GENERAL INFORMATION/GUIDELINES

SACRAMENTO EMPLOYMENT AND TRAINING AGENCY (SETA) REQUEST FOR PROPOSALS (RFP)

Janitorial Services to Head Start Program

1.1.1 BACKGROUND

The Sacramento Employment and Training Agency (SETA) is a joint powers agency of the City of Sacramento and Sacramento County that administers state and federally-funded human services programs throughout Sacramento County. The programs, for economically disadvantaged persons, include job training and employment assistance under the federal Workforce Innovation and Opportunity Act (WIOA), as amended; the Refugee Support Services; human services under the Community Services Block Grant and educational programs under the Head Start Act.

Respondents should be aware that SETA's activities, as well as those of any SETA-funded subrecipient or contractor, are subject to any modifications required by Head Start and its regulations, Federal and State legislation and their regulations, and SETA policies.

Funds for this Request for Proposals (RFP) are provided to SETA by the Administration for Children and Families (ACF), Department of Health and Human Services (HHS). Janitorial services, awarded as a result of this RFP, will be provided to early learning centers and kitchen facilities for the Head Start/Early Head Start program.

Head Start is a federally-funded national program providing comprehensive developmental services primarily to low-income infants, toddlers, preschool children and their families. The intent of Head Start is to assist enrolled children to their fullest potential through the provision of comprehensive health, nutrition, education, social and other services. In addition, Head Start programs are required to encourage and provide for the direct participation of parents of enrolled children in the development, conduct and direction of local programs. Further, Head Start legislation also mandates that a minimum of ten percent of all available enrollment opportunities be afforded handicapped children to be served in a Special Education component.

SETA presently funds five (5) County-wide Head Start delegate agencies and two (2) partners, in conjunction with directly administering the operation of thirty-nine (39) of its own grantee-operated centers.

1.1.2 PURPOSE OF SOLICITATION

The purpose of this Request for Proposals (RFP) is to solicit, from qualified applicant agencies, proposals designed to provide janitorial services for thirty-six (36) Head Start sites and one central kitchen.

1.1.3 QUALIFIED APPLICANT AGENCIES

- Established community-based organizations
- Public agencies
- Private for-profit entities
- Private non-profit agencies/institutions
- Educational institutions

SETA is an equal opportunity employer and contractor and does not discriminate in contracting on the basis of marital status, age, race, creed, color, gender, gender identity, sexual orientation, veteran status, disability or physical or mental condition, religion, national origin or ancestry, political affiliation or belief, heritage, or any other characteristic protected by law. In order to comply with federal procurement regulations and SETA's Procurement Policies, consideration in the contracting process will be given to small and minority-owned firms, women's business enterprises and labor surplus area firms, all of which are encouraged to respond to this Request for Proposals.

1.1.4 MBE/WBE PARTICIPATION

SETA encourages the utilization of Minority Business Enterprises (MBE) and Women's Business Enterprises (WBE) in the procurement of goods and services whenever possible. To encourage the participation of MBE/WBE businesses in its procurement, SETA actively solicits qualified MBE/WBE businesses to respond to its Requests for Proposals. If subcontracting is anticipated for services, SETA requires respondents to demonstrate good-faith efforts to obtain qualified MBE/WBE subcontractors. For this Request for Proposals, subcontracting of services will not be allowed and, therefore, no good-faith efforts will be required. Nevertheless, to assist SETA in monitoring its usage of qualified MBE/WBE firms, certified MBE/WBE businesses should submit proof of such certification with their response to this Request for Proposals.

To qualify for MBE/WBE status, a respondent must be certified as an MBE and/or WBE by the City of Sacramento, Office of Minority, Women and Small Business or such other agency that provides for comparable certification consistent with Part 23 of Title 49 of the Code of Federal Regulations (CalTrans and the Sacramento Regional Transit Authority are examples of such comparable certification agencies). For purposes of this provision, the following definitions apply:

MBE: An MBE must be an independent business concern which is at least 51% owned and controlled by a minority group member. Ownership and control are measured by a variety of factors including: (1) responsibility for performance of the work; (2) management responsibility and control; (3) at least 51% share of profits and risks; (4) other data (such as voting rights) that may be related to ownership and/or control. Minority individuals who qualify for consideration in the establishment of an MBE are listed below:

- (1) Black Americans: persons having origins in any of the black racial groups of Africa;
- (2) Hispanic Americans: persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish or Portuguese culture or origin regardless of race;
- (3) Native Americans: persons having origins in any of the original peoples of North America;
- (4) Asian/Pacific Islanders: persons whose origins are from Bangladesh, Cambodia, China, Guam, India, Indonesia, Japan, Korea, Laos, Malaysia, Northern Marianas, Pakistan, Philippines, Samoa, Singapore, Taiwan, the U.S. Trust Territories of the Pacific and Vietnam.

WBE: A WBE must be an independent business concern which is at least 51% owned and controlled by a woman or women. Ownership and control are measured by a variety of

factors including: (1) responsibility for performance of the work; (2) management responsibility and control; (3) at least 51% share of profits and risk; (4) other data (such as voting rights) that may be related to ownership and/or control.

1.1.5 FORMAL CONTRACT

The successful proposer will be required to enter into a standard form contract agreement with SETA. A copy of the most recent form of this service contract is available on SETA's website www.seta.net/public-notice-rfps/.

Proposers are advised that in order to assist the efforts of SETA in targeting its programs, the SETA Governing Board has implemented a policy requiring that all recipients of funds from SETA shall be required to publicize the fact that the program it operates is funded, in whole or in part, by SETA. All contracts will contain a provision requiring the contractor to abide by this policy.

1.1.6 TERM OF CONTRACT

The term of the contract will be of 2-year duration, with three 1-year extension options, subject to the right of either party to terminate the contract upon ten (10) days written notice.

SETA may, in its sole discretion, renew the contract with the same terms and conditions, except that the scope of service, including changes in service locations based on programmatic changes, and the fee for any additional services will be subject to renegotiation based upon required performance. If additional services are required during the contracted term or any additional term, a fee will be negotiated consistent with the fee established for the services otherwise provided. With the exception of additional services, any increased cost for contracted services during any extension year will not exceed 5% or the Annual Consumer Price Index for the previous calendar year, whichever is smaller.

1.1.7 REQUIRED RESPONSE FORMAT

Interested applicants must respond to this RFP using the proposal response format provided in Section IV of this RFP. In responding, no substitutions in format or services will be considered.

1.1.8 RFP OFFEROR'S CONFERENCE

SETA will conduct one Offeror's Conference. This conference is provided so that proposers may have the opportunity to raise any questions they may have pertaining to the development of their proposals. It is not the intent of SETA to offer personalized technical assistance, but rather to provide examples, clarify information or answer questions relative to the Request for Proposals.

The Offeror's Conference, which will include a review of the Request for Proposals, and a question and answer period will be held on:

Date: Friday, January 21, 2022
 Time: 1:30 p.m. - 3:30 p.m.
 Place: Sacramento Employment and Training Agency (SETA)
 925 Del Paso Blvd, Suite 100

1.2.4 PRICE/COST REASONABLENESS

The janitorial contracts will be awarded by group, not individual centers. All centers in each group must be proposed for the proposal to be accepted. However, it is not required for proposers to propose for all groups.

SETA is requesting that proposers provide the following:

A monthly rate for all sites in each group requiring all the services detailed in 1.2.2 Scope of Services; and,

Annual rate for the other sites to provide only Deep Floor Cleaning services detailed in 1.2 Scope of Services.

You may propose on multiple groups.

All proposers will be evaluated based on the reasonableness of the cost of their proposal. SETA will compare costs in the proposal to the cost of other proposers with similar programs to see if it is competitive. However, contracts will not be awarded solely based on price. Please see Evaluation Criteria provided in Section I.

1.2.5 SUBCONTRACTING

Subcontracting to another entity for the provision of janitorial services is not allowable.

SECTION III

APPLICANT AGENCY CERTIFICATIONS AND DISCLOSURES AND SUPPLEMENTAL FORMS

INSURANCE REQUIREMENTS

APPLICANT AGENCY SUPPLEMENTAL FORMS

Each applicant agency must submit one complete copy of each item outlined below that applies to the applicant agency.

FAILURE TO SUBMIT THE CERTIFICATIONS AND DISCLOSURES AND SUPPLEMENTAL FORMS ALONG WITH YOUR BY PROPOSAL BY THE DEADLINE NOTED IN SECTION I OF THE RFP WILL DISQUALIFY APPLICANT AGENCY FROM ANY FURTHER FUNDING CONSIDERATION.

A. DISCLOSURE/CERTIFICATION FORMS PREQUALIFICATION REQUIREMENTS

(Applicable to all Applicants)

All applicant agencies must submit the following four (4) attachments (Attachments #1 through #4). Each attachment must be signed (**original signature**) by an authorized representative(s) of the respondent agency.

1. **Attachment #1** - **Fair Political Practices Commission Disclosure Forms**
2. **Attachment #2** - **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**
3. **Attachment #3** - **Certification Regarding Lobbying**
4. **Attachment #4** - **Certification Regarding Drug-free Workplace Requirements**

B. INSURANCE PREQUALIFICATION REQUIREMENTS

(Applicable to all new Applicants)

Applicant agencies that are not currently funded must submit Insurance Prequalification Attachments #5 and #6.

1. **Attachment #5** - **Insurance Prequalification.** All new applicant agencies must submit an Insurance Prequalification form (Attachment #5). The attachment must be signed by an authorized representative(s) of the applicant agency.
2. **Attachment #6** - **New Applicant Insurance Questionnaire.** Applicant agencies that are not currently funded by SETA must complete and submit the New Applicant Insurance Questionnaire (Attachment #6) stating the type of insurance and name of company they will use if funded.

Should applicant's proposal be selected for funding, applicant agency must provide additional administrative documentation, as applicable, including but not limited to: IRS Employer Identification Number, Certification of Accounting System, and Articles of Incorporation.

CONTRACT POLICY

Should applicant's proposal be selected for funding, applicant agency must be able to comply with the following requirements:

A. Insurance

Prior to contract execution and commencement of program performance, SETA shall receive from each funded agency's insurer a certificate of insurance, and applicable endorsements issued by the funded agency's insurance carrier, indicating all of the coverage required by SETA's Insurance Requirements as they exist at the time of contract execution. Current requirements are outlined in Attachment #7 consisting of 6 pages, but are presently being reviewed by SETA and those policies could be modified prior to contract execution.

SETA is very exacting with regard to the insurance requirements and will require necessary certificates and endorsements in compliance with those requirements in place at the time of contract execution. If an agency's insurance is not in place prior to the start of the program, the agency will not be allowed to start. If an agency's insurance expires during the course of the program and new certificates/endorsements are not received prior to the expiration date, payment will be suspended immediately. Performance will be suspended shortly thereafter if the agency's new insurance certificate(s) is/are not filed with the SETA Contracts Unit.

Note: Insurance endorsements must be requested from the insurance underwriter by your insurance agent/broker. This process may take up to two months, so proposers should plan accordingly.

C. Resolution

SETA has a standardized resolution that is required of all public agencies and incorporated entities. The applicant agency's Governing Body or Board of Directors will be required to adopt the appropriate resolution for the purpose of appointing specific individuals authorized to both sign and negotiate the contract. The resolution requires the original signature of the Governing Body's or Board of Director's secretary and the affixation of the corporate seal. Should incorporated entities not have a seal, it will be necessary to obtain one prior to contract execution.

D. Prohibitions

No member of the immediate family of any officer, director, executive or employee of funded agency or SETA shall receive favorable treatment for enrollment in services provided by, or employment with, funded agency, nor shall any individual be placed in a funded employment activity if a member of that individual's immediate family is directly supervised by or directly supervises that individual. In addition, neither funded agency nor any of funded agency's subcontractors shall hire, or cause or allow to be hired, a person into an administrative capacity, staff position or on-the-job training position funded through the award of any grant, if a member of that person's immediate family is employed in an administrative capacity for SETA, funded agency, or any employment contractor of funded agency. However, where an applicable federal, state or local statute regarding nepotism exists which is more restrictive than this provision, funded agency and funded agency's subcontractors shall follow the federal, state or local statute in lieu of this provision.

(a) The term "member of the immediate family" includes: wife, husband, son, daughter, mother,

father, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, father-in-law, mother-in-law, grandfather, grandmother, grandchild, aunt, uncle, niece, nephew, step-parent, and step-child.

(b) The term "administrative capacity" refers to positions involving overall administrative responsibility for a program, including members of SETA's Governing Board and any of its affiliated Boards or Councils and members of the governing body or board of directors of funded agency, or where that individual would be the supervisor of an individual paid with funds provided through the award of any grant or performing duties under the grant award.

(c) The term "staff position" refers to all staff positions providing services through the award of any grant.

COMPLIANCE WITH CALIFORNIA GOVERNMENT CODE SECTION 84308

In order to comply with the provisions of California Government Code Section 84308 and the Regulations of the California Fair Political Practices Commission, each respondent must fully complete the "Party Disclosure Form". Additionally, all participants (as defined in the attached "Participant Disclosure Form") identified by the respondent in the proposal must file the "Participant Disclosure Form". If other individuals or entities become or are identified as parties or agents during the time the Workforce Development Board or Sacramento Employment and Training Agency is considering a respondent's proposal, additional Party Disclosure Forms must be filed with the Sacramento Employment and Training Agency. Participants who are later identified will be requested to file a "Participant Disclosure Form".

Instructions for Certification

1. By signing and submitting this proposal, the prospective recipient of federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of federal assistance funds shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective recipient of federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal* and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Procurement or Non-Procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a

**INSTRUCTIONS FOR CERTIFICATION REGARDING
DRUG-FREE WORKPLACE REQUIREMENTS**

1. By signing and/or submitting this application or subgrant agreement, the subrecipient is providing the certification required by 20 CFR §667.200(d) and 29 CFR Part 98.
2. The certification is a material representation of fact upon which reliance is placed when the Sacramento Employment and Training Agency (hereinafter referred to as the SETA) awards the subgrant. If it is later determined that the subrecipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the SETA, in addition to any other remedies available, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under subgrants, for subrecipients other than individuals, need not be identified on the certification. If known, they may be identified in the subgrant application. If the subrecipient does not identify the workplaces at the time of application, or upon award, if there is no application, the subrecipient must keep the identity of the workplace(s) on file in its office and make the information available for inspection. Failure to identify all known workplaces constitutes a violation of the subrecipient's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the subgrant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority while in operation, employees in each local office, etc.).
5. If the workplace identified to the agency changes during the performance of the subgrant, the subrecipient shall inform the SETA of the change(s), if it previously identified the workplaces in question (see paragraph 3).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Subrecipient's attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

Criminal drug statute means a federal or non-federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a subrecipient directly engaged in the performance of work under a subgrant, including:

- (i) All *direct charge* employees;
- (ii) All *indirect charge* employees unless their impact or involvement is insignificant to the performance of the subgrant; and,
- (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the subgrant and who are on the subrecipient's payroll. This definition does not include workers not on the payroll of the subrecipient (e.g., volunteers, consultants or independent contractors not on the subrecipient's payroll).
