## IV. <u>Information Items</u>

#### A. Fiscal Monitoring Reports

Mr. Garcia asked how often the fiscal reports are done. Ms. Davis-Jaffe replied that fiscal monitoring is done once a year but if there are issues, staff can do it more often.

## B. Update on Organizational Standards

These were reviewed at the last meeting. The documents will be provided to operators to meet one of the standards. The report reflecting the expenditures submitted by operators was reviewed. Staff is currently in conversation with the Sacramento Urban League and South County Services to get their data submitted to SETA. Roberts Family Development Center is in the process of submitting their billing; they have provided services and there are a couple of programs that will usually bill for their services in August.

Mr. Migge stated that the first meeting he attended last year there were issues with Roberts Family Development; things have apparently not approved. Ms. Davis-Jaffe replied that Mr. Darrel Roberts came and spoke to the board and all programs are being monitored to ensure they are meeting their contracted goals.

Ms. Dozier inquired why programs are not spending all of their allocated funding. Ms. Davis-Jaffe replied that programs bill on different intervals. The reports are provided to the state on a semi-annual basis.

## C. Community Services and Development On-Site Monitoring Report

Ms. Davis-Jaffe reported that Ms. Katie Walker has recommended to other agencies that they come to view how SETA operates. # 2015 COMMUNITY SERVICES BLOCK GRANT PROGRAM OPERATOR MONITORING REPORT

## **BACKGROUND**:

The Program Monitoring Reports for 2015 CSBG operators will be sent under separate cover.

Staff will be available to answer questions.

#### ITEM IV- C - INFORMATION

# UPDATE ON COMMUNITY SERVICES BLOCK GRANT ORGANIZATIONAL STANDARDS

#### BACKGROUND:

Beginning October 1, 2015, SETA begins the full implementation of 58 Community Services Block Grant (CSBG) Organizational Standards established through a partnership of Community Action Agencies and the U.S. Office of Community Services, a department of the Administration for Children and Families. These Standards represent agreed-upon best practices for Public Community Action Agencies like SETA and are mandated by the State of California, Department of Community Services and Development.

#### **STANDARDS**

**Standard 4.1** establishes that the Community Services Department, and specifically the Agency's Community Action Board (CAB), has a mission statement that addresses poverty and that all CSBG programs and services are aligned with the mission. This can be accomplished during a meeting of the entire board or by a subcommittee appointed by the chair, for that purpose. The results of the "Mission Statement" committee would then need to be approved by the CAB as an action item during a regularly scheduled public meeting, to allow for discussion and any input from the public.

**Standard 6.1** establishes that a Strategic Plan for planning, implementing and evaluating CSBG services in Sacramento County be current within the last 5 years, or in the process of being developed. Criteria for developing a strategic plan specific to the provision of CSBG services in Sacramento County will be presented by staff.

**Standard 9.1** establishes that all CSBG agencies will have a process in place for the tracking and reporting of client demographic information and the services households receive. Staff will present the SETA Delegate Agency reporting system, for review by the CAB.

#### **Program Operator: Roberts Family Development Center**

#### **Findings and General Observations:**

- 2) The total costs as reported to SETA from July 1, 2014 to December 31, 2014 have been traced to the delegate agency records. The records were verified and appear to be in order.
- 3) We have noted that there are minor issues with supporting documentation. Specific examples include not all supporting documents were attached to expenditures reviewed but were provided when asked. These expenditures were tested and appropriate individuals were knowledgeable and could answer any questions regarding the missing data. While these issues do not have any material effect on the program expenses, it is recommended that Roberts Family Development Center develops and implements thorough written documentation procedures to ensure expenditures are supported with appropriate documentation and to ensure all costs are allowable.

#### **Recommendations for Corrective Action:**

1) Provide SETA with documentation demonstrating what internal controls have been implemented to ensure supporting documentation is complete and immediately available upon request.

#### ITEM V - REPORTS TO THE BOARD

## A. CHAIR'S REPORT

The Chair of the SETA Community Action Board on a regular basis receives numerous items of information concerning legislation, current programs and agency activities.

The important information from the material received and meetings attended will be shared with the entire Board and the method proposed by the Chair is to give a verbal report at each regular meeting. It will also allow time for the Board to provide input on items that may require future action.

#### B. EXECUTIVE DIRECTOR'S REPORT

This item is set aside to allow the Executive Director of the Community Action Program to report to the Board on any items of important information or to deal with special requests which need to be addressed but, because of time constraints, were not included in the formal SETA Community Action Board packet.

The Executive Director's Report also allows the opportunity for the Executive Director to apprise the Board of upcoming events, significant agency activities, or conferences.

#### C. PROGRAM MANAGER

This item provides an opportunity for Ms. Julie Davis-Jaffe, the CSBG program manager, to provide an oral report on issues not included in the agenda packet.

#### D. MEMBERS OF THE BOARD

This item provides the opportunity for SETA Community Action Board members to raise any items for consideration not covered under the formal agenda. It also provides the opportunity for Board members to request staff to research or follow up on specific requests or to ask that certain items be placed on the next agenda.

## E. PUBLIC PARTICIPATION

Participation of the general public at SETA Community Action Board meetings is encouraged. Members of the audience are asked to address their requests to the Chair, if they wish to speak.
