly sought to purchase non-perishable protein and fresh produce, which are frequently in short supply. Direct client resources comprise 70% of requested funding.
	Staff does not recommend funding for this proposal due to insufficient funding available in this service category.
6	Sacramento Kindness Campaign (Safety-Net)
	Proposer requests \$43,000 to provide 84 households who are escaping domestic abuse, who are homeless or housing insecure, with off-site emergency shelter, eviction avoidance, first month's rent, and utility assistance and reconnection. Direct client resources comprise 82% of the requested funding.
	Staff does not recommend funding for this proposal. Sacramento Kindness Campaign's proposal was evaluated as "Rank 4" and therefore does not qualify for a CSBG funding award.
	a CSBG funding award.

7	The International Rescue Committee (IRC) (Self-Sufficiency)
	Proposer requests \$75,000 to assist 45 economically disadvantaged households (including 15 carryover clients) overcome significant barriers to employment through STEPS (Stabilize, Train, Employ, and Progress to Success), with a focus on low-income refugee and immigrant women with children aged 0-5 years. Proposed support services comprise almost 16% of IRC's funding request.
	Staff recommends \$75,000 in funding for this proposal. IRC proposes to work with an established employment program with an excellent track record, citing a 60% success rate in enrolled households reaching self-sufficiency and employment within six months of enrollment.
8	The International Rescue Committee (IRC)
	(Youth and Senior Supports)
	Proposer requests \$65,000 to provide 40 low-income English Language Learner high school youth returning to a pre-pandemic school environment with tutoring to address pandemic-related learning losses, and group mentoring to address life skills and socioemotional needs. Direct client resources comprise 15% of requested funding.
	Staff recommends \$65,000 in funding for this proposal. IRC proposes to work with an underserved youth population who run the risk of falling permanently behind as a result of pandemic-related educational and social integration concerns. The IRC has a strong history of successful programs locally and internationally.
9	Waking the Village (Self-Sufficiency)
	Proposer requests \$85,000 to provide housing to 45 homeless pregnant and parenting youth and their children with housing, case management, and support for the purpose of stabilizing households. The youth are connected with Sacramento Works Job Centers, education at the secondary or post-secondary level, mental and physical health care, parenting workshops, and other services as needed by the individual. Family services include free licensed child care or connection to Early Head Start. As required in this funding type, this request includes 15% of proposed funding as direct participant services, to be used for meals prepared on-site and served at Tubman House.
	Staff recommends \$80,000 in funding for this proposal. Waking the Village has provided transitional housing to this population since 2003. The agency's intensive case management, advocacy and mentoring model has led to high levels of self-

	sufficiency and outcomes for the youth and young children who participate in the agency's programs.

#### ITEM III-B-2-ACTION

APPROVAL TO AUGMENT FUNDS TO REFUGEE PROGRAM SERVICE PROVIDERS WITH RSS GRANT FUNDING FOR THE PROVISION OF HOUSING, UTILITY AND TECHNOLOGY ASSISTANCE, PROGRAM YEAR (PY) 2021-2022

#### **BACKGROUND**:

SETA's Refugee Program, operated under Refugee Support Services (RSS) grant funds received from the United States (U.S.) Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR), provides direct employment services intended to result in early economic self-sufficiency and reduced public assistance dependency of refugees through employment and acculturation assistance

In September, 2021, the Board approved the 2021-22 Program Year (PY) funding extension recommendations for SETA's RSS formula grant providers to continue the provision of Vocational English-as-a-Second Language combined with Employment Services (VESL/ES) and Employment Services (Stand Alone), VESL On-the-Job Training (VESL/OJT), and English Language Learner (ELL) Workforce Navigator services. The 2021-22 PY commenced on October 1, 2021, and will end September 30, 2022. It is expected that the \$5,600,865 in RSS funds awarded this year will serve 2,032 refugees.

In addition to approving the funding extensions of RSS grant providers, the Board approved the RSS COVID-19 Supplemental funding recommendations in the amount of \$215,392 for the provision of housing, utilities, and technology supports to refugees experiencing financial hardships due to the pandemic.

In anticipation of the RSS COVID-19 Supplemental funding being fully utilized by February, and in light of the expected increase in refugee arrivals to Sacramento County due to the Afghan evacuation crisis, SETA has identified \$699,008 in RSS grant funding for allocation to providers for the continued provision of housing, utility, and technology assistance through the end of the program year, September 31, 2022. As with the RSS COVID-19 Supplemental grant funding, these funds can be utilized to cover equipment or supplies that support virtual/remote learning efforts, virtual case management, and/or provide refugees access to technology and digital literacy.

Staff is recommending augmenting all RSS employment program providers based on the numbers of refugees they were awarded to serve under each RSS activity this PY multiplied by the cost per participant of \$344. The recommended funding details can be found in the attached charts.

#### ITEM III-B-2-ACTION (continued)

Page 2

#### RECOMMENDATION:

Approve staff augmentation recommendations under the Refugee Social Services (RSS) grant as reflected in the attached funding charts.

Additionally, approve the following stipulations:

- 1. All other available emergency assistance must be exhausted prior to the use of the RSS additional support services funding.
- 2. Only one adult per household may receive housing and utility assistance on behalf of the entire household.
- 3. Housing assistance amount per household must be based on Sacramento County's fair market value.
- 4. Assistance can only be used for current participant needs and cannot be used to "pre-pay" future housing and/or utility expenses.
- 5. Assistance can be provided in full or partial payments based on need.
- 6. Assistance cannot exceed \$8,000 per household per program year.
- 7. Funds must be spent by September 30, 2022.

# Reasons for Program Under Enrollment

#### **SETA**

- Families are not consistent in following through with enrollment process and appointments.
- Classes capped due to limited staffing at the following sites: Bannon Creek; Bright Beginning; Franklin; Fruitridge; Kennedy Estates; Nedra; North Ave; Solid Foundation; Strizek Park; Walnut Grove, enrollment vacancies totaling 160 slots. Spinelli and Florin have 80 enrollment slots vacant due to sites pending licenses. Combined 240 enrollment slots on hold, which account for 14% of the total enrollment.
- There is still hesitancy with families enrolling children due to Covid-19 exposure.
- Interested families are exceeding the income guidelines and need over income waivers.

# Sacramento City USD

• Interested families are exceeding the income guidelines, need for over income waivers has increased.

#### San Juan USD

- Inquiring families on waitlist are over income.
- Child Development staffing shortage. Hosted three (3) job fairs for teacher positions, low turnout of candidates.

# WCIC/Playmate

- Unable to recruit families during the traditional period in April for 21-22 program year due to Covid-19 restrictions staffed worked remotely, families not able to access site or staff in person for enrollment. Recruitment efforts with community partners (La Familia, Asian Resources, Boys' & Girls Club, Sacramento Food Bank, Well Space) started later as staff returned to sites in August.
- Parents not ready for their children to enroll for in-person classes, families hesitant to enroll for the 2021-2022 school year due to Covid-19.

## Summary of Strategies/Action Step(s) for Head Start & Early Head Start Countywide

To address the Child Development teaching staff shortage, Job Fairs were hosted to recruit candidates for various vacant teacher positions.

There is still hesitancy with families enrolling children due to Covid-19 exposure. Efforts have been made to provide families with resources on community Covid-19 testing and vaccination locations, site staff continue to monitor health and safety practices to prevent spread of illness within sites.

For recruitment opportunities of eligible families, the following community events were attended: Independent Living Program & Extended Foster Care Advisory Meeting; Community Engagement Center-Network Café; Celebrando Nuestra Salud-Free Health Screening; Halloween Extravaganza; Healthy Sacramento Day; Mutual Assistance Network Harvest Festival. SETA is in the process of working on a countywide marketing campaign to advertise in various media outlets to boost awareness and enrollment.
