Mr. Thatch reviewed this item. The declaration has continued for virtual platform meetings to hold through March 31, 2022.

2. Adoption of the Letter of Understanding on Application of the American Rescue Plan (ARP) Funds for Employees in the Head Start Unit, the Clerical, Technical and Analytical Unit, and the Supervisory Unit, and by Reference the Balance of the Agency

Ms. Noren stated the American Federation of State, County, and Municipal Employees (AFSCME) met nine times since June 11<sup>th</sup>, regarding the ARP funds. Ratification was held and passed on November 22, 2021. If approved the letter of understanding for ratification of extra holiday time during the agency closure can be implemented. With the board's approval the Agency would close December 23 through 31, and the use of staff accruals during this time would be reduced. The agency wide cost is approximately \$621,000.

Ms. Kossick clarified the item title should read American Rescue Plan (ARP).

Moved/Vang, second/Nottoli, to approve the Adoption of the Letter of Understanding on Application of the American Rescue Plan (ARP) Funds for Employees in the Head Start Unit, the Clerical, Technical and Analytical Unit, and the Supervisory Unit, and by Reference the Balance of the Agency

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

3. Approval of Procurement of the Agency's Workers' Compensation Insurance

Ms. Saurbourne stated the Agency's workers compensation insurance expires on December 31, 2021. Arthur J. Gallagher is still working to procure workers compensation insurance for 2022. Ms. Saurbourne introduced Mr. Ken Johnson, with Arthur J. Gallagher.

Mr. Johnson reviewed what was discussed at the previous meeting. He stated flood insurance is still being negotiated. Philadelphia Insurance company is no longer able to provide directors and officers liability, and employment practices liability insurance going forward. Philadelphia Insurance extended coverage for one additional year (2022). GuideOne Insurance stepped forward for next year and sent over a quote for auto insurance as well. GuideOne quoted at \$508,552.88 for Workers Compensation insurance; there are additional quotes being received.

Ms. Saurbourne said we have about \$100,000 savings this year. She asked the board to authorize for Gallagher to seek additional quotes in order for SETA to receive the best pricing and to authorize the Executive Director to purchase the workers compensation insurance for 2022.

Ms. Vang asked for clarification if the Interim Executive Director will be procuring and working on the workers compensation insurance.

Ms. Saurbourne replied yes.

Moved/Vang, second/Nottoli, to approve and authorize the Interim Executive Director to procure the Agency's Workers' Compensation Insurance.

Roll call vote:

Aye: 3 (Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

### B. WORKFORCE DEVELOPMENT DEPARTMENT

Community Services Block Grant:

 Approval of Community Service Block Grant (CSBG) Funding Recommendations for Program Year 2022

Ms. Davis-Jaffe reviewed the funding recommendations. SETA released a Request for Proposals (RFP) on August 26, 2021. The solicitation was to provide services for safety net, youth and senior support, and family self-sufficiency; as

identified in the in 2022-2023 Community Action Plan. The RFP included a special project for up to \$50,000 to prevent or eliminate recidivism, a felony or a misdemeanor arrest in Sacramento County among African American youth ages 14-17. There was one proposal received for this funding from a current provider. The proposal deadline was September 16, 2021. Once the proposals were received, a team of 13 individuals read the 26 received proposals. The team of readers included members of the SETA Workforce Development, Head Start and Fiscal Departments, Contracts Unit, the City of Sacramento Homeless Services, and the Sacramento County Department of Human Assistance. The readers ranked proposals based on the RFP's requirements. The SETA Community Action Board approved the recommendations on November 10, 2021.

Mr. Nottoli asked about the organizations that were funded that are now zeroed out and ranked two or three. What caused the drop off?

Ms. Davis-Jaffe replied the reading team based the rating on the agency's answers to the list of questions required by the RFP. Many of the current providers were on corrective action. The scores are not that low in the 80's and 70's. Unfortunately, there was not enough funding to reach everyone.

Mr. Nottoli asked for clarification if the agencies ranked two and three are all on corrective action plans.

Ms. Davis-Jaffe replied the majority are, however, they may not have received all possible points. The proposers may not have answered the question thoroughly enough.

Mr. Nottoli asked about corrective action plans.

Ms. Davis-Jaffe answered a majority of them were on a corrective action plan. There were challenges with the number of funding sources and how quickly those funds came in. There were also parts of the proposers' performance that did not meet required standards.

Mr. Nottoli asked if the money came too quickly and there was an inability to serve.

Ms. Davis-Jaffe replied the amount of funds received under CARES Act and FEMA, and figuring out how and where to spend it, might have exceeded their capacity which impacted performance this year. We tried to keep it focused on the data rather than subjective views on how the proposer does in the community.

Mr. Nottoli asked in regards to target areas, how does coverage for accessibility get taken into consideration in the recommendations?

Ms. Davis-Jaffe answered we do look at target areas and locations. We have been helping agencies by making referrals to them, even if they have a different target area, in order make sure the customers are being served.

Moved/Vang, second/Nottoli, to approve the Community Service Block (CSBG) Recommendations for Program Year 2022

Roll call vote:

Aye: 3 (Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

Ms. Scherman commented the agencies not included in this round seem to be located closely together. She expressed concerned for the South Sacramento area, as it is a key area. We need to keep an eye on them.

One Stop Services: None Refugee Services:

2. Approval to Augment Funds to Refugee Program Service Providers with RSS Grant Funding for the Provision of Housing, Utility and Technology Assistance, Program Year (PY) 2021-2022

Ms. O'Camb reviewed this item, which seeks approval to award approximately \$700,000 to refugee service providers to supplement the RSS COVID-19 Supplemental funding. This would allow for continued housing, utilities, and technology support though the program year ending September 30, 2022. The RSS COVID-19 Supplemental funding is anticipated to be fully utilized by the end of January 2022. In addition to the funding recommendations, the refugee program is seeking approval for seven funding stipulations.

Mr. Thatch commented the procurement is different than previously seen, as the Agency was directed by the funding source to fund our existing providers with this money, thereby avoiding prolonged procurement.

Moved/Vang, second/Nottoli, to approve the Augment Funds to Refugee Program Service Providers with RSS Grant Funding for the Provision of Housing, Utility and Technology Assistance, Program Year (PY) 2021-2022

Roll call vote:

Aye: 3 (Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

### C. CHILDREN AND FAMILY SERVICES:

 Approval to Submit Annual Refunding Application for Fiscal Year 2022-2023 to the California Department of Social Services

Ms. Denise Lee reviewed the annual refunding application with the state of California for the State's General Child Care/Infant and Toddler program, for just over \$ 3.6 million. Ms. Lee noted we split the action items into two because State services have been separated between the Department of Education (State Preschool) to the Department of Social Services (General Child Care/Infant and Toddler Services). Starting July 1, 2022, the Department of Education is operating the preschool programs, and the Department of Social Services is operating the infant/toddler programs.

Moved/Nottoli, second/Vang, to approve the submission of the application for continued funding for fiscal year 2022-2023 California Department of Social Services with a maximum reimbursement amount of approximately \$3.6 million.

Roll call vote:

Aye: 3 (Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

2. Approval to Submit Annual Refunding Application for Fiscal Year 2022-2023 to the California Department of Education

Ms. Lee reviewed this item, which is for the State's preschool programs. This item is similar to Item III-C-1 but represents the different funding sources for each application, starting July 1, 2022.

Moved/Vang, second/Nottoli, to approve the submission of the application for continued funding for fiscal year 2022-2023 California Department of Education with a maximum reimbursement amount of approximately \$3.6 million.

Roll call vote:

Aye: 3 (Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

 Approval of Budget Modification, Carryover Request and Submission of a Revised 1303 Facilities Renovation and Repair Application for Head Start and Early Head Start

Ms. Lee shared that the board reviewed and approved this item in February 2021. Since then the estimated cost of the Northview project has increased significantly. The new estimated cost is \$2.3 million. Head Start is using underspent funds that are eligible for carryover, and CARES Act funds that have already been carried over. The CARES Act funds need to be reprogramed from the Supplies cost category to Construction.

Mr. Nottoli asked for more detail in regards to the significant rise in cost.

Ms. Lee replied the original estimates were from the architectural firm in January 2021. There were additional upgrades that ultimately were eliminated to bring costs down, closer to \$1.7 million, however, with the increase in demand for construction workers, the short supply of sub-contractors, the rising costs of supplies and materials and general inflation, costs are estimated to be \$2.3 million. The Agency released the Invitation for Sealed Bids for general contractor services (IFSB) with the board's approval last month. Once we receive the bids, we will have a more accurate number for construction costs. The general contractor bids are due Thursday, December 16, 2021.

Mr. Thatch clarified this is not an RFP process for contractors, these are sealed bids. We will either award the lowest bidder, or regroup and rebid.

Mr. Nottoli asked did we put bid alternates for removed items, if bids came in lower.

Ms. Lee answered yes, we did. We have hired a project management firm to help, in particular through construction.

Moved/Vang, second/Nottoli, to approve a budget modification, in the amount of \$1,471,333, for Head Start and Early Head Start and carryover request, in the amount of \$1,621,333, and to submit a revised 1303 Facilities Renovation and Repair Application to the Office of Head Start/Administration for Children and Families.

Roll call vote:

Aye: 3 (Nottoli, Vang, Scherman)

Nay: 0

Abstention: 0

Absent: 2 (Guerra, Kennedy)

### IV. Information Items

A Fiscal Monitoring Reports: No Questions

- B. Employer Success Stories and Activity Report: No Questions
- C. Dislocated Worker Update
  - Mr. Walker stated that Fortuna BMC, scheduled to layoff 217 employees, has rescinded the layoff.
- D. Unemployment Update/Press Release from the Employment Development Department: No Questions
- E Head Start Reports

Ms. Lee reviewed a question Mr. Nottoli had at the November meeting regarding Elk Grove's dental exams reported in the 2020-2021 PIR.

Ms. Gricelda Ocegueda reviewed why there were high percentage rates for Elk Grove's failed dental results. Upon secondary review, we found that the reporting for Elk Grove was off; some children were marked as "failed" if they did not receive dental services, opposed to marking them as "not screened." To address this issue going forward we are providing EGUSD staff with the training to accurately document for the coming year.

Mr. Nottoli asked if there might have been a higher participation rate?

Ms. Ocegueda said we would have to go back to fix the data. It is best to move forward with proper documentation. We are working with the delegate agencies to make sure the documentation is done correctly.

Mr. Nottoli asked for clarification whether we had already picked up on the mishandling, and were working on it before he commented last month.

Ms. Ocegueda replied yes.

Mr. Nottoli asked if any other discrepancies were found with other delegates.

Ms. Ocegueda said there have been a few, with the COVID-19 pandemic. The Agency is getting back on track by training new staff and oversight.

Ms. Scherman inquired if there will be an addendum or footnote to reflect we caught the discrepancy and are fixing it. This might reflect to funders later on that the delegates are not doing well, which could then have negative impact.

Ms. Lee replied because these reports are available to the public and the Federal Government, we will make an amendment. We will go back to align with reporting. The regional office has to go in to allow us to make an amendment.

### F. SETA Children and Family Services Department Year-In-Review Presentation

Ms. Lisa Carr opened the year-in-review presentation for SETA Head Start. During the pandemic, parents felt isolated along with the children. We put out a data driven survey, which had a completion rate of 56 percent. What was gained from the survey was a need to help families feel more engaged, and smaller personal group meetings. We increased the ReadyRosie parenting curriculum. By March 2020, 70 percent of parents had accepted the invitation.

Ms. Karen Griffith reviewed remote learning. We created a mini amazon system to distribute hands-on learning materials to families. Families could drive in to drop off last week's learning materials and pick up the next week learning materials. Each packet was based on individual children's learning needs. Ms. Griffith reviewed child outcomes, comparing Program Year (PY) 2020-2021 (during COVID-19) to 2018-2019 (pre-COVID-19). Language and literacy were higher during remote learning. An area of focus for PY 2021-2022 is mathematics. There is a research study for social/emotional support utilizing trauma informed care. Moving forward, the Agency is making staff wellness a priority, focusing on professional development, not only with compliance, but coaching too. Head Start is partnering with Los Rios Community College and California State University, Sacramento.

Ms. Ocegueda reviewed the Head Start Health and Nutrition Services. Remotely we continued services, providing recipes and weekly meals. Head Start continued to accommodate special diet needs during the pandemic. Nutrition education services were provided for both Home-based and center-based families, along with staff. Head Start partnered with several state agencies with nutrition, food and dietetic programs. We continued health efforts by partnering with the UC Davis School of Nursing and Sacramento Department of Public Health to address childhood obesity. Efforts continued in the year with the Lead Awareness Project, partnering with the Sacramento County Department of Public Health on lead poisoning and prevention programs. One of the biggest focus areas was education on COVID-19 information, vaccination, testing, and what the centers are doing for prevention. A drive through clinic with the SMILES program was held. Ms. Ocegueda shared stories of several Head Startchildren.

Ms. Scherman commented on the stories of the children receiving glasses.

### <u>ITEM II-B – CONSENT</u>

### APPROVAL OF CLAIMS AND WARRANTS

Kathy Kossick, Executive Director, and Interim Executive Director have reviewed the claims for the period 11/24/2021 through 12/21/2021, and all expenses appear to be appropriate.

PRESENTER: Denise Lee

### ITEM II-C- CONSENT

### APPROVAL OF AN APPOINTMENT TO THE SACRAMENTO WORKS BOARD

### BACKGROUND:

The local Sacramento Works Workforce Development Board (WDB) was newly formed in early 2016 to comply with the 2014 Workforce Innovation and Opportunity Act (WIOA). As part of its action on February 4, 2016, the SETA Governing Board satisfied the desire for a smaller WDB by setting the size of the WDB at twenty-five members and allocated the twenty-five membership positions to the five membership categories in the following manner: Thirteen members were allocated to business (a majority of the membership); four members were allocated to Labor and Apprenticeship (at least 15% of the membership); six members were allocated to specific programs in the workforce system (community based organizations, Adult Education, Higher Education, Economic Development, Wagner-Peyser (EDD) and Vocational Rehabilitation); and two members were allocated to the "Other" category permitted by WIOA to provide the Governing Board with flexibility in appointing members in this catch-all category.

On March 3, 2016, the Governing Board appointed twenty-five members to the newly formed Sacramento Works WDB. The membershad staggered initial terms of two, three or four years. Extended terms from that time are a three-year term. In 2020, the request was made to add an additional economic development seat, which required adding another private business seat to keep the majority of the board representing the business community, as required in the WIOA. The Sacramento Works WDB considered the request to increase the board size by two and took action at its meeting on May 27, 2020, to increase the board size to twenty-seven. The current bylaws of the Sacramento Works, Inc. allow up to thirty board members.

Historically, SETA's Executive Director has served as a board member on the Sacramento Works WDB in the "Other" member category. Due to the retirement of Kathy Kossick, this slot is vacant and it is necessary to appoint SETA's Interim Executive Director, Ms. Denise Lee, to fill this vacancy. The application for Ms. Lee is being sent under separate cover.

### RECOMMENDATION:

Review the application and appoint Ms. Denise Lee, SETA's Interim Executive Director, to fill the seat vacated by Ms. Kathy Kossick.

PRESENTER: Roy Kim

### ITEM III-A -1- ACTION

APPROVAL OF FINDINGS AND AUTHORIZATION TO EXTEND USE OF TELECONFERENCING PROCEDURES FOR BOARD MEETINGS DURING DECLARED STATE OF EMERGENCY AND/OR WHILE STATE OR LOCAL OFFICIALS CONTINUE TO IMPOSE OR RECOMMEND MEASURES TO PROMOTE SOCIAL DISTANCING

### **BACKGROUND:**

California Governor Gavin Newsom has recently extended until March 31, 2022 the long-existing state of emergency related to COVID-19. Governor Newsom had previously authorized local agencies, by Executive Order, to conduct meetings under the Brown Act utilizing Zoom or other remote procedures to conduct meeting by modified teleconference procedures. Recently the legislature signed and passed into law AB 361, which amended Section 54953 of the Brown Act to similarly authorize teleconferencing of Board Meetings, provided necessary procedures are followed. The Governing Board on January 6, 2022 will be the first board meeting conducted utilizing the AB 361 Procedures, which are reflected in the Notice for the Board Agenda.

Under AB 361, in the event of disruption which prevents broadcasting of the meeting to members of the public using the call-in or internet-based service options, or in the event of a disruption which prevents members of the public from offering public comments, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting is restored.

AB 361 also authorizes public agencies to continue to hold subsequent meetings via teleconference procedures during any state of emergency that directly impacts the ability of the members to meet safely in person or while State or local officials continue to impose or recommend measures to promote social distancing. The Governor's declared continuing state of emergency remains active and continues to serve to protect members of the public from unnecessary risk and exposure to COVID-19. In addition, Sacramento County continues to follow recommendations of the federal CDC promoting social distancing outside of the home and especially indoors. Given these circumstances, in order to allow for the next Board meeting to be held by teleconference procedures consistent with AB 361, the Board must make the following findings no later than 30 days after the first teleconferencing meeting and every 30 days thereafter by majority vote:

- a The legislative body has reconsidered the circumstances of the state of emergency.
- b. Any of the following circumstances exists:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely in person.
  - ii. State or local officials continue to impose or recommend measures to promote social distancing.

### ITEM III-A-1-ACTION (continued)

Page 2

### **RECOMMENDATION:**

Authorize the continued use of teleconferencing for Governing Board meetings under AB 361, occasioned by the continuing state of emergency issued by Governor Newsom and the continuation of local and federal recommendations promoting social distancing outside of the home and especially indoors and, based thereon, make the following findings in support of this action:

- a. The Board has reconsidered the circumstances of the state of emergency.
- b. The following circumstances exist:
  - i The state of emergency continues to directly impact the ability of the members to meet safely in-person.
  - i. State or local officials continue to impose or recommend measures to promote social distancing.

RATFIFICATION OF THE SUBMISSION OF A WORKFORCE ACCELERATOR
APPLICATION TO THE CALIFORNIA WORKFORCE DEVELOPMENT BOARD AND
AUTHORIZE THE EXECUTIVE DIRECTOR TO EXECUTE THE AGREEMENT,
SUBGRANTEE AGREEMENTS, AND ANY OTHER DOCUMENTS REQUIRED BY
THE FUNDING SOURCE

### **BACKGROUND:**

The California Workforce Development Board (CWDB) and the Employment Development Department (EDD) have announced the availability of up to \$10.5 million in Department of Labor and Workforce Innovation and Opportunity Act (WIOA) funds to design, develop, and implement projects that will drive equitable recovery with quality jobs and accelerate employment and re-employment for California workers.

The Workforce Accelerator Fund supports innovative solutions that accelerate quality employment outcomes for low-income and disadvantaged populations and that have potential for system-wide scale. The application deadline is December 20, 2021.

On December 20, 2021, SETA, in partnership with the City of Sacramento and UC Davis, submitted a grant application for the Workforce Accelerator Fund 10 requesting funding for \$250,000 to support the "Aggie Square Community Workforce Pipeline Initiative", a strategic collaborative to prepare and connect the residents surrounding Aggie Square to employment opportunities resulting from Aggie Square. The Initiative will improve workforce and economic development infrastructure that responds to the current disconnect between community needs and relevant resources, and ensures equitable access and results by race and gender. This Initiative is the first step in preparing and developing the workforce pipeline needed to meet the City of Sacramento Community Benefit Partnership Agreement's 20-25% local hire requirement.

### **RECOMMENDATION:**

Ratify the submission of a Workforce Accelerator Fund 10 grant application requesting \$250,000 to the California Workforce Development Board and authorize the Executive Director to execute the agreement, subgrantee agreements, and any other documents required by the funding source.

PRESENTER: Terri Carpenter

### ITEM III-C-1- ACTION

# APPROVAL OF SELECTION OF GENERAL CONTRACTOR FOR TENANT IMPROVEMENT AND SITE WORK SERVICES FOR THE NORTHVIEW EARLY LEARNING CENTER

### **BACKGROUND:**

On November 4, 2021, the Governing Board approved to release an Invitation for Sealed Bid (IFSB) for General Contractor services for tenant improvement and site work at the Northview Early Learning Center, a SETA owned facility, located at 2401 Northview Drive, Sacramento CA.

On November 15, 2021, SETA released the IFSB with a due date of December 16, 2021 at 2:00 p.m. SETA received three (3) proposals, as follows:

Proposer	Base Bid Amount
Bobo Construction, Inc.	\$1,983,000
PNP Construction, Inc.	\$1,661,000
Landmark Construction	\$1,945,000

The IFSB also included an Additive Alternate #1, which consisted of replacing wall FRP at student restrooms (total of 3 between classrooms) with ceramic tile. Due to the Base Bid amounts, SETA staff is recommending to move forward with the work related to the Base Bid only and forgo Additive Alternate #1 unless additional funds are identified for the project.

Each proposal was reviewed for completeness and selection was based on the lowest total bid submitted for the Base Bid. Staff is recommending proceeding with PNP Construction, Inc. and executing an agreement in the amount of \$1,661,000 to provide tenant improvement and site work at the Northview Early Learning Center.

Staff will be available to answer questions.

### RECOMMENDATION:

Authorize the Executive Director to finalize and execute the agreement with PNP Construction, Inc. in the amount of \$1,661,000 to provide tenant improvement and site work at the Northview Early Learning Center.

PRESENTER: Denise Lee

# SACRAMENTO—ROSEVILLE—ARDEN-ARCADE METROPOLITAN STATISTICAL AREA (MSA) (EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES) Seasonal gains in retail trade led the region in month over iob growth

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 4.7 percent in November 2021, down from a revised 5.3 percent in October 2021, and below the year-ago estimate of 6.7 percent. This compares with an unadjusted unemployment rate of 5.4 percent for California and 3.9 percent for the nation during the same period. The unemployment rate was 4.1 percent in El Dorado County, 3.5 percent in Placer County, 5.1 percent in Sacramento County, and 4.3 percent in Yolo County.

**Between October 2021 and November 2021,** combined employment in the counties of El Dorado, Placer, Sacramento, and Yolo increased by 3,400 to total 1,020,300 jobs.

- Trade, transportation, and utilities (up 4,200 jobs) continued to gain employment from October to November. Retail trade (up 3,000 jobs) and transportation, warehousing, and utilities (up 1,200 jobs) were responsible for the increase.

## San Juan USD

- Due to lack of teachers/subs classes were capped at half capacity at Garfield, General Davie and Ralph Richardson, one class at Coleman is closed completely, and temporally paused on enrollment of new families until the end of November at these sites.

- Income guidelines are lower than the average family income applying for enrollment, the program needs over-income waivers.
- The uncertainty on the format of educational learning dictated the recruitment and enrollment schedule for the 21-22 program year, which started approximately three months later than usual due to COVID-19 restrictions.
