Mr. Thatch reviewed this item, which allows for virtual meetings during a state of emergency. This may terminate per the Bill in process. Once it expires, the Board will need to return to in-person meetings. This would affect the April 7, 2022 meeting. Recommendation would allow for one more virtual meeting.

Mr. Guerra asked if there are no new changes to the Board, just a renewal of current Board members.

Mr. Kim replied that is correct.

3. Approval of License for Facilities Use Agreement with the Highlands Community Charter School, and Authorize the Executive Director to Execute the Agreement

Mr. Kim reviewed this item. In 2014, the lease for the Franklin Boulevard Job Center expired. Since then, SETA has been paying rent month to month. In the middle of 2021, SETA started working with Lao Family Community Development, Highlands Community Charter School, and the Sacramento County Department of Human Assistance (DHA). Under this new plan, Highlands would be the lessee and would execute license for use agreements with SETA and Lao Family. Tenant improvements are underway; the move is anticipated in April 2022. SETA will pay up to \$2,000 in fees to use the facilities. DHA will move along with SETA. The new location is one block south of the current location.

Moved/Kennedy, second/Scherman, to approve the License for Facilities Use Agreement with Highlands Community Charter School, subject to final approval by legal counsel, and authorize the Executive Director to execute the agreement

Mr. Walker commented on the new Rancho San Miguel grocery store in Oak Park that opened yesterday. SETA was instrumental in the hiring of their employees; about 80 to 90 percent of individuals hired were from the Oak Park community.

#### C. Dislocated Worker Update:

Mr. Walker stated Emerald Textile is closing their plants in Pittsburg and Sacramento; they were formerly Elica. At the Sacramento location, there will be 112 employees affected. SETA will work with the employees to place them.

Mr. Guerra asked what is the timing for closure and the schedule to support the workers.

Mr. Walker replied the schedule starts now. The date of closure is March 19, 2022. SETA has already started working with the union and employer.

Mr. Guerra asked what communication is happening for training programs to help them focus into higher wage jobs, versus just trying to place them into another employment focus.

Mr. Walker replied SETA will reach out to employers looking for individuals that match the workers' skill sets. Wages stay the same.

Mr. Guerra asked what temporary status means regarding Sacramento Mattress King.

Mr. Walker said they experienced a fire. We are waiting for them to reopen. He will follow up on their anticipated reopening date.

Those who are exempt from the COVID-19 vaccine are testing weekly for COVID-19. Normal routines are starting to return to classrooms. Centers are moving back to family style meal services, reintroducing soft items into classrooms, and parents signing their children in and out of school in the classrooms, instead of outside/in the lobby.

Ms. Scherman asked about the purpose of self-service for meal time.

Ms. Lee replied it helps with self-help, dexterity and fine motor skills development.

#### **RECOMMENDATION:**

PRESENTER: Denise Lee

#### ITEM II-C - CONSENT

# APPROVAL OF NON-COMPETITIVE PROCUREMENT FINDING FOR LICENSE FOR FACILITIES USE AGREEMENT WITH THE HIGHLANDS COMMUNITY CHARTER SCHOOL

#### **BACKGROUND:**

In March 2014, the SETA Governing Board approved the release of an RFP for office and classroom space to provide Job Center services in the South Sacramento area. The RFP was distributed to over 50 real estate brokers in Sacramento County and SETA did not receive any proposals by the proposal submission deadline.

The Board extended the proposal deadline at its April 2014 meeting. Only one proposal was submitted by the extended deadline, and the Board further extended the proposal submission deadline at its June 2014 meeting. Three proposals were received by the additional extended deadline, but all three proposals were found to be non-responsive. As a result, the Board authorized a third extension to the deadline at its August 2014 meeting. SETA finally received one responsive proposal by this thrice extended deadline with a proposed location near West Stockton Blvd. and Elk Grove Blvd. At its September 2014 meeting, the Board authorized staff to enter lease negotiations. Negotiations commenced but were ultimately unsuccessful.

In September 2014, the office lease between SETA and Franklin Business Center Associates for property located at 7000 Franklin Blvd. (Franklin Job Center) expired. Since its expiration, SETA has continued to remain in possession of the premises on a month-to-month tenancy, while exploring other options for the operation of a Job Center in the South Sacramento area. The current rent for this location is approximately \$154,000 per year.

SETA staff, partners and real estate brokers have conducted exhaustive attempts to find comparable office space in the South Sacramento area since 2014, and have experienced unprecedented difficulty in finding available space.

In mid-2021, SETA was approached by Lao Family Community Development (Lao Family) and Highlands Community Charter School (Highlands), regarding approximately 11,142 square feet of shared office location at 3801 Florin Road that could function as a Sacramento Works Job Center. The location is approximately one city block south of the current Franklin Job Center location. Over the next few months, SETA, Highlands, Lao Family, and the County Department of Human Assistance, developed a plan whereby Highlands would enter into a lease agreement, then execute license for use agreements with the other parties.

On January 18, 2022, Highlands executed a lease agreement for the 3801 Florin Road office space. Tenant improvements are currently underway and it is anticipated that the

## <u>Item II-C-CONSENT</u> (continued) Page 2

space will be available to begin operating as a Sacramento Works Job Center by April 1, 2022.

Consistent with the original plan, SETA staff has negotiated a License for Use Agreement with Highlands authorizing SETA to use the Florin Road facility for the operation of a Sacramento Works Job Center. The terms of the agreement include the payment to Highlands of up to \$2,000 per month in license fees, for a maximum annual cost of not more than \$24,000, which will result in unprecedented cost savings to SETA of \$120,000 per year when compared to rent at the existing location. This unique opportunity provides SETA with the ability to leverage resources with Highlands and the other licensees and is not available from any other source.

Federal regulations and SETA's procurement policies authorize the use of non-competitive procurement when, after solicitation of a number of proposals, competition is deemed inadequate and the facilities are available from only a single source. Consistent with federal regulations and SETA's procurement policies, SETA has determined that non-competitive procurement is appropriate due to the lengthy and unsuccessful solicitation of proposals for office space in the South Sacramento area, and the availability of this office space from only a single source.

This finding is being made to support the Board's approval of the license agreement which was made at its March 3, 2022 meeting.

#### **RECOMMENDATION:**

In support of its approval of the license agreement at its March 3, 2022 meeting, the Board finds that non-competitive procurement of the License space at 3801 Florin Road is justified due to the to the lengthy and unsuccessful solicitation of proposals for office space in the South Sacramento area, and the availability of this office space from only a single source.

#### ITEM II-D-CONSENT

APPROVAL OF THE SUMMER TRAINING AND EMPLOYMENT PROGRAM
FOR STUDENTS (STEPS) CONTRACT EXTENSION WITH FOUNDATION
FOR CALIFORNIA COMMUNITY COLLEGES IN PARTNERSHIP WITH THE
DEPARTMENT OF REHABILITATION AND AUTHORIZE THE EXECUTIVE
DIRECTOR TO EXECUTE THE AGREEMENT, MODIFICATIONS AND FUTURE
EXTENSIONS, AND ANY OTHER DOCUMENTS REQUIRED BY THE
FUNDING SOURCE

#### **BACKGROUND**

In May 2021, SETA was awarded a \$350,000 grant through the California Department of Rehabilitation (DOR), in coordination with the Foundation for California Community Colleges (FCCC), to serve 70 students with disabilities ages 16-21 who have intellectual, physical, developmental, and/or mental health disabilities. The project successfully met all contract goals.

On March 15, 2022, SETA received notice that the DOR is renewing its agreement with FCCC to fund the STEPS Program beginning July 1, 2022. As a current grantee, SETA is eligible to extend its contract with the FCCC in the amount of \$350,000 to serve 70 students with disabilities. The Summer Training and Employment Program for Students (STEPS) will provide each student with 40 hours of employability skills training and placement with an employer in a paid work experience at \$15.00 per hour for up to 175 hours.

#### RECOMMENDATION:

Approve the contract extension with FCCC in the amount of \$350,000 to operate the STEPS program beginning July 1, 2022 through June 30, 2023 and authorize the Executive Director to execute the agreement, modifications and future extensions, and any other documents required by the funding source.

#### ITEM III-A -1- ACTION

APPROVAL OF FINDINGS AND AUTHORIZATION TO EXTEND USE OF TELECONFERENCING PROCEDURES FOR BOARD MEETINGS DURING DECLARED STATE OF EMERGENCY AND/OR WHILE STATE OR LOCAL OFFICIALS CONTINUE TO IMPOSE OR RECOMMEND MEASURES TO PROMOTE SOCIAL DISTANCING

#### **BACKGROUND:**

California Governor Gavin Newsom has issued long-existing state of emergency related to COVID-19, which remains in effect. Governor Newsom had previously authorized local agencies, by Executive Order, to conduct meetings under the Brown Act utilizing Zoom or other remote procedures to conduct meeting by modified teleconference procedures. In September 2021, the legislature signed and passed into law AB 361, which amended Section 54953 of the Brown Act to similarly authorize teleconferencing of Board Meetings, provided necessary procedures are followed.

Under AB 361, in the event of disruption which prevents broadcasting of the meeting to members of the public using the call-in or internet-based service options, or in the event of a disruption which prevents members of the public from offering public comments, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting is restored.

AB 361 also authorizes public agencies to continue to hold subsequent meetings via teleconference procedures during any state of emergency that directly impacts the ability of the members to meet safely in person or while State or local officials continue to impose or recommend measures to promote social distancing. The Governor's declared continuing state of emergency remains active and continues to serve to protect members of the public from unnecessary risk and exposure to COVID-19. In addition, Sacramento County continues to follow recommendations of the federal CDC promoting social distancing outside of the home and especially indoors. Given these circumstances, in order to allow for the next Board meeting to be held by teleconference procedures consistent with AB 361, the Board must make the following findings no later than 30 days after the first teleconferencing meeting and every 30 days thereafter by majority vote:

- a The legislative body has reconsidered the circumstances of the state of emergency.
- b. Any of the following circumstances exists:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely in person.
  - ii. State or local officials continue to impose or recommend measures to promote social distancing.

#### ITEM III-A-1-ACTION (continued)

Page 2

#### **RECOMMENDATION:**

Authorize the continued use of teleconferencing for Governing Board meetings under AB 361, occasioned by the continuing state of emergency issued by Governor Newsom and the continuation of local and federal recommendations promoting social distancing outside of the home and especially indoors and, based thereon, make the following findings in support of this action:

- a The Board has reconsidered the circumstances of the state of emergency.
- b. The following circumstances exist:
  - i. The state of emergency continues to directly impact the ability of the members to meet safelyin-person.
  - ii. State or local officials continue to impose or recommend measures to promote social distancing.

PRESENTER: Legal Counsel

#### ITEM II-A -2 -ACTION

# APPROVAL TO EXTEND AUDIT SERVICES AGREEMENT FOR FISCAL YEAR ENDING JUNE 30, 2022 AND AUTHORIZE THE EXECUTIVE DIRECTOR TO SIGN THE AGREEMENT

#### **BACKGROUND**:

On April 30, 2020, the SETA Governing Board approved the selection of Eide Bailly to provide audit services for one year with the option of extending the agreement for two additional one-year terms. The audit fee for the fiscal year ended June 30, 2020 was \$47,000. On April 1, 2021, the Governing Board approved the extension of the Audit Services Contract to cover the fiscal year ending June 30, 2021 for a fee of \$47,658. The agreement allows for an increase of 5% or the Consumer Price Index, whichever is smaller. The Consumer Price Index increased by 7.0% during 2021.

Staff is recommending extending the agreement for audit services in the amount of \$50,041 (\$47,658 x 5%) for the fiscal year ending June 30, 2022 which includes the single audit for two major federal programs. The current agreement also includes a provision for additional major program audits, if required, at an additional cost of \$4,000 each which staff recommends retaining in the extended agreement.

Additionally, the Governmental Accounting Standards Board (GASB) issued *Statement No. 87 Leases* (GASB 87) which goes into effect during the fiscal year ended June 30, 2022. The primary objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. Due to the complexity of the new requirements, and to ensure compliance with GASB 87, Eide Bailly will need to conduct additional testing and set-up that were not previously included in the scope of work. Staff is recommending to include up to an additional \$12,000 for GASB 87 related work. The additional cost would be invoiced based on actual hours worked.

#### **RECOMMENDATION:**

Approve the extension of the agreement with Eide Bailly for audit services for the fiscal year ending June 30, 2022, plus GASB 87 assistance, for a total amount up to \$62,041 for two major federal programs, plus \$4,000 for any additional major program audits if required, and authorize the Executive Director to sign the agreement.

PRESENTER: D'et Saurbourne

#### ITEM III-A -3- ACTION

APPROVAL OF TRUST RESOLUTION TO ADOPT THE AMENDED AND RESTATED MISSION SQUARE RETIREMENT 401(A) MONEY PURCHASE PLAN ADOPTION AGREEMENT AND AUTHORIZE THE EXECUTIVE DIRECTOR TO SUBMIT THE AGREEMENT TO MISSION SQUARE RETIREMENT AND TO TAKE OTHER ACTION REQUIRED TO FINALIZE THE AGREEMENT

#### **BACKGROUND:**

The Mission Square Retirement Governmental Money Purchase Plan ("401(a) Plan") is a defined contribution plan that allows employers to contribute a certain percentage of money each year to deposit into the eligible employee's retirement account. Mission Square Retirement was formerly known as International City Management Association Retirement Corporation (ICMA-RC). On July 12, 2021, ICMA-RC announced a rebranding to Mission Square Retirement. Plan documentation prior to July 12, 2021, still references ICMA-RC.

The SETA is a Plan Sponsor that uses the Mission Square Retirement 401(a) Plan to provide specified retirement benefits to exempt and confidential employees. On December 16, 1999, the Governing Board approved the adoption of an ICMA-RC 401(a) Plan for exempt management employees effective January 1, 2000. Subsequently, on October 5, 2000, the Board approved the compensation package for the Unrepresented Confidential and Management personnel that allowed confidential employees to participate in the 401(a) Plan effective January 1, 2001.

The IRS has a six-year review schedule for these types of retirement plans and the ICMA-RC 401(a) Plan was submitted for review in 2006 and 2012. Based on the IRS reviews, plan amendments can be required. In the past, ICMA-RC utilized a negative adoption process for plan amendments, which permitted them to become effective unless rejected by a Plan Sponsor. No affirmative action of a Plan Sponsor was necessary to effect required revisions to the 401(a) Plan.

In 2014, the ICMA-RC Trust received a favorable opinion letter from the IRS on its 2012 Plan – the ICMA-RC Governmental Money Purchase Plan and Trust document, which SETA utilizes. Rather than utilizing an amendment process, the IRS required that ICMA Plan Sponsors who use the ICMA-RC document must now affirmatively adopt a restated plan, rather than just an amendment. On April 7, 2016, the SETA Governing Board approved the restated plan. In order to continue compliance with IRS regulations, SETA must execute a new adoption agreement by July 31, 2022.

There are no substantive changes in the plan document. The new document incorporates amendments for legislative and regulatory changes. None of the changes will have any financial impact on SETA as a Plan Sponsor.

#### ITEM III-A-3-ACTION (continued)

Page 2

Currently, the Agency contributes four percent (4%) of salary to the 401(a) Plan for exempt management employees, with a mandatory employee contribution of three percent (3%) of salary to the Plan. The Agency also contributes two percent (2%) of salary to the 401(a) Plan for confidential employees, with no required contribution. The plan participants may also contribute up to ten percent (10%) of additional after-tax dollars into the 401(a) Plan. Under the restated 401(a) Plan, these contribution criteria will remain the same as set forth in Attachment A of the Amended and Revised 401(a) Plan

As part of the adoption process, Mission Square Retirement requires an affirmative statement or a resolution to adopt the Amended and Restated 401(a) Plan. Attached is a copy of the plan and a resolution for the Board to adopt the plan. The plan approval process provides for electronic submission of the plan to Mission Square Retirement for final review and approval.

#### **RECOMMENDATION:**

Approve the Resolution to Adopt the Amended and Restated Mission Square Retirement Governmental Money Purchase Plan Adoption Agreement and authorize the Executive Director to submit the plan document to Mission Square Retirement for final review and approval and to take any other action necessary to finalize the Agreement.

PRESENTER: D'et Saurbourne

	(Note: An alternate effective date can be no earlier than the first day of the Plan Year in which the Plan is adopted.)

III.	PLAN YEAR
	The Plan Year will be:
	[X] January 1 – December 31 ( <i>Default</i> )
	[ ] The 12 month period ending
	Month Day

IV.	Normal Retirement Age shall be age 65 (not less than 55 nor in excess of 65).
	Important Note to Employers: Normal Retirement Age is significant for determining the earliest date at which the Plan may allow for in-service distributions. Normal Retirement Age also defines the latest date at which a Participant must have a fully vested right to his/her Account. There are IRS rules that limit the age that may be specified as the Plan's Normal Retirement Age. The Normal Retirement Age cannot be earlier than what is reasonably representative of the typical retirement age for theindustry in which the covered workforce is employed.
	In 2016, the Internal Revenue Service proposed regulations that would provide rules for determining whether a governmentalpension plan's normal retirement age satisfies the Internal Revenue Code's qualification requirements. A normal retirement agethat is age 62 or later is deemed to be not earlier than the earliest age that is reasonably representative of the typical retirementage for the industry in which the covered workforce is employed. Whether an age below 62 satisfies this requirement dependson the facts and circumstances, but an Employer's good faith, reasonable determination will generally be given deference. Aspecial rule, however, says that a normal retirement age that is age 50 or later is deemed to be not earlier than the earliest agethat is reasonably representative of the typical retirement age for the industry in which the covered workforce is employedif the participants to which this normal retirement age applies are qualified public safety employees (within the meaning ofsection 72(t)(10)(B)). These regulations are proposed to be effective for employees hired during plan years beginning on orafter the later of: (1) January 1, 2017; or (2) the close of the first regular legislative session of the legislative body with theauthority to amend the plan that begins on or after the date that is 3 months after the final regulations are published in theFederal Register. In the meantime, however, governmental plan sponsors may rely on these proposed regulations.

In lieu of age-based Normal Retirement Age, the Plan shall use the following age and service-based Normal	
Retirement Age	

*Important Note to Employers:* Before using a Normal Retirement Age based on age and service, a plan sponsor should review the proposed regulations (81 Fed. Reg. 4599 (Jan. 27, 2016)) and consult counsel.

#### ITEM III-A-4-ACTION

APPROVAL TO NEGOTIATE AN AGREEMENT WITH THE CITY OF SACRAMENTO FOR THE AGGIE SQUARE COMMUNITY WORKFORCE AMBASSADOR PROGRAM, AND AUTHORIZE THE EXECUTIVE DIRECTOR TO EXECUTE THE AGREEMENT, MODIFICATIONS, AND ANY OTHER DOCUMENTS REQUIRED BY THE FUNDING SOURCE, SUBJECT TO LEGAL COUNSEL APPROVAL

#### BACKGROUND

Aggie Square is a \$1.1 billion project located at the UC Davis Sacramento campus near Stockton Boulevard and Broadway. Unlike the typical university campus, the project will locate private industry and community organizations alongside university programs. Aggie Square will create a state-of-the-art hub for research, innovation and education, designed to propel inclusive economic development for Sacramento neighborhoods and for the greater region.

The City of Sacramento, Office of Innovation & Economic Development (OIED) is requesting the administrative and project management services of SETA's Workforce Development Department, to oversee and implement the City's Aggie Square Community Workforce Ambassador Project.

Under the project design, the City of Sacramento will provide SETA with \$250,000 to support an initial six-month effort. The Sacramento Works Job Centers operated by community-based organizations, and other designated service providers within the Aggie Square project area, will serve as Hubs for Community Ambassadors. These Hubs will work with local community members as ambassadors, to conduct outreach through an employment-needs survey, to ensure that local residents are meaningfully engaged in the Aggie Square development. The Hubs will have expertise in managing/coordinating outreach activities and will be responsible for the selection of Community Workforce Ambassadors that are connected to the local community. Hubs will coordinate all training, deployments and tracking of metrics and outcomes of Workforce Ambassador activities.

This agreement between the City's Office of Innovation & Economic Development and SETA's Workforce Development Department is critical to the implementation of the Aggie Square Workforce Ambassador Project, and will provide a strong foundation for necessary employment resources and services to prepare local residents for the current and emerging jobs in the Aggie Square project area.

#### RECOMMENDATION:

Approve the negotiation of an agreement with The City of Sacramento for the Aggie Square Community Workforce Ambassador Program, and authorize the Executive Director to execute the agreement, modifications, and any other documents required by the funding source, subject to legal counsel approval.

PRESENTER: Terri Carpenter

#### ITEM III-A-5- ACTION

# APPROVAL OF SELECTION OF JANITORIAL COMPANIES AND AUTHORIZE THE EXECUTIVE DIRECTOR TO NEGOTIATE WITH EACH VENDOR AND EXECUTE EACH AGREEMENT

#### **BACKGROUND**:

On January 7, 2022, SETA released a Request for Proposals (RFP) to procure janitorial services for the Children and Family Services Department. The RFP solicited janitorial services for thirty-six (36) Early Learning Centers and one central kitchen. Under the terms of the RFP, the resulting contract(s) will be of 2-year duration, with three 1-year extension options, subject to the right of either party to terminate the contract upon ten (10) days written notice. A Public Notice announcement was posted in the Sacramento Bee and on the SETA website. SETA emailed and faxed copies of the Public Notice and RFP to twenty (20) janitorial companies, including SETA's current janitorial contractors, and the RFP was available to download from SETA's website. On January 21, 2022, an Offerors' Conference was held with three janitorial companies in attendance.

The RFP outlined eight Groups of early learning center locations and one central kitchen location for which proposals could be submitted for evaluation. Five (5) companies submitted proposals by the deadline of February 10, 2022 – Custom Hi Tech, J's Janitorial Cleaning Service, MCH Building and Maintenance, New Generations and TEE Janitorial & Maintenance. Three of the five proposers are current janitorial contractors with SETA.

The proposal evaluation committee, consisting of individuals from SETA's Children and Family Services Department, Fiscal Department and Facilities Unit evaluated and ranked each proposal submitted, including consideration of each company's responsiveness, cost, experience, size and structure, and past performance. Rankings for each Group and staff recommendations are attached.

The results of the ranking were reviewed to determine best fit and reasonable price for each Group. SETA currently has three contractors providing janitorial services to its early learning centers – New Generations, Custom Hi Tech and MCH Building and Maintenance. Since SETA has multiple locations, it is in the program's best interest to not be tied to one company for all centers. Based on the ranking of each proposal, staff are recommending to maintain services with two of the three current contractors – Custom Hi Tech and New Generations. These two contractors scored highest on the proposals and have the two lowest proposed costs. To balance the workload and provide consistent services to the early learning centers, the Groups were divided between the two highest scoring proposers.

Staff will be available to answer questions.

# ITEM III-A-5-ACTION (continued) Page 2 **RECOMMENDATION** Approve the selection of companies for each Group for janitorial services for the SETA Head Start/Early Head Start early learning centers and central kitchen and authorize the Executive Director to negotiate and execute each agreement.

#### PREVIEW OF THE SETA WEBSITE REDESIGN

#### **BACKGROUND**:

Board members, partners, stakeholders and community members have stated that clarity is needed on what SETA's programs and services are, how customers benefit from them, and how SETA invests in the community.

One of the most visible vehicles SETA has to communicate to the public is its website. In March 2021, SETA's leadership team began working with a local copywriter and EMRL, SETA's website design and maintenance vendor, on a website redesign that:

- Clarifies SETA's programs/services
- Shares success stories
- Demonstrates SETA's long history of community investment

SETA staff and EMRL will provide a preview of the SETA website redesign.

# REPORT ON AMERICAN EXPRESS CORPORATE ACCOUNT REWARDS POINTS PROGRAM AS OF DECEMBER 31, 2021

#### BACKGROUND:

Since 2003, SETA has maintained an American Express (AMEX) Corporate Account used for travel, online payments, and miscellaneous purchases. The AMEX account has allowed staff to more timely pay invoices and reduced the volume of transactions that flow through the County Department of Finance.

In January, 2010 SETA added the Membership Rewards program to its AMEX account, which allows SETA to accrue one point for every dollar charged on its AMEX account. In January, 2011 the SETA Governing Board approved the implementation of the American Express Corporate Account Policy and Procedure, including the use of the AMEX points to defray Agency travel and other costs, provide supportive services and incentives to enrolled customers, and provide employee recognition, board recognition and employee health and wellness activities.

Attached for your information is the American Express Corporate Account Rewards Points Program for the period ending December 31,2021.

Staff will be available to answer questions.

RE: SETA Quality Assurance/Monitoring Results – February 2022

Agency	Program Monitored	Details	Review Period	Monitoring Purpose
Elk Grove Unified School District	Head Start Center-based Prairie (2) Irene.B. West (2) Leimbach (2) Markofer (2)	4 centers 8 classes 18 files	Feb 1-25, 2022	Comprehensive Review  Initial Follow-up Special Final

This monitoring review was performed using the 2019 Monitoring for Compliance and Quality Improvement tool (MCQI). MCQI is comprised of 21 monitoring checklists representing performance indicators aligned with the Head Start Program Performance Standards (HSPPS), the Head Start Act, Community Care Licensing, and other local, state and federal regulations.

#### Highlighted Program Strengths and Positive Observations:

- Monitors observed classroom inclusion where children with disabilities and typically developing children participated equally and are engaged with others in the various classroom activities.
- Classes have very well-organized learning activities and lessons.
- Review of child assessment data reflects that goals and activities are supporting the continued development of the child. In the Desired Results Developmental Profile (DRDP), there are videos, photos, writing, and art that demonstrate teachers consistently and closely work with children and parents.
- Program has systems in place for enrollment with strong program operation procedures. It is
  evident that there is tracking, reporting and engagement in meeting funded enrollment.
- Family Partnership Agreements (FPA) were detailed and showed a system in place that was easy
  to follow. It was evident that the program was setting goals with individual families, conducting
  quarterly follow-ups, and providing resources to families.
- Wonderful conversations between children and staff were observed during meal times.

#### **Follow-up and Corrective Action Plans:**

A program-level Corrective Action Plan (CAP) to address above areas of non-compliance is due to SETA within 45 days of receipt of this report. Governing Board/School Board notification of monitoring results is within 60 days.

#### Strengths:

Overall improvement in majority of indicators. Please see those indicators highlighted in yellow. They have improved from last review of September of 2021. The error rate was greatly reduced for some indicators.

#### Organization:

There is a structure in place for the organization of documents uploaded into the digital file recordkeeping system. Some files even had a checklist for the files that were uploaded. Documents on record were labeled and provided an easy flow to follow.

#### Improvements on:

- Collection of required documents for enrollment eligibility, especially for self-employment proof documents.
- Documentation of information on application and/or eligibility, especially for single parent certification.
- Completion of the Notice of Action.

## **Overall Compliance**

#### Reasons for Program Under Enrollment

#### **SETA**

- Small percentage of families contacted for enrollment requesting to wait until the 2022-2023 program year due to uncertainty of Covid-19 exposure. However, there has been a steady increase in enrollment monthly by 2-3%.
- Classrooms capped due to limited staffing at the following sites: 16th Ave; Florin; Hiram; North Ave; Spinelli; Walnut Grove totaling 122 enrollment slots.
- Sites in area code of 95824, 95820 and 95690 continue to report waitlist with 0 or < 10 families. Family Service Workers have reported 2 out of 10 families contacted weekly on waitlist have relocated away from Sacramento.
- The 10% over income maximum has been met at this time. Over income waivers capped with the exception of families transitioning from Early Head Start to Head Start for continuity of care.

#### Elk Grove USD

- Limited teaching staff has led to the absorption of enrolled students throughout classrooms. Additional staff is needed for licensing and ratio caps.
- Low interest in enrollment at Prairie and William Daylor. Waiting list at Prairie and William Daylor continue to be exhausted.

#### Sacramento City USD

- Enrollment Technicians are working with families that have started the enrollment process but need follow-up on eligibility documents in order to complete enrollment.
- Exhausted waiting list at the following sites: Isador Cohen, James Marshall, John Bidwell, John Cabrillo, Lisbon, Pacific and Susan B. Anthony.

#### San Juan USD
