Ms. Lee stated items C1 and C2 are similar, going to separate state departments. This is for annual refunding applications going to the California Department of Social Services (Item C1) and the California Department of Education (Item C2). This annual refunding allows SETA to continue services to infants and toddlers and preschoolers. The estimated reimbursement amount for the infant and toddler program is approximately \$3.9 million and approximately \$4 million for the State Preschool Program, if funding remains flat. We will be submitting applications for the fiscal year 2023-2024 in November 2022.

3. Ratification of the Head Start and Early Head Start Budget Modification Submission and Approval to Carry Over Funds from Program Year 2021-2022 to Program Year 2022-2023

Ms. Lee reviewed the Office of Head Start/Administration for Children and Families asked for submissions on July 29, 2022, at which time final numbers were not completed. The item was reviewed/approved by the Governing Board in advance of final numbers. This is a ratification for budget modification of \$1.6 million for deferred maintenance. The carryover funds of \$5.2 million will extend the use of funds for an additional 12-month period. Some of the dollar difference is due to funds already being in the correct cost category, for example Contractual for delegate agencies and partners.

Mr. Nottoli asked are we able to carryover and spend the funds by the end of next year.

Ms. Lee stated we will do our very best to spend down the funds in a timely manner. There are some difficulties with the supply chain issues and lack of contractors. If we

are unable to spend down all funds there may be an opportunity to submit for an additional carryover to the 2023-2024 fiscal year.

Mr. Nottoli clarified it is not a use it or lose it situation. Ms. Lee confirmed, that is correct under current COVID-19 flexibilities.

Moved/Nottoli, second/Scherman, to approve the ratification of the budget modification submission for Head Start and Early Head Start Basic in the amount of \$1,660,000 and approve the request to carryover funds from Program Year (2021-2022) (Year 2) to Program Year 2022-2023 (Year 3) in the amount not to exceed \$5,284,025, to complete purchases, deferred maintenance projects and parent training and staff development activities

Elk Grove Unified School District is requesting to purchase and install a shade structure at Beitzel Elementary. The budget modification is to move under-spent funds to Equipment for a fixed asset purchase.

Moved/Scherman, second/Nottoli, to approve the revised Head Start budget modification and carryover request from Program Year 2020-2021 to Program Year 2022-2023 to include the purchase/installation of the shade structure for Elk Grove USD's Beitzel Elementary Head Start program

#### ITEM II-C-CONSENT

APPROVAL OF FINDINGS AND AUTHORIZATION TO EXTEND USE OF TELECONFERENCING PROCEDURES FOR BOARD MEETINGS DURING DECLARED STATE OF EMERGENCY AND/OR WHILE STATE OR LOCAL OFFICIALS CONTINUE TO IMPOSE OR RECOMMEND MEASURES TO PROMOTE SOCIAL DISTANCING

#### **BACKGROUND:**

California Governor Gavin Newsom has issued long-existing state of emergency related to COVID-19, which remains in effect. Governor Newsom had previously authorized local agencies, by Executive Order, to conduct meetings under the Brown Act utilizing Zoom or other remote procedures to conduct meeting by modified teleconference procedures. In September 2021, the legislature signed and passed into law AB 361, which amended Section 54953 of the Brown Act to similarly authorize teleconferencing of Board Meetings, provided necessary procedures are followed.

Under AB 361, in the event of disruption which prevents broadcasting of the meeting to members of the public using the call-in or internet-based service options, or in the event of a disruption which prevents members of the public from offering public comments, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting is restored.

AB 361 also authorizes public agencies to continue to hold subsequent meetings via teleconference procedures during any state of emergency that directly impacts the ability of the members to meet safely in person or while State or local officials continue to impose or recommend measures to promote social distancing. The Governor's declared continuing state of emergency remains active and continues to serve to protect members of the public from unnecessary risk and exposure to COVID-19. In addition, Cal OSHA continues to recommend physical distancing in places of employment as a measure to protect employees against the spread of COVID-19. Given these circumstances, in order to allow for the next Board meeting to be held by teleconference procedures consistent with AB 361, the Board must make the following findings no later than 30 days after the first teleconferencing meeting and every 30 days thereafter by majority vote:

- a. The legislative body has reconsidered the circumstances of the state of emergency.
- b. Any of the following circumstances exists:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely in person.
  - ii. State or local officials continue to impose or recommend measures to promote social distancing.

# ITEM II-C-CONSENT (continued) Page 2

## **RECOMMENDATION:**

Authorize the continued use of teleconferencing for Governing Board meetings under AB 361, occasioned by the continuing state of emergency issued by Governor Newsom that directly impacts the ability of the members to meet safely in person and the continuation of Cal OSHA recommendations promoting physical distancing in places of employment and, based thereon, make the following findings in support of this action:

- a. The Board has reconsidered the circumstances of the state of emergency.
- b. The following circumstances exist:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely in-person.
  - ii. State officials continue to recommend measures to promote social distancing.

PRESENTER: Legal Counsel

#### ITEM II-D-CONSENT

## APPROVAL TO ADD RH SQUARED CONSULTANT, LLC TO SETA'S VENDOR SERVICES LIST

#### **BACKGROUND:**

On December 5, 2005, the SETA Governing Board approved the release of the Vendor Services (VS) Request for Qualifications (RFQ) to recruit qualified vendors on an ongoing basis to provide services to eligible adults and youth in an effort to prepare them for participation in the labor force and to expand SETA's VS List. Since that time, the SETA Governing Board has approved several amended releases of the RFQ to expand the selection of Adult and Youth Workforce Development Services and Child Development (ages 0-5) and Family Services. Vendor services are fee-for-service activities that provide additional options for adults and youth who face challenges to academic success and/or gainful employment, as well as supportive services for Child Development and Family Services.

All vendors recommended for inclusion on SETA's VS List have demonstrated that the services proposed are justified and align with the Sacramento Works America's Job Centers of California (AJCC) system, as well as Children and Family Services.

RH Squared Consulting, LLC submitted an application in response to SETA's RFQ to offer In-Service Training, Job Retention Skills, and Job Readiness/Pre-Employment Skills. After evaluating the application, SETA determined that RH Squared Consulting, LLC effectively demonstrated its ability to provide the proposed services.

Staff is seeking approval of the attached recommendation.

### **RECOMMENDATION:**

Approve the attached recommendation to add RH Squared Consulting, LLC to SETA's VS List.

#### ITEM III-A-1-ACTION

#### TIMED ITEM 10:00 A.M. AND PUBLIC HEARING

APPROVAL OF REVISIONS TO THE HOURLY RATE OF PAY FOR THE HEAD START SUBSTITUTE TEACHER ASSISTANT AND ON-CALL COOK/DRIVER CLASSIFICATIONS

#### BACKGROUND:

In order to remain competitive and maintain talent, the Agency is proposing to increase the hourly rate of pay for the Head Start Substitute Teacher Assistant and On-Call Cook/Driver classifications.

On July 7, 2022, the SETA Governing Board approved tentative agreements on a three-year contract for the three bargaining units represented by the American Federation of State, County, and Municipal Employees (AFSCME). As part of the negotiations, represented employees received an equity adjustment and/or COLA increase to assist with recruitment and retention challenges. Since temporary, on-call employees are not represented under the bargaining agreements, salary increases were not applied to the Head Start Substitute Teacher Assistant and the On-Call Cook/Driver classifications, which are both currently at minimum wage (\$15/hour).

As a result of the lower wage rate, SETA has struggled to recruit and retain qualified candidates for these two classifications. Staff is recommending the wage rate for the Head Start Substitute Teacher Assistant be aligned with the entry level (Step A) of the Associate Teacher Tier I classification, which is currently \$17.40/hour. Staff is also recommending the wage rate for the On-Call Cook/Driver classifications be aligned with the entry level (Step A) of the Head Start Cook Tier II classification, which is currently \$16.92/hour. Changes will be effective the first pay period following Governing Board action/approval at their November 3, 2022 meeting.

Staff will be available to answer questions.

#### RECOMMENDATION:

Open a Public Hearing, receive input, close the public hearing, and approve the revised hourly rate of \$17.40 per hour for the Head Start Substitute Teacher Assistant and \$16.92 per hour for the On-Call Cook/Driver classifications.

PRESENTER: D'et Saurbourne

#### ITEM III- A-2- ACTION

# ELECTION OF OFFICERS OF THE SACRAMENTO EMPLOYMENT AND TRAINING AGENCY GOVERNING BOARD

#### **BACKGROUND:**

As stipulated by the Joint Powers Agreement, "the Governing Board shall select a chairperson and vice-chairperson from among its members for one-year terms." The chair alternates among the City, County and Public Representative.

### **RECOMMENDATION:**

That the Board nominate and elect officers for a one-year term to begin on November 3, 2022.

PRESENTER: Denise Lee

#### ITEM III-A-3 - ACTION

APPROVAL TO PURCHASE AGENCY INSURANCE FOR GENERAL LIABILITY, VEHICLE LIABILITY, UMBRELLA LIABILITY, PROPERTY, CRIME, INLAND MARINE, PROFESSIONAL LIABILITY, EMPLOYEE BENEFITS, SEXUAL/PHYSICAL ABUSE, DIRECTORS AND OFFICER'S LIABILITY, EMPLOYMENT PRACTICES LIABILITY, PARTICIPANT ACCIDENT, FLOOD, AND CYBER

#### **BACKGROUND:**

The Agency's insurance policies for general liability, vehicle liability, umbrella liability, property, crime, inland marine, professional liability, employee benefits, sexual/physical abuse, directors and officer's liability, employment practices liability, participant accident, flood, and cyber expire December 1, 2022.

SETA's broker, Arthur J. Gallagher & Co., is currently exploring various markets to secure the necessary coverage and will present an oral report at the meeting.

If final quotes are not available at the November 3, 2022 meeting, the Board may delegate procurement authority to the Executive Director.

#### RECOMMENDATION;

Hear the oral report and take appropriate action.

PRESENTER: D'et Saurbourne

#### ITEM III-A-4- ACTION

# APPROVAL TO RELEASE A REQUEST FOR PROPOSALS FOR BUILDING MAINTENANCE, REPAIR AND CONSTRUCTION PROJECTS

#### **BACKGROUND:**

The Sacramento Employment and Training Agency (SETA) Children and Family Services Department (Head Start program) provides comprehensive child developmental services to low-income infants, toddlers and preschool children and their families in 39 Early Learning Centers located throughout Sacramento County. In additional to the Early Learning Centers, SETA also hosts a commercial kitchen for food services. Early Learning Centers are located in a variety of venues including community centers, churches, school campuses, and housing complexes. On an on-going basis, building maintenance, repair and construction projects are necessary for the upkeep of the centers and the commercial kitchen.

The Children and Family Services Department (CFS) has estimated and budgeted for multiple deferred maintenance projects throughout various centers. Examples include, but are not limited to, interior/exterior paint, roof repairs/replacement, siding replacement, artificial turf, cabinet/countertop replacements, concrete pathways, electronic access control/security systems, flooring replacement, HVAC systems, shade structures and fencing. Many contractors are back-logged with post-pandemic work and are often unwilling to provide quotes for services, especially if there is no guarantee for awarded work. Hence, obtaining multiple quotes for multiple center projects has proven to be exceedingly more challenging than in previous years. In addition, contractors must enter into new SETA contracts, validating insurance requirements, each time a new project is awarded. These challenges delay the commencement date and may risk contractor availability to complete the project in a timely manner, increased costs, and/or the potential expiration of funding. As a result, staff are recommending to solicit proposals and quotes for services that will result in establishing a list of qualified contractors/vendors that SETA may use for current and future building maintenance, repair and construction projects. A Request for Proposals (RFP) shall be the method utilized to procure such services. The estimated budget is \$4M over the next three years.

Procurement for building maintenance, repair and construction services will be under the guidelines of the Agency's procurement policy established to insure fair and equitable use of the Federal funds utilized for services.

#### **Findings and General Observations:**

- 1) We have reviewed the CSBG CARES Safety Net program from June 1, 2021 to July 29, 2022. The costs reported for this program have been traced to the subgrantee's records. The records were verified and appear to be in order with the following exception.
- 2) My Sister's House has not submitted a single audit as required by CFR, Title 2, Subtitle A, Part 200, Subpart F(a) for fiscal year ending June 30, 2021. The federal single audit for fiscal year ending June 30, 2021 was September 30, 2022 (includes OMB COVID extension).

### Title 2, Subtitle A, Chapter II, Part 200

## § 200.501 Audit requirements.

(a) Audit required. A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part.

#### § 200.512 Report submission.

- (a) General.
- (1) "...this section and reporting package described in paragraph (c) of this section must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period..."

#### **Recommendations for Corrective Action:**

1) Please issue a formal response to the finding above, stating when My Sister's House will be completing a federal single audit of the fiscal year ending June 30, 2021.

### **Findings and General Observations:**

- 1) We have reviewed the CSBG Family Self Sufficiency and Safety Net programs from January 1, 2021 to December 31, 2021 and the CSBG CARES Act Family Self-Sufficiency and Safety Net programs July 1, 2021 to July 29, 2022. The costs reported for these programs have been traced to the subgrantee's records. The records were verified and appear to be in order with the exception noted below.
- 2) WIND Youth Services has not filed a form 990 with the IRS since 2019. In 2019 reported revenues of grant funding exceed the \$750,000 threshold which leads SETA to believe a single audit submission is required as stated by CFR, Title 2, Subtitle A, Part 200, Subpart F(a). SETA has not received a federal single audit for fiscal years 2020 and 2021 nor financial statements to verify whether a single audit is required for both years respectively.

### Title 2, Subtitle A, Chapter II, Part 200

# § 200.501 Audit requirements.

#### **Recommendations for Corrective Action:**

1) WIND Youth Services is not being funded in 2022 however in order to be considered for future funding, WIND Youth Services must complete a federal single audit for fiscal year ending December 31, 2020 and fiscal year ending December 31, 2021 or provide other verifiable documentation demonstrating a single audit is not required.

# SACRAMENTO—ROSEVILLE—ARDEN-ARCADE METROPOLITAN STATISTICAL AREA (MSA) (EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES) Total wage and salary jobs up 1,800 over the month: 35,200 over the year

Contact: Cara Welch

(916) 227-0298

The unemployment rate in the Sacramento--Roseville--Arden-Arcade MSA was 3.3 percent in September 2022, down from a revised 3.6 percent in August 2022, and below the year-ago estimate of 5.4 percent. The unemployment rate was 2.8 percent in El Dorado County, 2.5 percent in Placer County, 3.5 percent in Sacramento County, and 3.1 percent in Yolo County.

**Between August 2022 and September 2022,** combined employment in the counties of El Dorado, Placer, Sacramento, and Yolo increased by 1,800 to total 1,060,900 jobs.

- Government continued to lead the region on job gains in September, adding 4,500 jobs. Local
  government led the growth with the addition of 2,800 jobs. State government increased by 1,600 jobs
  while federal government picked up 100 jobs.
- Education and health services payrolls expanded by 1,900 from August to September with growth in healthcare and social assistance (up 1,500 jobs) and educational services (up 400 jobs).

- Education and health services (up 9,200 jobs) led year-over job growth for the region. Healthcare and social assistance (up 8,800 jobs) was responsible for 96 percent of the gain while educational services picked up 400 jobs.
- Leisure and hospitality advanced by 7,500 jobs since the previous September. Accommodation and food services rose by 5,300 jobs. Arts, entertainment, and recreation added 2,200 jobs.

### Updates from the Office of Head Start

# Strategies to Stabilize the Head Start Workforce

ACF-IM-HS-22-06

Issued: September 12, 2022

The credentials and qualifications of Head Start staff have significantly increased over the past decade, while their compensation has been persistently low. Stagnant wages and a lack of comprehensive benefits and wellness supports make it difficult to recruit and retain staff, which contributes to classroom closures and high caseloads for current staff. The Office of Head Start (OHS) draws upon the legacy of Head Start leadership in the early childhood field to encourage programs to appropriately compensate and support their staff.

OHS encourages programs to look holistically at their organizational structure and identify sustainable ways to support and compensate staff accordingly. As needed, OHS encourages grant recipients to consider restructuring their programs as a sustainable mechanism for providing increased compensation and other necessary support to staff. This may include consolidating grants, restructuring management or organizations, or requesting a reduction in the overall number of funded slots while continuing to prioritize services to the children and families who are most in need.

The Information Memorandum (IM) highlights strategies to support the Head Start workforce that grant recipients can begin working toward immediately. Some strategies include:

- Permanently Increase Compensation
- Offer Bonuses, Short-term Pay Increases, or Other Financial Incentives
- **Compensate Staff During Closures and Transitions**
- Public Service Loan Forgiveness (PSLF)
- Promote a Positive and Empowering Work Environment
- Implement Support for Educational Attainment and Career Advancement
- Request Qualification Waiver for Head Start Preschool Teachers

The number of COVID-19-related exposures continues to dramatically decrease across the SETA Head Start/Early Head Start programs.

# SPECIAL EDUCATION REPORT

# **Sacramento County Head Start/Early Head Start**

# September 2022

The Special Education Report shows the percentage of enrolled preschool aged children with a diagnosed disability receiving services through an Individualized Education Plan (IEP). For Early Head Start, the Special Education Report shows the number of children ages 0-3 who are receiving early intervention services through an Individualized Family Services Plan (IFSP).

Head Start Program Performance Standards Reference: 1302.14 (b)(1) states a program must ensure at least 10 percent of its total funded enrollment is filled by children eligible for services under IDEA, unless the responsible HHS official grants a waiver.

# Reasons for Program Under Enrollment

#### **SETA**

- Classroom(s) capped due to limited staffing at the following sites: Bright Beginnings; Dudley; Florin Grammar; Freedom Park; Hiram Johnson; Illa Collins; Marina Vista; Norma Johnson totaling 113 enrollment slots.
- Northview remodel is near completion, scheduled to re-open in November. Accounts for 96 enrollment slots.
- SETA continues to experience staffing shortages in the following positions that support classroom ratio and/or enrollment: There are currently 47 openings within Education and 3 Family Services Workers and 3 Home Visitors (Partners).

#### Elk Grove USD

- Staffing shortages in the following positions that support direct classroom functions, enrollment of families, review of eligibility documents and data entry: 1 SPED Teachers (Leinbach); 9 Para Educators; 3 Office Assistant(s), and 1 Program Specialist.
- Site(s) with capped classrooms due to limited staffing: Foulks Ranch; Florin; Leimbach; West; Jackson; McKee; Reith; Pleasant Grove; Prairie; Samuel Kennedy; Union House; William Daylor; Miwok Village: totaling 83 enrollment slots.
- Site locations within 95823, 95826 and 95828 have encountered 50% of the families contacted for enrollment preferring to remain on the waitlist for sites closer to Elk Grove or a full day class.
- Limited amount of Program Educators and Office Assistants available to collect enrollment documents from families and complete data entry. Vital information to complete enrollment application is not being provided from families during intake, which slows down the approval process.
