VIRTUAL CAREER CONNECTION

Let's Connect, Sacramento!

Build your career with a company harnessing the power of technology to improve health and human services outcomes. As the leader in healthcare technology services for state governments, **Gainwell Technologies** is looking for your energy, creativity and fresh ideas to help us make a positive difference in people's lives.

Join us **Thursday, September 18, 2025 from 1:30 PM to 3 PM** for a virtual session hosted by SETA Sacramento Works to learn more about Gainwell and why we do what we do. **Register below!**
