

REVISION

Workforce Innovation and Opportunity Act (WIOA) Request for Proposals (RFP) Offeror's Conference

Thursday, March 14, 2024

Q & A

1. If we are applying for Adult and Dislocated Worker, do we need to submit separate budgets? ***Correction: No, only one Budget and Cost Allocation Plan, Exhibit D, is to be submitted with your proposal. Proposed budgets submitted will be evaluated for both Adult and Dislocated Worker services.***
2. Any feedback on any limits on indirect costs, profit and/or management fees? Indirect costs must be supported by an approved indirect cost rate agreement. Profit is considered program income and must be expended on the program.
3. Is it SETA's intent to award multiple contracts/funding? SETA will award contracts/funding based on the proposals submitted and the funds available for allocation. The intent is to provide as comprehensive coverage as possible throughout Sacramento County targeting underserved and vulnerable communities/neighborhoods.
