

## **ADDENDUM 1**

### **ADDENDUM DESCRIPTION: 470 250002199 REQUEST FOR INFORMATION/RESPONSE**

---

Per page 19, SOW, Requirement #3, Please clarify professional services requirements. Is configuration required?

**Response: No.**

The RFP calls for (2) PAN-PA-1420 and (1) PAN-PA-1420-BND-CORESEC-3YR and (1) PAN-SVC-PREM-1420-3YR. Do you need subscription and support for the second Server?

**Response: Please quote additional services mentioned above.**

#### **Clarification to RFP Page 19:**

1. Proposal must include physical hardware, as well as any software (preinstalled).

**Clarification: Equipment as boxed with original software is sufficient.**

2. All EFL licensing for routers and switches must be added to SETA's account and installed on each switch or router device, as required.

**Clarification: Please disregard this line item, as it should not have been included.**

3. All equipment will be shipped to the SETA Administrative office location at which point the vendor will take possession and configure the devices.

**Clarification: There is no vendor possession or configuration needed for this RFP. The delivery portion remains unchanged.**

4. Any subcontractor must be listed in the proposal and approved by SETA prior to any work being started.

**Clarification: This still applies regardless of there being no installation or professional services.**

---

All other bidding/contract, stipulations, dates and times remain unchanged, in full effect and by reference become a part of this addendum.
