

PUBLIC NOTICE

Announcement of Public Sector Seats on the SETA Community Action Board

To: Public Officials Currently Representing a Jurisdiction Within the County of Sacramento

Background

As a Joint Powers Agency, SETA administers the Community Services Block Grant on behalf of the City and County of Sacramento. This federal block grant is formula based and provides Sacramento County, a designated Community Action Area, with anti-poverty funds.

The SETA Governing Board makes final decisions regarding the disposition of these funds and is guided in its decisions by the recommendations of the SETA Community Action Board (CAB), a 12-member tripartite board with representatives of the following 3 sectors: 1) Public Sector – comprised of public officials (elected official and appointive public officials) or their representatives, 2) Private Sector – comprised of business, labor, faith-based, non-profit or other major groups in the community, and 3) Low-income Sector comprised of democratically elected low-income representatives of high-poverty communities within Sacramento County.

Invitation

Currently, two (2) public sector seats on the CAB are vacant. All elected and appointive public officials representing jurisdictions within Sacramento County are encouraged to apply.

Applications are available online at www.seta.net, in the “Resources” section. Applications will be accepted on an on-going basis.

Any questions regarding the election process, time commitments, or board processes, may be directed to Julie Davis-Jaffe, Workforce Development Manager, at (916) 263-3929 or Julie.Jaffe@seta.net.

An in-depth study of Sacramento County’s need and the role of the CAB is available in the 2026-2027 SETA Community Action Plan, located in the “Resources” section of the SETA website at www.seta.net.
