Nay: 0

Abstention: 0

Absent: 7 (Cobb, Jasso, Gordon, Vang, Saetern, Louie, Gusman)

Ms. Gusman arrived and was seated at 9:04 a.m.

III. INFORMATION ITEMS:

A. Annual Strategic Plan Report

Ms. Anita Maldonado presented the annual Strategic Plan video report. The Board congratulated Ms. Maldonado and the SETA staff for their outstanding work and inquired about ways the Board could become more involved and provide assistance.

B. Dislocated Worker Report:

Mr. Walker reported that Wells Fargo, a financial services company, has closed one of its locations, affecting 114 employees. SETA has been unable to contact Wells Fargo directly, and information was left with security staff, as they were not permitted to enter the premises. He also noted that the process for issuing WARN notices by the Employment Development Department (EDD) has changed. Employers can now choose whether to accept or deny services from the Workforce Boards, leaving affected employees without essential information about their rights and the unemployment benefits to which they are entitled. SETA is collaborating with the EDD and California Workforce Association to seek reconsideration of this issue.

Mr. Walker advised that SETA continues to provide services to Blue Diamond Almonds which has been very receptive and plans another outreach to them in March and potentially hosting a job fair at SETA for those that are interested in transitioning to employment. He also reported that the Red Robin restaurant location in Folsom has been closed and employees have been released. SETA is working on reaching the Human Resources to coordinate providing services to affected employees.

C. Employer Recruitment Activity Report:

Mr. Walker noted that a new Costco Wholesale store has opened in the area, providing employment opportunities for residents. He also mentioned that SETA continues to focus heavily on public sector recruitment, sending out job offers and postings for those businesses. Additionally, he emphasized that Regional Transit has been a strong partner for SETA in recruitment efforts.

D. Unemployment Update/Press Release from the Employment Development Department:

Ms. Welch reported that the unemployment rate in the Sacramento-Roseville-Folsom Metropolitan Statistical Area (MSA) was 4.8 percent in December 2025, down from a revised 5.1 percent in November 2025. This decline is typical due to seasonal hiring patterns. She also noted that employment in the transportation, warehousing, and utilities sector reached a record high in December, with 45,300 jobs. Additionally, she mentioned that federal government employment in the region decreased by 100 jobs from November to December 2025.

E. Committee Updates

✓ Youth Committee:

Ms. Mechals advised that the next Youth Committee meeting is planned to take place at the Greater Sacramento Urban League and invited members to attend. She

also highlighted an internship partnership opportunity with the Los Rios Community College professional health program for out-of-school youth aged 18 to 24.

- ✓ Planning/Oversight Committee: No report
- ✓ Employer Outreach Committee:
Mr. Ellis provided an overview of the Employer Outreach Committee (EOC) updates included in the packet.

F. SETA Governing Board Agenda: No questions

IV. OTHER REPORTS:

- A. Chair:
Ms. Clawson thanked the Board members for attending today's meeting and reminded them about timelines for the election of new officers for 2027.
- B. Members of the Board: No report
- C. Counsel: No report
- D. Deputy Director: No report
- E. Staff: No report
- F. Public Participation: None

V. ADJOURNMENT: The meeting adjourned at 9:47 a.m.

Note: The minutes reflect the actual progression of the meeting.

CONSENT ITEM I-B

Approval of Request to the California Workforce Development Board for SETA to Continue to Provide Career Services Under the Workforce Innovation and Opportunity Act

RECOMMENDATION:

Approve and authorize the Executive Director to submit a request to the CWDB for SETA to continue to provide career services under WIOA.

BACKGROUND:

Under the Workforce Innovation and Opportunity Act (WIOA), a local board or administrative entity may be designated as an Adult and Dislocated Worker Career Services Provider only with approval of the Chief Elected Official (CLEO) and the Governor. In order to be considered by the Governor for designation as a Career Services Provider, the CLEO must submit a Request for Approval to the California Workforce Development Board (CWDB).

SETA provides Career Services along with our subgrantee partners as part of the network of American's Job Centers of California (AJCC), primarily at the Hillsdale and Florin locations in partnership with the County Department of Human Assistance, and at the Mark Sanders location in partnership with the State Employment Development Department.

To continue to provide Career Services under WIOA, staff is seeking approval to submit a Request for Approval to the California State Workforce Development Board.

ACTION/DISCUSSION ITEM II-A

Approval of Appointment Recommendation to the Sacramento Works, Inc. Board

Presenter: Anita Maldonado

RECOMMENDATION:

Review the application and appoint Mr. Danzell Nunsuch to the Sacramento Works Board.

BACKGROUND:

The local Sacramento Works Workforce Development Board (WDB) was formed in early 2016. As part of its action on February 4, 2016, the SETA Governing Board satisfied the desire for a smaller WDB by setting the size of the WDB at twenty-five members and allocated the twenty-five membership positions to the five membership categories in the following manner: Thirteen members were allocated to business (a majority of the membership); four members were allocated to Labor and Apprenticeship (at least 15% of the membership); six members were allocated to specific programs in the workforce system (community based organizations, Adult Education, Higher Education, Economic Development, Wagner-Peyser (EDD) and Vocational Rehabilitation); and two members were allocated to the "Other" category permitted by the Workforce Innovation and Opportunity Act (WIOA) to provide the Governing Board with flexibility in appointing members in this catch-all category.

On March 3, 2016, the Governing Board appointed twenty-five members to the WDB. The Board had staggered initial terms of two, three or four years. Extended terms from that time are a three-year term. In 2020, the request was made to add an additional economic development seat, which required adding another business seat to keep the majority of the board representing the business community, as required by WIOA. The Sacramento Works Board considered the request to increase the board size by two and took action at its meeting on May 27, 2020 to increase the board size to 27. The current Bylaws of Sacramento Works, Inc. allow up to thirty board members.

Staff recently received an application from Mr. Danzell Nunsuch, Co-Founder of BrandLift360, a Medical Marketing Agency.

Historically, the Executive Committee of Sacramento Works has recommended individual applicants for appointments to the Business Sector seat by the SETA Governing Board. The Sacramento Works Board, Executive Committee met on May 14, 2026 and is forwarding Mr. Nunsuch's application for a Business Sector seat with a recommendation for appointment.

The application is being sent under separate cover.

ACTION/DISCUSSION ITEM II-B

Approval of the Funding Extension Recommendations for the Workforce Innovation and Opportunity Act (WIOA), Title I, Youth Program, Program Year 2026-2027

Presenter: Lauren Mechals

RECOMMENDATION:

Approve the staff funding extension recommendations for the WIOA Title I, Youth Program, PY2026-2027, with the stipulation that all funding recommendations are contingent upon satisfactory year-end program performance and final WIOA funding allocations.

BACKGROUND:

In 2023, SETA procured WIOA Program Operators to provide In-School Youth and Out-of-School Youth services. The Request for Proposals allowed one-year extensions for up to three additional years through 2027.

The Sacramento WIOA youth funds are allocated in two categories: Individualized Services for In-School Youth and Individualized Services for Out-of-School Youth.

The Workforce Innovation and Opportunity Act identified specific program elements to be incorporated into the delivery of youth services.

1. Secondary School Completion Services
2. Alternative Secondary School Services
3. Paid or unpaid work experience that has academic and occupation education as a component of the work experience
4. Occupational Skills Training that leads to recognized post-secondary credentials that align with in-demand industry occupations
5. Education offered concurrently with and in the same context as workforce activities and training for a specific occupation
6. Leadership development opportunities, including community service and peer-centered activities encouraging responsibility and other positive and civic behaviors
7. Supportive Services
8. Adult Mentoring
9. Comprehensive Guidance and Counseling
10. Follow-up Services for not less than 12 months after program completion
11. Financial literacy education
12. Entrepreneurial skills training
13. Career awareness, career counseling and career exploration services about in-demand industry sectors/occupations
14. Activities that help youth prepare for and transition to post-secondary education and training.

The WIOA Youth Program requires that these elements be part of a comprehensive and community-focused program design providing an age continuum of services to the target population. Program services address the barriers of the targeted youth and prepare them to obtain employment in a high wage/high growth industry or in an occupation with future career advancement opportunities, enter an education or training program, attain a degree/certificate, achieve measurable skill gains or return/remain in secondary/alternative secondary school.

ACTION/DISCUSSION ITEM II-B (continued)

Page 2

Staff is recommending the extension of subgrant awards for an additional year beginning July 1, 2026, and ending June 30, 2027. The funding recommendations are based on actual program enrollment numbers for PY 2025-2026 and the WIOA Youth Program Performance Summary PY 2025-2026 for enrollment goals/actuals (attached). Those providers who met their enrollment and performance goals are recommended for either level funding or additional slots. Those providers who met the enrollment goal based on the allowable plan to achieve 75% of their enrollment goal and performance were funded for 4 additional slots. Staff recommended a decrease in allocations for providers based on overall performance and planned enrollment goals.

SETA staff have monitored and evaluated WIOA Youth Providers on overall past program performance and their ability to meet planned performance levels. Evaluation criteria reviewed for performance include:

- Achievement of planned performance goals
- Ability to enroll and serve target populations
- Achievement of WIOA Youth Performance Outcomes
- Documentation of services and client progress towards goal attainment in the CalJOBS case management system
- Ability to provide required WIOA program elements and adhere to policies and program guidelines.

FUNDING ALLOCATIONS:

SETA has not received the Program Year (PY) 2026-2027 Youth funding allocation. The total youth funding recommendation is \$2,259,908 and contingent upon the receipt of the final WIOA allocation. If the final WIOA allocation is less than the PY 25-26 allocation, then subgrantee contract amounts may be adjusted proportionately. The remaining funds are allocated to program administration, support, monitoring and fiscal management. Additionally, the funding recommendation includes funding to support the "Youth Voice" Committee Initiative.

ACTION/DISCUSSION ITEM II-C

Approval to Extend the Agreement with EMRL for Employer Outreach Committee (EOC) Publicity/Public Relations Services

Presenter: William Walker

RECOMMENDATION:

Approve the extension of the agreement with EMRL through September 30, 2026 and augment them using Board Initiative funds in the amount of \$15,000 to continue working with SETA Sacramento Works staff and the EOC to provide marketing, advertising, graphic design, and related services.

BACKGROUND:

In 2024, EMRL was selected through a formal procurement process to provide the following services:

- Branding Strategy
- Marketing and Advertising
- Graphic Design
- Media Buying Strategy
- Video Production
- Outreach (including emailing employers and collecting contact data)

EMRL's initial agreement was extended in 2025 to continue services through June 30, 2026 in the amount of \$60,000.

EMRL's current contract extension expires on June 30, 2026. Accordingly, SETA Sacramento Works staff and the EOC are seeking approval to extend the agreement with EMRL through September 30, 2026, in the amount of \$15,000, plus an additional \$1,250 to purchase media buys, subject to prior approval. This extension will allow SETA time to procure a single firm to provide public relations, advertising, website design, and website management services for SETA and its various boards and committees.

ACTION/DISCUSSION ITEM II-D

Approval of WIOA Resource Allocation Plan (RAP), PY 2026-2027

Presenter: Renee John

RECOMMENDATION:

Approve the WIOA Resource Allocation Plan (RAP), PY 2026-2027.

BACKGROUND:

The Resource Allocation Plan (RAP) establishes how funds, allocated to Sacramento County through the Workforce Innovation and Opportunity Act (WIOA), Adult and Dislocated Worker programs will support services, activities and functions within the Sacramento Works Job Center (SWJC) System. These funds support activities and services that assist unemployed and underemployed individuals gain the skills necessary to enter high-demand careers in the region and offer employers the services needed to hire qualified candidates. Each year, Sacramento Works, Inc. (SWI) reviews the RAP and approves the allocation of funds for the upcoming year.

At the May 2025, Sacramento Works Board Meeting, the Board approved the PY 2025-26 WIOA RAP categories and percentages as follows:

57.1%	Career Services
29.1%	Training Services
6.7%	Job Center Support
5.6%	Administration
1.5%	<u>Board Initiatives</u>
100%	Total

SETA recently received notification that its total PY 2026-27 WIOA allocation for the Adult and Dislocated Worker programs is \$9,911,796, an increase of \$593,599 from PY 2025-26. Staff have determined that the current RAP categories and percentages remain appropriate and recommend maintaining the same categories and percentages in PY 2026-27.

In November 2025, Congress passed a continuing resolution extending funding for most federal agencies through January 30, 2026. Congress subsequently enacted additional FFY 2026 appropriations legislation providing full-year funding for federal programs through September 30, 2026. As the federal government moves forward in the budget reconciliation process, staff are closely monitoring potential impacts to WIOA and other workforce development programs.

Attached is the RAP chart reflecting the recommended cost categories and percentages, along with descriptions of each category.

ACTION/DISCUSSION ITEM II-E

Make a Finding that a Request for Approval to Use a Non-Competitive Procurement is Justified Under the Existing Circumstances and Authorize SETA/Sacramento Works to Pursue a Written Request for Approval from the California Workforce Development Board to Continue Providing One Stop Operator Services Through 2029 as a Non-Competitive Procurement

Presenter: Phil Cunningham

RECOMMENDATION:

Authorize SETA/Sacramento Works to pursue a Request for Approval from the California Workforce Development Board to continue providing One Stop Operator services through June 30, 2029.

BACKGROUND:

The Workforce Innovation and Opportunity Act (WIOA) and the regulations implementing the Act require the Workforce Development Board (WDB), in concurrence with the Governing Board, to select a One Stop Operator to operate the “America’s Job Centers of California” system as the mechanism for delivering WIOA services within the Sacramento Workforce Development Area.

The One Stop Operator ultimately selected by the WDB must, at a minimum, “coordinate the service delivery required of One Stop Partners and Service Providers.” The WDB may also establish additional roles for the One Stop Operator. A One Stop Operator may consist of a single entity (public, private, for profit or not for profit) and may include One Stop Partners (provided they form a consortium of not less than three One Stop Partners).

Although the intent of WIOA is for all Local Boards to procure their AJCC Operators through a full and open competitive process, the Uniform Guidance allows for limited instances in which alternate procurement methods may be allowed, with justification provided.

The Uniform Guidelines define one such exception under 2CFR 200.320 (c)(4) which provides that a non-competitive procurement may be used when the recipient or subrecipient requests in writing to use a non-competitive procurement method, and the Federal agency or pass-through entity provides a written approval.

One Stop Operator History

The need to procure a One Stop Operator through competitive process began when federal governing legislation changed from the Workforce Investment Act (WIA) to the Workforce Innovation and Opportunity Act (WIOA), with required compliance initiating in 2016.

ACTION/DISCUSSION ITEM II-E (continued)

Page 2

This board originally conducted a competitive procurement process in 2016 by first conducting a Survey of Interest among local eligible providers followed by a Request for Quotation process. The request for quotation was published and broadcast on the SETA website. The survey produced limited results with SETA and three additional entities expressing interest. Subsequently three declined to bid and SETA was the only bidder. SETA was selected through a sole source finding and awarded a four-year contract.

In 2020 the Executive Committee decided to forgo the Survey of Interest and move forward with a Request for Quotations. Two entities submitted applications, SETA and one other. The second entity withdrew their interest during the application review period. Subsequently, another four-year contract was awarded to SETA through sole source finding to serve as Sacramento's One Stop Operator.

One Stop Operator Procurement was due again in 2025. Through leadership changes this information was not brought to the attention of the Executive Director.

Due to the timeliness needed to resolve this issue, and there being no indication things have changed in this region including no reason to believe there are enough qualified local bidders to make for a competitive bidding process, the Executive Committee is recommending SETA pursue a Request for Approval from the California Workforce Development Board to maintain SETA/Sacramento Works as the One Stop Operator for the Sacramento region for the current period culminating in 2029.

A delay is not in the best interest of the public being served, and approval of a noncompetitive procurement having been requested and granted in writing, consistent with Federal WIOA Regulations and the OMB Uniform Guidance (2 CFR 200.320 (c)), non-competitive procurement is appropriate in these circumstances. The indication is that the request will be granted.

(916) 530-1700**SACRAMENTO—ROSEVILLE—FOLSOM METROPOLITAN STATISTICAL AREA (MSA)**
(EL DORADO, PLACER, SACRAMENTO, AND YOLO COUNTIES)
Total wage and salary jobs up 1,300 over the month and up 8,300 over the year

The unemployment rate in the Sacramento-Roseville-Folsom MSA was 4.7 percent in March 2026, down from a revised 5.0 percent in February 2026, and below the year-ago estimate of 4.9 percent. This compares with an unadjusted unemployment rate of 5.2 percent for California and 4.3 percent for the nation during the same period. The unemployment rate was 4.9 percent in El Dorado County, 4.0 percent in Placer County, 4.8 percent in Sacramento County, and 5.7 percent in Yolo County.

Between February 2026 and March 2026, total nonfarm employment in the counties of El Dorado, Placer, Sacramento, and Yolo increased by 1,300 to total 1,109,900 jobs.

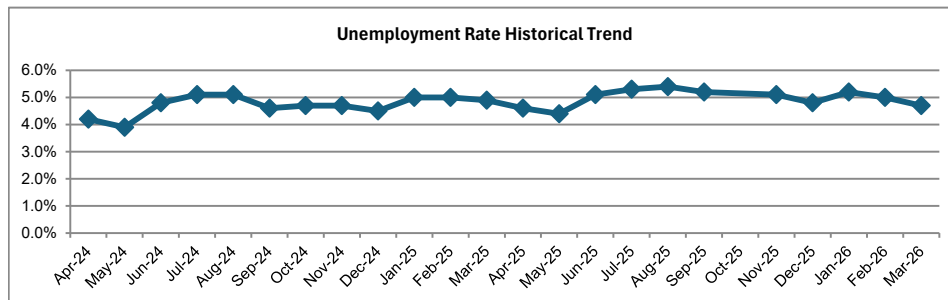

- Over the month, government reported the largest employment gain, adding 2,300 jobs. Local government (up 2,000 jobs) accounted for 87 percent of the increase while state government picked up 300 jobs. Federal government remained unchanged.
- Private education and health services continued its upward trend with a gain of 600 jobs, reaching 222,000 jobs in the region. Healthcare and social assistance (up 700 jobs) was responsible for the growth. Private educational services experienced a slight drop of 100 jobs.
- Construction led month-over declines with a loss of 900 jobs.
- Employment in professional and business services fell by 800 jobs in March. Within the industry sector, administrative and support and waste services (down 700 jobs) and professional, scientific, and technical services (down 200 jobs) reported losses. Management of companies and enterprises showed a slight gain of 100 jobs.

Between March 2025 and March 2026, total jobs in the region increased by 8,300 or 0.8 percent.

- Over the year, private education and health services (up 10,500 jobs) registered the largest employment increase. Healthcare and social assistance was responsible for the expansion, adding 10,700 jobs. Meanwhile, private educational services shed 200 jobs.
- Trade, transportation, and utilities advanced by 2,700 jobs compared to last March. Employment gains were spread across retail trade (up 1,900 jobs), transportation, warehousing and utilities (up 700 jobs), and wholesale trade (up 100 jobs).
- Government employment accounted for the largest year-over decline, shedding 4,100 jobs. Job declines in state government (down 4,200 jobs) and federal government (down 900 jobs) were offset by a gain of 1,000 jobs in local government.
- Construction employment fell by 3,700 jobs compared to last March. Specialty trade contractors (down 4,000 jobs) was responsible for the decrease.

OTHER REPORTS ITEM IV

A. Chair

The Chair of the Sacramento Works, Inc. Board, on a regular basis, receives numerous items of information concerning employment and training legislation, current programs, agency activities, and miscellaneous articles.

The important information from the material received and meetings attended will be shared with the entire Board and the method proposed by the Chair is to give a verbal report at each regular meeting. It will also allow time for the Board to provide input on items that may require future action.

B. Members of the Board

This item provides the opportunity for Workforce Development Board members to raise any items for consideration not covered under the formal agenda. It also provides the opportunity for Board members to request staff to research or follow up on specific requests or to ask that certain items be placed on the next agenda.

C. Counsel

The Sacramento Works, Inc. Legal Counsel is the firm of Phillip M. Cunningham, Attorney at Law. This item provides the opportunity for Legal Counsel to provide the Sacramento Works, Inc. Board with an oral or written report on legal activities.

D. Deputy Director

This item provides an opportunity for the Workforce Development Deputy Director, to provide an oral report on issues not included in the agenda packet.

E. Staff

This item provides an opportunity for SETA staff to provide oral report on issues not included in the agenda packet.

F. Public Participation

Participation of the general public at Sacramento Works, Inc. Board meetings is encouraged. The Sacramento Works, Inc. Board has decided to incorporate participants of the audience as part of its agenda for all meetings. Members of the audience are asked to address their requests to the Chair, if they wish to speak.
